- ☺ The purpose of the keys is to defy the impossible, including the seeming impossibility of changing yourself. Call on the keys to work the work within you of changing your bad habits, your wrong attitudes, your personality, and it will be done. Nothing is too hard for the keys!

CHANGE, FREEDOM AND REPENTANCE

HELPERS

- * **The Precious Blood and Sacrifice of our Lover!**
- * **Holy Queen of Love** – Gives us the conviction to change.
(John 16:7, 8)
- * **Our Spirit Helper of Change** - Longs to instruct us in the ways of acceptance and faith toward change.
- * **Our Spirit Helper of Challenges**
- * **Our Spirit Helper of the Future**
- * **Spirit Helpers of Encouragement** - Want to express words of praise and commendation to you, words of comfort and courage to help you with the walk ahead.
- * **Change** – Helps us to turn into what we need to become, and gives us peace through the changes.
- * **Acumon** – Gives us an attacking initiative.
- * **Styrian** – ‘I am Styrian, whirlwind of positive spiritual activity. I am filled with an all-consuming power of the Spirit of God, and the demon Lethargy has no escape when confronted by me... I am filled with good ideas that bring forth spiritual progress and which are then manifested in not just spiritual growth, but physical fruit.’
- * **Ellya** – Pleads with us to change and follow Jesus. ‘She has stayed close to My heart and My side, and has always pled My cause’.
- * **Guardians of the Flame** – Help us to burn brightly and freely for the Lord.
- * **Spirits of Renewal** – Beings in Heaven who help renew our spirits.

- * **David** – ‘When you are in meetings...discussing and praying about the Family’s needs or ways you can make things better, don’t forget to call for my help.’
- * **The Eleria** – Angels of freedom that help us to love Jesus and serve Him utterly, freed from the shackles of the world.
- * **Clarion** – Can help us to give it all to Jesus.
- * **Arcothon** – Destroys the spirit of defeat given by Apotheon, fighting through fire and light of the purest form: *he turns the Lord's Words into fireballs* that fight and defeat Apotheon, and teaches us how to fight with the keys. He teaches us the art of war and full possession and to be conduits of the power of God.
- * **The Guardians of the Flame** – These two mighty archangels hold the keys to the Kingdom that are given to the children of David in their hands, and will stand guard day and night as guardians of the flame of revolution that burns brightly in the heart of each of My children who have given their all to Me.
- * **Angels of Anointing** – ‘You have helpers of anointing who want to help you take on the new anointing that I am extending to you. They have counsel to offer, tips to help you enhance your awareness of Me and My power around you.’
- * **Free** - Gives us freedom of spirit.
- * **Don Quixote** – Teaches us to live freely.
- * **David Livingstone** – “You are always exploring new ways to spread the Word. I admire your determination and pioneering zeal [enthusiasm]. Your love for the lost is what I love most about the Family. You too are pioneers and explorers, for you have pioneered a way of

life that few have lived since the days of the Early Church.”

- * **Lucerne** – Fights depression and negativity. Bears the Light in humility and compassion. ‘Call on Lucerne and the power and light given him, which can transport your mind and spirit off the road of negativity, out of the darkness of depression, and back into My glorious light!...Call on My power given you through the keys!’
- * **The Angels of Anointing** – Want to help us take on the new anointing that Jesus is extending to us; they have counsel to offer to enhance our awareness of Him and His power.
- * **Femure and the Felines (Wild cats of Heaven)** – Are fighters that win quick victories against the Enemy in whatever battle. They get rid of the Devil the time necessary for you to see clearly and ask for specialized help or set up an offensive on your own. They can also help others if they are asked, so they play an important role in intercessory prayer. **Femure** is the queen of the Felines. Her role is to be the mediator between them and the ones who need them. She can also help you to take full advantage of their attacking power, and train you to make use of their help. ‘Behold My wildcats of Heaven who stand guard, ready at all times to assist My children of David in battle!... None can stand against them, for at the mere sound of their mighty roar, the foe will back off... ‘I want My Family to call much more for their help. Call on their attacking power in every battle with the Devil, and you’ll see greater outcomes. ... Call on the **Divine Fury keys** and the Wild Cats of Heaven, and they will come say amen...This key cannot be activated by those who

have a proud or self-exaltation spirit. It won't work.'

* * **The Mermaids** – 'Are spirit helpers, beautiful, angelic, and so much like the Holy Spirit Herself. The mermaid spirit Helpers are lovely, gentle, giving, and have the ability to flow with the current. They are never in a hurry, pressured, but always seem at ease, serene, and peaceful. When you pass through troubled waters, I will send you one of these helpers to aid you. She will navigate you through rough waters or spiny reefs. She will help you to be at peace and at ease. She will help you to become a mermaid yourself, one that is lifted on the currents of the water of My will. She will help you to be washed, renewed and finding pleasure in the treasures of My ocean of love for you.'

* **Leoni** – "When you are tempted with that evil novel or that evil music. Don't read it! Don't listen to it! Don't allow it to have any place in your life because it will destroy you spiritually. It will destroy your usefulness, and unless the Lord does a miracle and totally delivers you from it, it will destroy your mind and heart too. Though you may be saved and have His love in your heart, and the Devil can never possess you fully, he can sure mess you up. He can sure screw up your life and lead you down some pretty scary roads if you yield to him. That's why yielding to the Lord is so important. If you're yielded to the Lord and are desperately following His will and resisting the Enemy, the Devil can have no power over you."

* **The Keeper of Hell** – "The whole purpose of the correctional institutions here in the spiritual realm is to

help everyone repent and come to the knowledge of the King. We work hard to help people see the errors of their ways and we try to correct them gently and lovingly. But when they refuse all gentleness, then they must be subjected to more severe means of punishment."

* **The Heavenly "H" spirits-** (Vision:) I saw a picture of three young female spirits in a circle around him. They were dancing around him, hand in hand, very happy, very beautiful, laughing and twirling in a playful circle around him. I got that they were the Lord's heavenly "H" spirits--the spirits of **Humility**, **Hunger**, and **Help**--and that they are now assigned to be around him in answer to his prayers. They are sent to help him, and through their working together hand in hand in his life and spirit, keeping that circular boundary around him, they will keep him from straying and help him to grow.

As the picture faded, I saw these same three beautiful spirits, almost as their "final act," lie down on top of this huge "H" that was now in the midst of the circle where he had been standing. This big "H" in the middle of the circle stood for Habits--bad habits. Each of these beautiful heavenly "H" spirits lay down on top of this huge Habit "H." As they did so, their forms melted into each other and caused *the huge "H" of bad habits to completely disappear! Thank You Jesus!*

CHANGE, FREEDOM AND REPENTANCE

ENEMIES

- + Apotheon – ‘Is the power behind apathy...when man has no vision...no initiative to take action...,to the point of being dead in spirit and mind, without any forward movement, paralyzed in complacency, this is the work of Apotheon.’ He tries to oppress and suffocate us with laziness, poverty, failure and ruin. He does his best to make you feel the weight of the problem and stay down.
 - * His nemesis: call on Arcothon, who fights ‘ through the weapon of prayer, of prophecy, of the keys, of hearing my Master's instructions, and of casting out Apotheon.’
- + Lethargy - will try to convince you that there's no need to stir yourself up about it. Principality in charge of silencing the voice of conviction, instilling lack of the fear of the Lord in us, and complacency with the way things are.
 - * the demon Lethargy has no escape when confronted by me (Styrian)...‘I am filled with good ideas that bring forth spiritual progress.’
- + Spirits of Complacency and Compromise
- + Spirits of Seduction –‘They hype up fascination with things of the world. They try to get you addicted to a certain pleasure so that you're tempted to put it before your time with Me, or be distracted by it when you're supposed to be working or doing something more valuable...In these, the Last Days, there are many seducing spirits that have gone out into the world, more

than the sum total of all time.

- The seducing spirits have the power to do small "miracles," as it were, to engineer situations, to manipulate emotions in order to seduce their prey.
- They tempt you to cover up your desires, to keep them hidden and satisfy them in secret, because then you'll continue to be drawn away from My Spirit.'
- 'some go into a huge billboard, an advertisement of some sort. Others go into a TV set, and still others into a computer...they just become part of society in different ways, morphing into human form or entering into objects.'

Nemesis of the Spirits of Seduction: * The key is to be so full of Me that the spirits of seduction can have no hold on you....

- * Try the spirits, My children.
- * Call on the keys of discipleship, commitment, and dedication.
- * If you feel a strong urge to do something, weigh it against My Word and see if it's My will for you.
- * The S.O.S. (Strength Of Spirit) far outnumber the spirits of seduction, and when you call on them they will be at your side to help you in an instant. ...
- * You can just ask Me and I'll faithfully tell you to walk where you will be safe and blessed by Me.

+ Sensi (Slime) – Try to create sensitivity in us and numbness to the Lord's touches of love and the voice of the Spirit.

+ Medith (Pride) and underlings – Give you all the motives to not change.

+ Disobedient- Motivates to disobey.

- + Deactivation Demon of Pride
- + Deactivation Demon of Disobedience
- + Candomble – Eggs on compromise and complacency.
- + Nivea of the Sea – Evil goddess of the sea that tries to draw, suffocate and bind us in some old kind of plan and ministry, hindering us from getting to the field.
Desperate prayer, asking for help, and ministering to the children will free us!
- + Lazers – Tries to lure us away from His highest will.
- + Bacchus – Fat prince of addictions and eating disorders. He also causes you to get your eyes on the things of this world, and your attention and focus away from the things of the Spirit and from doing His will. Internet is one of Bacchus' great lairs in which he will try to ensnare you.
Baal's nemesis: *His nemesis is loving Jesus intimately!
* ' if they will repent of their ways and cling to Me, I will bring them through even as brands snatched from the burning.'
- * Archer: He fights with white-hot arrows, which are filled with the Spirit of God that cut Baal to the heart! He is over many other "archer" angels whose expertise is to hit the demon Baal and his cohorts.
- + Obstacon -He is a master of obstacles, of all that obstructs My children from absorbing and living My Words, mixing up priorities, therefore ensuring that first things do not get put first. "Good intentions" are among the chief means he uses.
- + Mammon – Incites us to worldliness and materialism.
- + Negaton – 'He commands many legions. Those under him drown their prey in a sea of negativity, hopelessness, darkness, and despair...seeking to make you give up, to

reject My promises and My help because of hopelessness... Negin stands at his right hand. He is his next in command.'

+ Vandari – 'Agents of the netherworld, who infiltrate the world population in the Last Days and are let loose upon the Earth.

- Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day.
- They seek to oppose My truth... The Vandari look for prey among those who are ignorant of the truth, who reject My Words and are darkened in their understanding, and ... among those who are weak in the Word. They latch on to their prey and seek to use them to oppose My truth. Be aware, My children. ...'

- 'These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My Spirit... they are bloodsuckers that weaken... they try to bite and suck the lifeblood out of My children, and it can become a vicious cycle of spiritual weakening, poisoning, and lack of desire for the Word.

- They seek to harm you through your enemies.' They inspire them ungodly actions and stories against us. Their nemesis : ' Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior. Pray against the Vandari influencing and working through your enemies and others in the world who can harm you.'

+ Vain – 'Instills the consciousness of what others might think and a fear of the opinions of others... always seeks to lift up the individual, to want his prey to look good in

the eyes of others, for it feeds their pride....It is when My children are proud,... wanting to be accepted by the mainstream and not wanting to rock the boat... seeking for your accomplishments and deeds and ministries to be well thought of by others, that you allow in the influence of Vain.'

+ Apotheon and Lethargy - Usually Lethargy comes in for the slow kill, and Apotheon is the one that sometimes just overwhelms you with the feeling of hopelessness, lack of strength or willpower, or desire to resign yourself or remain as you are. They work together, but those are some of their common characteristics, although they too adapt in order to best ensnare their victims.

clear head and think quickly. She had a lot of faith, and knew and loved Me when she lived on Earth. She was one who lived during the “pioneering days” when many people traveled from East to West in the U.S. She had a gentle, kind spirit, and did not easily get riled or rattled. She was a nurturer, one who loved to care for others, and she loved children. She could not have children herself, which was a great heartache and sorrow to her and her husband, but I allowed this in her life to keep her heart broken and soft toward Me. She loves to attend the births of Family women...therefore she knows she must be extra aware and on the attack against anything that the Enemy might try to use to thwart My will. She can whisper in your ears or give you checks in the spirit concerning anything you need to be aware of. She can...be like your personal counselor when it comes to anything related to the birth or preparation for it. She is happy to be of assistance to you.'

*** Don Quixote and Pied Piper -**

So give us the mad Don Quixotes!
Pied Pipers that make us to sing!
And let us be madness devotees
With the joy our insanity brings!
So I'd rather be happy in Jesus
Than sane as the Devil and bad.
If it's madness of spirit that frees us,
I'd rather be mad and be glad!

*** Snowman -**

I may be Abominable Snowman
A giant wild happy and free
Who cares and so what?--Come let's go, Man!
With me you've no idea what you'll see!

*** Rasputin -**

Let's sing for the Mad Monk Rasputin
Who loved, drank, healed and swayed kings!
For while they were madly disputin',
He made off with all of their things!

*** The Mermaids -** 'Are spirit helpers, beautiful, angelic, and so much like the Holy Spirit Herself. The mermaid spirit Helpers are lovely, gentle, giving, and have the ability to flow with the current. They are never in a hurry, pressured, but always seem at ease, serene, and peaceful. When you pass through troubled waters, I will send you one of these helpers to aid you. She will navigate you through rough waters or spiny reefs. She will help you to be at peace and at ease. She will help you to become a mermaid yourself, one that is lifted on the currents of the water of My will. She will help you to be washed, renewed and finding pleasure in the treasures

of My ocean of love for you.'

- * **Michael** – (A young Christian in Heaven) "In a message to the Family, Jesus once said, "The secret to happiness is, 'Be content!' 'I have ordained your life to be the way that it is, and as you thank Me for even the seeming 'stones' of your life...you will find them transforming before your eyes into the bread they have been all along' ...you could be in the middle of nowhere, doing something that isn't your favorite thing to do, but still be very happy because you have a praiseful spirit. You can ask the Lord: Please tell me how I can be more Content where I am, and with the things I have to do."
- * **Leoni** – "When you are tempted with that evil novel or that evil music. Don't read it! Don't listen to it! Don't allow it to have any place in your life because it will destroy you spiritually. It will destroy your usefulness, and unless the Lord does a miracle and totally delivers you from it, it will destroy your mind and heart too. Though you may be saved and have His love in your heart, and the Devil can never possess you fully, he can sure mess you up. He can sure screw up your life and lead you down some pretty scary roads if you yield to him. That's why yielding to the Lord is so important. If you're yielded to the Lord and are desperately following His will and resisting the Enemy, the Devil can have no power over you."

* **The HELP Force – (Healing, Encouraging, Life-giving, Protecting)**

‘-The four members of the HELP force stood by Me when I was on Earth, bringing Me healing, comfort and protection. They also assisted Me and other men and

But the HELP force will make it easier for you to be happy even when you don't feel well. Call on them and they will come to your side.'

'You've got the helmet of salvation, which means that you'll always be more than a conqueror. Even if the Enemy kills your body, he can't kill your spirit. The helmet protects your head, denoting that you can never really get fully "cut off". You're always Mine.'

Once you're Mine, you're always Mine. There is no denying My Spirit in you, because once I'm in your heart, I'm there to stay. I can never be completely hidden, no matter how much darkness, sin or disobedience may try to cloak My power; no matter how much one may try to pretend I'm not there. Even the wayward are bound to Me, and our connection of love will never be broken. My Spirit in them can never be eliminated or destroyed.'

++ The Heavenly Key Craft – Protects, guides, provides, regenerates, and comforts. (Jesus:) -I show to you this absolutely invincible vehicle!-The key craft, energy station of My key power. ...The key crafts are for use by those who follow and obey Me and use key power in their lives. This gift is for those who live in My Word by reading, absorbing and applying My Words.

The outer corridor of the key craft transports spirit beings and helpers that are ready to assist you in any way you need, especially whenever danger is near. Not one of Satan's evil followers is a match for these helpers. The key craft transports the might and power and energy of the keys. It is spiritual...and it is to assist you in these Last Days. The chimes signal you to walk in vigilance and prayer. At the same time they give you peace, knowing that the keys are with you and are at your command...The keys sing you a new song-a song of power, strength, and courage, a song of comfort and faith, a song of victory of the Last Days.

The keys go before you. You are never alone.
Acknowledge the keys in all your ways and they will lead you. They will chime in your ear, warning you of danger spots, signaling you which direction to take, giving you checks of My Spirit...When you call on the keys, you rev up the engines of the key craft, setting it spinning, releasing in great force its energy to destroy all evil. There are many, many key crafts. They go wherever the power of the keys is needed and called upon.

++ The Torch of David's Revolution - Will burn, burn, burn— lighting your way, guiding you, protecting you, shielding you from all harm as you finish what I have

begun on Earth, as you love and win and see each of My Own safely back into My fold.

++ The Pavilion of Peace – ‘It appears that it’s on an island, because there is water all around it.’ “On the portal of this place of peace is written the sum total of all that the pavilion represents... ‘Be still and know that I am God’ (Ps, 46:10) These are the words that adorn the entryway... There is power - supreme power in stillness, because in that stillness I have full access and entry to your spirit and mind... This cleansing river is symbolic of the cleansing each one needs before entering this place. To even enter this place of peace, all enemies of peace must be expelled. All distractions and cares must be swallowed up and washed away in those waters... What you - the individual- experience within the walls and pillars of this place of peace will be unique and custom-made for you... To put on the garments of rest that all wear upon entering this place, all other garments must be laid aside; ...Here in this place is the closest thing to when we will be united in Heaven, when we will commune face to face and know each other in every sense of the word ... The times you spend here in the pavilion of peace will impact your spirits and spiritual lives in a very real way... My dear one will pluck the fruit from these trees (inside the pavilion), and the nectar from this fruit will give them renewed strength of spirit –a fuller, deeper strength... it infuses the spirit with more vitality, vision, crazy faith, renewed courage... All who have fully entered into that spirit of rest and stillness will come to know Me in a way that they’ve never experienced Me before.”

CLARITY OF MIND, PEACE, COMFORT, POSITIVENESS

ENEMIES

- + Arakan - He can have a big effect on ...anything that requires high concentration. Arakan works to keep them from their focus - He naturally fights their channels to hinder their hearing from Me, - but he also tries to keep them from concentrating and really benefiting from My Word, from their schooling, from the experiences of life that I would use to teach them.
 - He tries to hinder them from communicating clearly what is on their hearts, and discourages them when they try. He tries to muddle and confuse all he can.
 - He tries to block their receptivity to My Spirit and their understanding of the things that happen around them. This is why you must pray against his influence on them.'
- * His nemesis is Illuminus and his assistants the Fairy Angel Fighters! the buzzing of the wings of these fairies Causes Arakan to be confused. Their whispers of truth and encouragement bring defeat to the depression of this demon.
- + Oplexicon – Is an evil Archangel and image assigned to fight David, who seeks to oppose, deny and entangle the truth and God's answers. 'I say again, beware of Oplexicon! Beware of the demon of subtleties. Be not lured away through doors which you should not enter. Pray diligently and fervently whether you should enter this maze (The Internet) at all, for it is not for all.'

+ Medithe (Pride) and underlings Demons of Accomplishment, Flesh, Worldliness, Machoism, Carnality, Materialism... 'All manifestations of pride such as The Selvegion, come directly from this demon of Pride.. Pray against the demon of Pride first of all, and then name his underlings and command them to follow. As these demons are cast out, and a force field of protection set up through the keys of imprisonment and containment, great victory will be won.'

+ Obtherion – Lures and beguiles the mind--through pride —into strong disbelief. He is the master of both illusion and delusion. You must be the strong defense and wall against him gaining entrance into the lives and hearts of your loved ones who have departed.

+ Obstacon - Opposes absorption of the Word and tempts us with good things motivating us to postpone obedience.

+ Depression - Living-dead creatures of the netherworld. Their purpose is death. They squeeze gently at first and it's hardly noticeable, but soon they crush the heart with their viselike grip till the life has gone out of it. (Their nemesis: Lucerne)

+ Baal – 'Is a god of the flesh like unto Pan and Bacchus, but each controls certain aspects of the flesh.
- In his milder forms of influence it becomes a form of mental torture--of self-condemnation... and the feeling that you need to suffer for your sins. Through this, Baal hopes to destroy many... and belittling of others and yourself--as a form of goodness and righteousness'
Baal's nemesis: * ' if they will repent of their ways and cling to Me, I will bring them through even as brands snatched from the burning.'

*Archer: He fights with white-hot arrows, which are filled with the Spirit of God that cut Baal to the heart! He is over many other "archer" angels whose expertise is to hit the demon Baal and his cohorts.

+ Pan – The arch- demon whose aim is to gain control over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. One of his demons is Rejection, who seeks to reject God's truth.

- Pan is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, analyzing, confusion, anything that would stand in the way of simply taking in God's Words in childlike faith and belief.
- Pan stirs up murmuring against My ways and My will in your life. He tries to speak lies in your ears to keep you from wanting to do things My way or to serve Me.
- He promotes self-importance, and the glory of our own mind and ways, seeking to enticing us with knowledge and high learning of evil or just useless information without discerning.
- He is the author of strong negativity, depression, schizophrenia, even suicide and all manner of mental illnesses.
- System music is one of his vehicles allowing him entrance to the mind with music that is not filled with Jesus' Spirit, but rather Satan's words, chords, and propaganda.
- He has people think that movies and fashion, do matter, along with their mindsets like "nothing else but thin will do".

- Pan gets dieting started by making you feel depressed, and then Bacchus calls you, and pulls you with his tentacles into the vicious cycle.
 - He is the one that tells you to feel spite toward correction, to not receive it and to resent it.
 - He has a spirit of "open-mindedness" and "anything goes" that is so prevalent in the world today.
- Pan's nemesis:*Thank God that we can be closed-minded to the wrong things ... Pan and his deviltry, and open to Jesus and His Heavenly wisdom, truths, and insights!
- *The Spiritual Cathars' soothing balm of love and forgiveness is an acid that burns Pan and he cannot endure it!
- * If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word. The written Word will send Pan screaming!
 - * 'Whenever the carnal mind is given precedence over My mind, you can be sure that Pan is at work. So call on the power of the keys, that his wiles will be defeated and that you can rise above the natural desire to please others instead of pleasing Me above all... You can fight Pan by rebuking him in the spirit and telling him that if necessary you're willing to believe My Words even without fully understanding them. This is exactly the opposite of what Pan wants, and it frustrates him greatly.'
- + Demons of Frenzy – They are a driving force in the world's crazed rush for speed. They whip people into a state where they no longer see things in perspective. They create pressure where no pressure is. Their end goal

is to drive their victims into mental and physical collapse by persuading them to accept their pressures and the never-ending road of accomplishments that never satisfy.

- + Rejection – Rejects the Truth.
- + Negaton – ‘He commands many legions. Those under him drown their prey in a sea of negativity, hopelessness, darkness, and despair...seeking to make you give up, to reject My promises and My help because of hopelessness ... Negin stands at his right hand. He is his next in command.’
- + Bitterness – Works along with Pan.
- + Sensi (Slime) – Promote sensitivity and numbness to the Lord’s touches and the voice of the Spirit to us.
- + Lazers - He is the demon of lust (excessive and overmastering desire). . Lust's motto is, "I love me, and I want you!", and it is fueled by... selfishness. Jesus' motto is "I love you; how can give to you?" Lust has to do with the mind and falls squarely under Pan and Apotheon's dominions, and brings forth the ugly offshoots of extreme jealousy, depression, and insanity. Lazers is an important one to rebuke by name.
- Rebuking him will bring greater clarity to your perspective when you have a strong desire for something and seek to make a wise decision, for Lazers seeks to cloud your priorities in order to lure you away from My highest will.
- + Apotheon – Tries to oppress and suffocate us with laziness, poverty, failure and ruin. He does his best to make you feel the weight of the problem and stay down. And

- + Lethargy - Will try to convince you that there's no need to stir yourself up about it.
- + Demon of Rage – Its manifestations include wars, murder, abortion, and jealousy.
- + Demons of Despair – Their goal is to destroy your usefulness to Jesus through depression and despair. They are Spirits of Death.
- + Kamikaze Spirits – Attack with suicidal thoughts and actions, then cast blame on others.
- + Demons of the netherworld – legions of demons unleashed on the world on December 26 2004 when the Asian tsunami whose main interest is to capture the souls of humanity, to harden men's hearts, to drive them to insanity, to steal from them their souls. It's a new drive of Satan himself to overwhelm the souls of men by using any tactic available to him--war, confusion, depression, discouragement, hardness of heart, hatred, evil, envy.
*Their nemesis: San-bahd-mahl and a host of angels who have lightning coming out of their eyes, they zap and vaporize these demons and save people. They will accompany any Family member who goes out to win souls.

The crown of forsaking your personal desire may seem too heavy to bear now, and it requires total submission, yieldedness, and total trust. It's not easy to stay true to your calling, but it's in this laying down of your life and your personal desires that lies the secret of receiving His power. For He will give you this same power that gave me the strength and conviction to face the wolves and tame them. As I said yes to Him, then could this power come down and flow freely

anywhere, anytime, to be little nobodies to help and serve others, to comfort the brokenhearted, is what I love about the Family! I'm proud to help you from Heaven. Anytime, anywhere, at any hour, I count it an honor to help you, dear Family, in any way I can."

* **Leoni** – “ When you are tempted with that evil novel or that evil music. Don't read it! Don't listen to it! Don't allow it to have any place in your life because it will destroy you spiritually. It will destroy your usefulness, and unless the Lord does a miracle and totally delivers you from it, it will destroy your mind and heart too. Though you may be saved and have His love in your heart, and the Devil can never possess you fully, he can sure mess you up. He can sure screw up your life and lead you down some pretty scary roads if you yield to him. That's why yielding to the Lord is so important. If you're yielded to the Lord and are desperately following His will and resisting the Enemy, the Devil can have no power over you.”

* **Amy Carmichael** – ‘The work is not a pretty thing to be looked at and admired. It is a fight. And battlefields are not beautiful. But if one is truly called of God, all the difficulties and discouragements only intensify the call. If things were easier, there would be less needed. The greater the need, the clearer the call rings through one, the deeper the conviction grows: It was God's call. And as one obeys it, there is the joy of obedience, quite apart from the joy of success.’ (Amy)
‘We shall have all eternity to celebrate the victories, but we have only the few hours before sunset in which to win them’ (Amy)

- * **Vance Havner** – ‘God uses broken things. Broken soil to produce a crop, broken clouds to give rain, broken grain to give bread, broken bread to give strength. It is the broken alabaster box that gives forth perfume. ‘(Vance)
- * **William Carey** – ‘A consciousness of having given up all for God is a support; and the work, with all its attendant inconveniences, is to me a rich reward.’ (William)
- * **Edward Judson** – ‘Suffering and success go together.’
- * **Sir Winston Churchill** - ‘We shall not fail or falter; we shall not weaken or tire. Neither the sudden shock of battle nor the long-drawn trials of vigilance and exertion will wear us down. Give us the tools and we will finish the job.’

‘You ask what is our policy. I will say, it is to wage war with all our might, with all the strength that God can give us... You ask what is our aim? I can answer in one word: Victory, Victory at all costs. Victory in spite of all terror. Victory however long and hard the road may be. For without victory there is no survival.’ (Sir Winston)

***Rev. J. Lampard** – ‘...the actual vigorous opposition of the powers of darkness, make it a real fight, and only men of grit, of courage, devotion, and infinite patience and perseverance, will win...the right sort of men, those who ought to volunteer, will be attracted rather than repelled by the difficulties.’

++**The Heavenly Key Craft** – Protects, guides, provides, regenerates, and comforts. The keys dangling from its edge to the tune of Jesus’ power harmonize and sing us a new song – a song of power and strength, a song of fortitude and courage, a song of solace and faith, a song of Victory of the Last Days. The keys go before us.

ministries to be well thought of by others, that you allow in the influence of Vain... these false balances of judging how greatly you are being used or how fruitful your work is by how rich and increased with goods you are, and how popular you are, is a deadly trap which is slowly strangling the spirit and life from some.'

*His nemesis: Thank God that we can be closed-minded to the wrong things ... Pan and his deviltry, and open to Jesus and His Heavenly wisdom, truths, and insights!

the mediator between them and the ones who need them. She can also help you to take full advantage of their attacking power, and train you to make use of their help. ‘Behold My wildcats of Heaven who stand guard, ready at all times to assist My children of David in battle!... None can stand against them, for at the mere sound of their mighty roar, the foe will back off... ‘I want My Family to call much more for their help. Call on their attacking power in every battle with the Devil, and you’ll see greater outcomes. ... ENEMIES

- + The Devil - He ruled the universe, second only unto God, the very Bearer of the light! But he wasn't satisfied with most of it. He wanted it all! He wanted to be the light. So because he wanted it all and wasn't even willing to share a little, he lost it all! He wanted to be God!... *Pride* was his downfall... He did not have to fall--he chose to, because of *his lust for power!*
- + Lazers - One of the seven principal demons, along with Pan, Bacchus and Set. He is the demon of lust (excessive and overmastering desire). . Lust's motto is, "I love me, and I want you!", and it is fueled by... selfishness. Jesus' motto is "I love you; how can I give to you?" Lust has to do with the mind and falls squarely under Pan and Apotheon's dominions, and brings forth the ugly offshoots of extreme jealousy, depression, and insanity... However, only in seeking after what is best for your spirit over your fleshly wants and desires will you be able to effectively overcome and keep at bay lust in all forms... Lazers is an important one to rebuke by name. Rebuking him will bring greater clarity to your perspective when you have a strong desire for something and seek to make a wise decision, for Lazers seeks to cloud your priorities in order to lure you away from My highest will.
- + Baal – 'Is a god of the flesh like unto Pan and Bacchus, but each controls certain aspects of the flesh.
 - In his milder forms of influence it becomes a form of

mental torture--of self-condemnation... and the feeling that you need to suffer for your sins. Through this, Baal hopes to destroy many... and belittling of others and yourself--as a form of goodness and righteousness...

- There are also those who have been derailed...by the perversions of Baal in seeking pleasure in twisted ways... All these forms of tormenting the flesh and mind, and attempting to derive pleasure through torment--whether physical, sexual, mental, emotional, or spiritual--spring from the influences of Baal and his minions.'

Baal's nemesis: * 'Yet, if they will repent of their ways and cling to Me, I will bring them through even as brands snatched from the burning.'

*Archer: He fights with white-hot arrows, which are filled with the Spirit of God that cut Baal to the heart! He is over many other "archer" angels whose expertise is to hit the demon Baal and his cohorts.

+ Obtherion – His blatant homosexuality is indicative of his wicked rebellion, as he lures and beguiles the mind--through pride--into strong disbelief.

+ Sucumbus – Sponsors homosexualism.

+ Orexis – Encourages eating disorders.

+ Bacchus – Fat... principality and stronghold... of *addictions* and *eating disorders*... of which there are many forms. 'His mission is to separate My children from Me, to cause them to turn to their addictions--any number of physical or fleshly crutches and excesses--instead of turning to Me and leaning upon Me'...away from the things of the Spirit and from doing His will. *Internet* is one of Bacchus' great lairs in which he will try to ensnare you.

* ‘The nemesis of Bacchus is - loving Me intimately and calling Me to your side as your Husband....Bacchus tentacles are multiple and strong, but... you can call him out by name, and cause him to kneel and cower at the mention of My Name and with the blinding light of the keys of the Kingdom.

- I want you to just spend more time on the things of the Spirit, so that these other forms of entertainment and inspiration seem shallow and secondary to you. Also call on Boheme to cut the tentacles of Bacchus and his addictions. He is a great one, possessing all that is fit and uncompromising.

+ Oplexicon –‘I say again, beware of Oplexicon! Beware of the demon of subtleties. Be not lured away through doors which you should not enter. Pray diligently and fervently whether you should enter this maze (The Internet) at all, for it is not for all.’

+ Depression - Living-dead creatures of the netherworld. Their purpose is death. They squeeze gently at first and it's hardly noticeable, but soon they crush the heart with their viselike grip till the life has gone out of it. (Their nemesis: Lucerne)

+ Pan – The arch- demon whose aim is to gain control over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. One of his demons is Rejection, who seeks to reject God's truth.

- Pan is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, analyzing, confusion, anything that would stand in the

way of simply taking in God's Words in childlike faith and belief.

- Pan stirs up murmuring against My ways and My will in your life. He tries to speak lies in your ears to keep you from wanting to do things My way or to serve Me.
- He promotes self-importance, and the glory of our own mind and ways, seeking to enticing us with knowledge and high learning of evil or just useless information without discerning.
- He is the author of strong negativity, depression, schizophrenia, even suicide and all manner of mental illnesses.
- System music is one of his vehicles allowing him entrance to the mind with music that is not filled with Jesus' Spirit, but rather Satan's words, chords, and propaganda.
- He has people think that movies and fashion, do matter, along with their mindsets like "nothing else but thin will do".
- Pan gets dieting started by making you feel depressed, and then Bacchus calls you, and pulls you with his tentacles into the vicious cycle.
He is the one that tells you to feel spite toward correction, to not receive it and to resent it.
- He has a spirit of "open-mindedness" and "anything goes" that is so prevalent in the world today.
Pan's nemesis: *Thank God that we can be closed-minded to the wrong things... Pan and his deviltry, and open to Jesus and His Heavenly wisdom, truths, and insights!

*The Spiritual Cathars' soothing balm of love and

forgiveness is an acid that burns Pan and he cannot endure it!

* If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word.

The written Word will send Pan screaming!

* 'Whenever the carnal mind is given precedence over My mind, you can be sure that Pan is at work. So call on the power of the keys, that his wiles will be defeated and that you can rise above the natural desire to please others instead of pleasing Me above all... You can fight Pan by rebuking him in the spirit and telling him that if necessary you're willing to believe My Words even without fully understanding them. This is exactly the opposite of what Pan wants, and it frustrates him greatly.'

- + Arakan – Is a chief Demon of confusion, depression and discouragement. (His counterpart is Illuminus and the FAF!)
- + Medith (Pride) and underlings Demons of Accomplishment, Flesh, Worldliness, Machoism, Carnality, Materialism... 'All manifestations of pride such as The Selvigion, come directly from this demon of Pride.. Pray against the demon of Pride first of all, and then name his underlings and command them to follow. As these demons are cast out, and a force field of protection set up through the keys of imprisonment and containment, great victory will be won.'
- + Deactivation Demon of Pride
- + Deactivation Demon of Disobedience
- + Lethargy - Promotes laziness.
- + Greed and Lust – Excessive money and godly pleasure.

- + Mammon – Incites us to worldliness and materialism.
- + Negaton and Neguin – Sponsor pessimism and negativity.
- + Seduction and Obsession – Seduction is a spirit of deception. It has to do with the mind and seducing the mind into obsession, submission, and a type of addiction. When anyone is primarily focused on themselves, then unfortunately it's easy to be open game for [the] spirits of Seduction and Obsession. Their power and domain lie in self-satisfaction.
 - * The nemesis of these spirits and sirens gaining entrance into your mind and emotions is unselfishness and sacrificial giving—turning your thoughts toward others and toward Me and My love. Real love begins with an effort, because the mind must choose to turn from selfishness...taking others into consideration, and looking to Me and what I would have you do...

The yoke of total dedication...and humble service... to Me literally binds the power of the demonic spirits of Seduction and Obsession. You can call on Yokum to help you take on this yoke.'
- + Spirits of Seduction – 'They hype up fascination with things of the world. They try to get you addicted to a certain pleasure so that you're tempted to put it before your time with Me, or be distracted by it when you're supposed to be working or doing something more valuable... In these, the Last Days, there are many seducing spirits that have gone out into the world, more than the sum total of all time.
 - They will try to get you to focus solely on physical pleasure, and make it seem that if you bring Me into your

times of fun, they will be less exciting or fulfilling.

- The seducing spirits have the power to do small "miracles," as it were, to engineer situations, to manipulate emotions in order to seduce their prey.
- They tempt you to cover up your desires, to keep them hidden and satisfy them in secret, because then you'll continue to be drawn away from My Spirit.'
- 'some go into a huge billboard, an advertisement of some sort. Others go into a TV set, and still others into a computer...they just become part of society in different ways, morphing into human form or entering into objects.'

Nemesis of the Spirits of Seduction: * The key is to be so full of Me that the spirits of seduction can have no hold on you....

- * Try the spirits, My children...
- * Call on the keys of discipleship, commitment, and dedication.
- * If you feel a strong urge to do something, weigh it against My Word and see if it's My will for you.
- * The Strength Of Spirit far outnumber the spirits of seduction, and when you call on them they will be at your side to help you in an instant. ...

(Jesus:) The Wildcats of Heaven are an awesome army of fighters that you don't call on nearly enough.

They specialize in defeating the Enemy in any battle, and in making short work of it. They are an army that will defeat and scatter the Enemy anytime, anywhere, and in any circumstances.

I call them in when I need an instant and decisive victory, when I need the battlefield cleansed of the Enemy and victory won in a moment. They possess My raw power and will to fight in such quantity that they can never be defeated or even delayed. The moment they set out to battle, their roar lets the Enemy know that his end is near. But before he can decide on what to do, or even turn around to run, they're upon him, tearing his power to shreds and claiming instant victory.

They carry a special golden key around their necks. This is the **key of divine fury**, and it embodies My power and will to destroy the Evil One. This key fills them with My attitude and power, and the result is an unbeatable combination that defeats the Enemy every time...**Femura**, queen of the Wildcats of Heaven, trains and leads them. She will teach you how to best use their help, or be an intermediary between your need and their answer. Call on her and you call on them, for she is their head and caretaker. ...She is catlike, but not entirely feline...

Her role is intermediary between the Wildcats and those who need them. As well, she can help you to know how to make the most of their attacking power, and train you in using their help.

Call on the **Divine Fury keys** and the Wild Cats of Heaven, and they will come altogether to help you before you say

amen...This key cannot be activated by those who have a proud or self-exaltation spirit. It won't work.'

- * **Knights of Victory**– (Jesus)’Call on the Knights of Victory, when you need a boost in your battles. *They are spiritual knights who will come charging to your side and place you on their horses, to carry you to a place of victory*, a place of rest and a place of renewal. If you feel like you don’t have a fighting chance of winning a battle, call on these knights to come to your aid. With them by your side you can be a winner...these Knights of Victory are knights of light... Their armour is made up of My keys; their beings, the truth of My Word...they keep *the fighting serum of your father David*. This spiritual serum *will enable all those who receive it to submit to God, resist and rebuke the Devil, and fight him until he is defeated in your life!*...Once the spirit of My child cries out in desire to embrace My truth and walk in My light, the elixir of My Knights of Victory is poured upon them, enveloping them in a protective spiritual bubble.

Did you know that when the Family received the gift of the keys, they each received their own personal blue angel?... You are each now fully attached to a blue spirit being, who is connected fully to My words and My thoughts and My power! In fact, connected fully to the power of God Himself, that means all of us, God the Father, The Holy Spirit mother, and Me, Their Son. You have Our power now fully at your disposal. The keys carry such incredible power that it would be too much for you to handle on your own. That is why I gave you a Blue Angel to protect that power and to be your link to My power... If you call on them to carry you to My presence, they will do so speedily.
The reason I have created them to appear as a horse is to remind you that they transport you from your realm to Mine...remember to use them for this very important purpose of riding the wings of the wind of their spirits to come into My arms.
You and your own little wings can only fly so high and

bear so much. And so I have given you your Elerian, that you may lay your own “wings” of the flesh upon their own wings so you can be borne into higher currents of My Spirit and used even more greatly of Me. Now the weapons of warfare are not carnal ones, but they are weapons of the Spirit and of the Word. My wish was granted and I have been offered release of my other Heavenly duties to come and fight with you, the Children of David.’
- * **Richard The Lionhearted** – “The Lord gave me the “lion’s heart,” and He gave me the heart of a king, and the heart of love and compassion to fight for those who were in need. And so Jesus gives you the hearts of kings, the heart of the Queen of Heaven, the Holy Ghost, to help you to fight the spiritual battles that are before you. When you are in the battle and the foe is all about, don’t relax and sit down, because you’ll get killed! When you are in the battle and you see your brothers being killed, you won’t care to sit! And behold I tell you: you are in the battle! And there are brothers and sisters dying on both of your sides. I’m here to teach you how to fight. I’m here to teach you how to persevere. I’m here to teach you how to be the children of David with lions’ hearts!”
- * **Fairies of Faith, Praise and Light** – (Mariko) “If you wanted them to, they would come and dispel any fears or darkness in your heart. It wasn’t something that you had

to work up or try to do, but you did have to make the decision in your heart that you wanted their help. Once you said that you wanted them to flood your heart with light, faith and praise, they would come and dance around you in such pretty formations. It was so beautiful!"

- * **Brunheld** – (David Brandt) "Was a great and mighty warrior, great and strong! I have to look up Brunheld. I can see her though: Big woman, long flowing brunette hair, fierce and strong and mighty warrior for David! She's big and strong for her father David! She'll defend him to death!... My name is David Steep Mountain! I think Brunheld means "she holds the mountain".
- * **Warrior Angels** – When you go on a dangerous mission you are even given a band of warrior angels to protect you from harm, robbers and mishaps. And when you fight heavy spiritual battles you are also given warrior angels to help you through your battles."
- * **Samson (From the Bible)** – Helps us tackle the impossible and fight.
- * **Amy Carmichael** – 'The work is not a pretty thing to be looked at and admired. It is a fight. And battlefields are not beautiful. But if one is truly called of God, all the difficulties and discouragements only intensify the call. If things were easier, there would be less needed. The greater the need, the clearer the call rings through one, the deeper the conviction grows: It was God's call. And as one obeys it, there is the joy of obedience, quite apart from the joy of success.' (Amy)
‘We shall have all eternity to celebrate the victories, but we have only the few hours before sunset in which to win them’ (Amy)

- * **Vance Havner** – ‘God uses broken things. Broken soil to produce a crop, broken clouds to give rain, broken grain to give bread, broken bread to give strength. It is the broken alabaster box that gives forth perfume.’ (Vance)
- * **William Carey** – ‘A consciousness of having given up all for God is a support; and the work, with all its attendant inconveniences, is to me a rich reward.’ (William)
- * **Edward Judson** – ‘Suffering and success go together.’ (Edward)
- * **Sir Winston Churchill** - ‘We shall not fail or falter; we shall not weaken or tire. Neither the sudden shock of battle nor the long-drawn trials of vigilance and exertion will wear us down. Give us the tools and we will finish the job.’
You ask what is our policy. I will say, it is to wage war with all our might, with all the strength that God can give us... You ask what is our aim? I can answer in one word: Victory, Victory at all costs. Victory in spite of all terror. Victory however long and hard the road may be. For without victory there is no survival.’ (Sir Winston)
- * **Rev. J. Lampard** – ‘...the actual vigorous opposition of the powers of darkness, make it a real fight, and only men of grit, of courage, devotion, and infinite patience and perseverance, will win...the right sort of men, those who ought to volunteer, will be attracted rather than repelled by the difficulties.’

++The Flag of Victory- To help remind you of the victory and of your brilliant future, I wanted to bring you something special. This, My love, is **the flag of victory**. Open it with Me; ...On this flag is embroidered

every single victory that you will personally win. Right now you're experiencing the battles, but this flag shows you the picture of victory that all of these battles will bring. This flag is made of heavenly materials, threads of gold and silver inlaid with precious stones—rubies, diamonds, sapphires, onyx, opal and emeralds. I have created this flag for you, My dear friend. I wove it with My Own hands. As I went over the blueprint of your life, I made careful note of each battle and difficulty you would face and of the desired fruit and victories that those tough times would bring. Then, with the vision of those victories in mind, I created this tapestry. I sang as I worked, and My songs of your victories and conquests became a part of this victor's flag. My songs of victory are those gold and silver threads that you see throughout the design of this flag. *Here, let Me wrap this flag of victory around your shoulders.* It is not only to remind you that victories will be won through the battles, but *to prove to you that you have victory.* I want to repeat that: *You have victory.* This does not mean you will have the victory, but that you **do** have the victory. I want you to know without a doubt that you have victory. You already have victory *in anything and everything because you have Me, the King of Victory,* the essence of victory, the soul of victory. ... It's been written in the books of Heaven. I declared it before you were born. This flag, which exists for you here in My Kingdom, declares your victory, states your conquests, and shouts out to the armies of Satan: "I have victory! I hold victory! I breathe victory! I obtain victory!"... Remind yourself of it when your faith flickers low and the

battles rage ferociously. Wave this flag of victory in Satan's face when he threatens to overwhelm you with his evil hordes. When My songs of victory are ringing in your mind and heart, Satan cannot stand, let alone fight, against that victorious sound; he must fall on his knees and declare defeat. You cannot be defeated, My soldier... I want the knowledge of this flag of victory that is around your shoulders and that I created especially for you to strengthen your feeble knees, enlighten your darkness, enrich your heart, and renew your strength. *This flag is a symbol of My promise—that I am with you in every fight.* As you picture this flag flying high as you head into battle, or clutching it to your chest when you climb those craggy cliffs, or wrapping it around your shoulders when you need warmth and comfort, I will be singing you songs of victory, and songs of My faith in you—a faith that was uttered before you were even created. You can *stand under this flag when you feel you need a boost of staying power*, when you feel you need surcease from the battle... I will show you the victories to come. All you have to do is ask. Every single victory is portrayed in your flag; all you have to do is picture yourself unfurling it, and there you will see that every battle will eventually be won. *There is a victory for you in every situation*—I have not missed a single experience.... You look outstanding wrapped in such victorious, brilliant material. You look majestic and heavenly! Your face looks brighter already! You're smiling now, and look, some of those bruises are healing miraculously. Yes, *victory fills you with strength.* This is

how you can keep the victor's outlook. This is how you can stay focused on the light. This is how you can keep pressing forward even in the midst of the darkest battle and fiercest carnage—by holding on to My promise of victory, and knowing, absolutely knowing, that your victory is assured, that you have victory.

Say it out loud, right now: "*I have victory!*" Say it again! "*I have victory!*" What do you have victory over? Think of that battle you're facing, or those many different battles you're facing, and with each one say to Me: "*I have victory!*" Yes, you do! You have victory over each of those battles. I have made you

victorious! Now, My love, ...*Picture yourself resting comfortably with the flag of victory surrounding you.* You don't ever have to let your victory be taken from you. As long as you hold on to it in faith, carry it high in faith, and use it in faith, it can never be lost to you.

*You hold the victor's flag, and thus you shall not fail.
You hear the victor's song, so let your faith be strong!
Raise your voice, lift your eyes, step forth with heart of praise!*

The battlefield is yours to conquer, so let your flag be raised!

++ Spiritual Smart Bombs – These are spiritual massive destruction bombs against the Enemy.

++ The Helmet – (Jesus) 'Those who have on the helmet of salvation will never be lost to Me.'

'You've got the helmet of salvation, which means that you'll always be more than a conqueror. Even if the Enemy kills your body, he can't kill your spirit. The helmet protects your head, denoting that you can never

really get fully “cut off”. You’re always Mine.’ Once you’re Mine, you’re always Mine. There is no denying My Spirit in you, because once I’m in your heart, I’m there to stay. I can never be completely hidden, no matter how much darkness, sin or disobedience may try to cloak My power; no matter how much one may try to pretend I’m not there. Even the wayward are bound to Me, and our connection of love will never be broken. My Spirit in them can never be eliminated or destroyed.’

++ The Heavenly Key Craft – Protects, guides, provides, regenerates, and comforts. The keys dangling from its edge to the tune of Jesus’ power harmonize and sing us a new song – a song of power and strength, a song of fortitude and courage, a song of solace and faith, a song of Victory of the Last Days. The keys go before us.

++ The Halloween Wheel – (David Brandt) “ What different things does my Wheel do for me?-- "**It kills flies**"! In other words it fights the evil spirits. "**It tells fortunes**". That means it really reads the character like these readings I get. **It transports me**.--In the spirit I'm sure, of course. What else? **It has or gives light apparently**. I have to have it so I can see what's going on.... See, a halo is like a spiritual crown, it's a source of your power like a halo antenna...But the fact that it's over your head shows it's a crown of power, a crown of revelation, a crown of authority and your power that the Lord has given you, like your guardian angel.”

++ The Keys turned to Swords - The Family members always overcome whatever obstacle stands in their way as long as they focus and signal for help!... a set of golden keys appears...They extend their arms and as they do the keys transform into a huge sword that is glowing so brightly, as if edged with fire!... It's right there at their fingertips. They start wielding this weapon, and it does whatever they need.
It stops enemies. It can hold back the weather, or it can bring raging storms, earthquakes, volcanoes, tornados, terrible lightning and thunder upon the wicked and those who fight against God's people! It heals the sick...It releases captives... The swords can be used to blind the eyes of the authorities. The swords bring supply. Huge floodgates are being opened, and food, clothing, and needs are flowing out... Then they flip their huge fiery swords ...throw them up in the air ... and as they catch them, the weapons turn back into beautiful golden keys, several on one key ring, and these keys just slip right into their pockets. The keys are always with them. They then raise their arms in praise and thanks to the Lord, giving Him all the credit and glory. (Jesus:) “Reach out by faith to use the keys! Use the keys to guide others through the Endtime. Practice using this powerful gift of the keys and you will become masters at turning them into swords.”

++ The Temple of Prayer – ‘I Look forward to spending this time in the Temple of Prayer with you, This is not time in the Temple of Rest...This time is different, it is your time in the spiritual war, it is the

time when great progress is made in every area that you take time to focus on. It is the time when wonderful things happen in the spirit, tremendous and awesome things are made possible because of this time you spend in prayer... The Enemy fights this time that you spend in the Temple of Prayer, he tries to distract you, he tries to hit you with tiredness and weariness, he tries to hide from you how important it really is... because he knows just how deadly it is to his kingdom, his works and his attacks when you unite in prayer... so enter in fully My loves to this Temple of Prayer, leave all your thoughts of busyness and work and worries outside, and dedicate this time to Me and to your precious Family... I will in turn pour into you... and you will be blessed by seeing the answer to your prayers, every one. Give this tithe of your time wholeheartedly, knowing that is the most important percentage of your work that you'll ever do... and you will find once again that you never lose by giving... Neglect it not, for interceding for your loved ones is your most important duty.'

++ The Law of Love – 'Is very effective as a weapon for personal defense, or offense against the Enemy. But it is also exceptionally strong in defending or protecting others, or defeating the Enemy on their behalf. It's a weapon that not only helps you out in a specific battle you use it to win, but **the power also goes into the encompassing force field that surrounds your home and your loved ones, and it protects you and strengthens you as a team against further attacks.**

Another exceptionally strong point in The Law of Love weapon, is that if it's used offensively, it draws the lost into My bosom, and helps them connect with Me, **it's like giving them protecting or covering fire while they run into My arms, keeping the Enemy away from them, while they make the decision to become Mine or to draw closer to Me**...As you learn to use this weapon in the way it was designed to be used, **your bond and unity will become supernaturally strong**, tangible and visible to all those who observe you...in the days to come... that aura will increase, so **it's like a light searing the darkness**, it will be undeniable ...it will draw many to Me, **and will give you supernatural power and protection...you can make your first reaction a loving reaction**. That won't happen overnight, you'll have to train hard to achieve those results, but they are possible, You have everything you need right at your fingertips...So if you want this crown...come and take it, it's yours!... Make these weapons so much a part of you, that they are integrated into your very thought, every feeling, every fiber of your being...These weapons of the Law of Love and the weapon of Brotherhood... when you make them a part of you, they blend together and become one weapon of unlimited power ...In order to use the weapon of The Law of Love and the weapon of Brotherhood, you must abandon the selfishness, pride and laziness of your own human nature. Then these weapons are activated and you are able to use them in all their power for My glory...It will not be the nature of man doing it, but My nature in you through these

weapons that will destroy evil, defeat Satan, and bring light, life, love and power to one another, to yourselves, and to all those you touch...make it part of your daily breast, that you will have this weapon in your arsenal at all times, ready to pull it out at the first sign of the Enemy's nose... Use the Law of Love as a strike-first kind of weapon...If you can **make the loving way your habit, your first reaction, then** so many negatives won't even have a chance to come into your life!

FIGHTING SPIRIT, PERSECUTION, STRENGTH, AND FAITH.

ENEMIES

- + The Devil - He ruled the universe, second only unto God, the very Bearer of the light! But he wasn't satisfied with most of it. He wanted it all! He wanted to be the light. So because he wanted it all and wasn't even willing to share a little, he lost it all! He wanted to be God! ...*Pride* was his downfall... He did not have to fall--he chose to, because of *his lust for power*!
- + Oplexicon – Is an evil Archangel, an image assigned to fight David, who seeks to oppose, deny and entangle the truth and answers of God. 'I say again, beware of Oplexicon! Beware of the demon of subtleties. Be not lured away through doors which you should not enter. Pray diligently and fervently whether you should enter this maze (The Internet) at all, for it is not for all.'
- + Medith (Pride) – 'In the big picture, pride is Satan's highest priority . It's so important because it's the root of all sin and all evil.' Its underlings are demons of Accomplishment, Flesh, Worldliness, Machoism, Carnality, Materialism... 'All manifestations of pride such as The Selvegion, come directly from this demon of Pride.. Pray against the demon of Pride first of all, and then name his underlings and command them to follow. As these demons are cast out, and a force field of protection set up through the keys of imprisonment and containment, great victory will be won.'
- * Their nemesis are *The Silver Helmet Angels* who defeat

the Demons of Pride.

- + Greed – “In ‘Standing at Heaven’s Gate’ that man found out that demons inhabited ...the second heavens...and the demon of greed was the second highest of Satan’s demons...Greed is very important to Satan because its many destructive effects...Greed is a primary reason behind wars, violence, crime.”
- + Crow – Tries to influence us mentally and against the Family.
- + Apotheon – (Jesus:) Apotheon, works alongside Satan within one of the highest echelons and domains of netherworld power and importance--that of destroying faith. He goes about the earth to and fro amongst the children of men weakening and undermining faith, courage, and hope; seeking always to press down, to push down, to oppress, to cover the eyes of those who would turn them upward toward Me He seeks to suffocate and weigh down man's spirit and will to fight on, to rise above circumstances and conditions; thus his domain is one of poverty, failure, and ruin.
His grip is like unto that of a python--suffocating and paralyzing... which drains the very life, blood, and faith out of his victims. He seeks to paralyze people's faith, so there is no movement, no forward motion, no vision, no desire or ability to rise above or change things for the better, no desire to fulfill My plan or perfect will... your faith is slowly drained from you--you lose your fire, your heat, and your drive, because faith fuels your fire!... Apotheon is the archdemon of apathy, laziness, waiting, sitting, dragging down, draining the lifeblood out of you.

- + Lethargy - Will try to convince you that there's no need to stir yourself up about it. Principality in charge of silencing the voice of conviction, instilling lack of the fear of the Lord in us, and complacency with the way things are. * the demon Lethargy has no escape when confronted by me (Styrian)... 'I am filled with good ideas that bring forth spiritual progress.'
- + Lethargy and Apotheon - (Jesus:) The last thing the Enemy wants you to do is to get stirred up and to fight in the spirit--and this is where Lethargy has affected you. Apotheon does his best to make you feel the weight of the problem and stay down. And Lethargy will try to convince you that there's no need to stir yourself up about it.
- + Spirits of Complacency and Compromise
- + Candomble – Is a spirit of compromise and complacency carefully shrouded in open-mindedness, indulgence, free-thinking, and revelry that weakens our conviction with “mañana, mañana”.
- + Mammon – Incites us to worldliness and materialism.
- + Pan – The arch- demon whose aim is to gain control over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. One of his demons is Rejection, who seeks to reject God's truth.
 - Pan is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, analyzing, confusion, anything that would stand in the way of simply taking in God's Words in childlike faith

and belief.

- Pan stirs up murmuring against My ways and My will in your life. He tries to speak lies in your ears to keep you from wanting to do things My way or to serve Me.
- He promotes self-importance, and the glory of our own mind and ways, seeking to enticing us with knowledge and high learning of evil or just useless information without discerning.
- He is the author of strong negativity, depression, schizophrenia, even suicide and all manner of mental illnesses.
- System music is one of his vehicles allowing him entrance to the mind with music that is not filled with Jesus' Spirit, but rather Satan's words, chords, and propaganda.
- He has people think that movies and fashion, do matter, along with their mindsets like "nothing else but thin will do".
- Pan gets dieting started by making you feel depressed, and then Bacchus calls you, and pulls you with his tentacles into the vicious cycle.
- He is the one that tells you to feel spite toward correction, to not receive it and to resent it.
- He has a spirit of "open-mindedness" and "anything goes" that is so prevalent in the world today.

Pan's nemesis:*Thank God that we can be closed-minded to the wrong things ... Pan and his deviltry, and open to Jesus and His Heavenly wisdom, truths, and insights!

*The Spiritual Cathars' soothing balm of love and forgiveness is an acid that burns Pan and he cannot endure it!

* If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word. The written Word will send Pan screaming!

* 'Whenever the carnal mind is given precedence over My mind, you can be sure that Pan is at work. So call on the power of the keys, that his wiles will be defeated and that you can rise above the natural desire to please others instead of pleasing Me above all... You can fight Pan by rebuking him in the spirit and telling him that if necessary you're willing to believe My Words even without fully understanding them. This is exactly the opposite of what Pan wants, and it frustrates him greatly.'

+ Lazers - One of the seven principal demons, along with Pan, Bacchus and Set. He is the demon of lust (excessive and overmastering desire). . Lust's motto is, "I love me, and I want you!", and it is fueled by... selfishness. Jesus' motto is "I love you; how can I give to you?" Lust has to do with the mind and falls squarely under Pan and Apotheon's dominions, and brings forth the ugly offshoots of extreme jealousy, depression, and insanity... However, only in seeking after what is best for your spirit over your fleshly wants and desires will you be able to effectively overcome and keep at bay lust in all forms... Lazers is an important one to rebuke by name. Rebuking him will bring greater clarity to your perspective when you have a strong desire for something and seek to make a wise decision, for Lazers seeks to cloud your priorities in order to lure you away from My highest will.

- + Seduction and Obsession – Seduction is a spirit of deception. It has to do with the mind and seducing the mind into obsession, submission, and a type of addiction. When anyone is primarily focused on themselves, then unfortunately it's easy to be open game for [the] spirits of Seduction and Obsession. Their power and domain lie in self-satisfaction.
 - * The nemesis of these spirits and sirens gaining entrance into your mind and emotions is unselfishness and sacrificial giving—turning your thoughts toward others and toward Me and My love. Real love begins with an effort, because the mind must choose to turn from selfishness...taking others into consideration, and looking to Me and what I would have you do.
- + Spirits of Seduction –‘They hype up fascination with things of the world. They try to get you addicted to a certain pleasure so that you're tempted to put it before your time with Me, or be distracted by it when you're supposed to be working or doing something more valuable...In these, the Last Days, there are many seducing spirits that have gone out into the world, more than the sum total of all time.
 - The seducing spirits have the power to do small "miracles," as it were, to engineer situations, to manipulate emotions in order to seduce their prey.
 - They tempt you to cover up your desires, to keep them hidden and satisfy them in secret, because then you'll continue to be drawn away from My Spirit.'
 - ‘ some go into a huge billboard, an advertisement of some sort. Others go into a TV set, and still others into a computer... they just become part of society in different

ways, morphing into human form or entering into objects.'

Nemesis of the Spirits of Seduction: * The key is to be so full of Me that the spirits of seduction can have no hold on you....

* Try the spirits, My children...

* Call on the keys of discipleship, commitment, and dedication.

* If you feel a strong urge to do something, weigh it against My Word and see if it's My will for you.

* The Strength Of Spirit far outnumber the spirits of seduction, and when you call on them they will be at your side to help you in an instant. ...

* You can just ask Me and I'll faithfully tell you to walk where you will be safe and blessed by Me.

+ Vain – 'Instills the consciousness of what others might think and a fear of the opinions of others... always seeks to lift up the individual, to want his prey to look good in the eyes of others, for it feeds their pride....It is when My children are proud,... wanting to be accepted by the mainstream and not wanting to rock the boat... seeking for your accomplishments and deeds and ministries to be well thought of by others, that you allow in the influence of Vain.'

+ Vandari – 'Agents of the netherworld, who infiltrate the world population in the Last Days and are let loose upon the Earth.

- Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day.

- They seek to oppose My truth...The Vandari look for prey among those who are ignorant of the truth, who

reject My Words and are darkened in their understanding, and ...among those who are weak in the Word. They latch on to their prey and seek to use them to oppose My truth. Be aware, My children. ...'

- 'These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My Spirit...they are bloodsuckers that weaken... they try to bite and suck the lifeblood out of My children, and it can become a vicious cycle of spiritual weakening, poisoning, and lack of desire for the Word.

- They seek to harm you through your enemies.' They inspire them ungodly actions and stories against us.

Their nemesis : ' Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior. Pray against the Vandari influencing and working through your enemies and others in the world who can harm you.'

+ Negaton – 'He commands many legions. Those under him drown their prey in a sea of negativity, hopelessness, darkness, and despair...seeking to make you give up, to reject My promises and My help because of hopelessness... Negin stands at his right hand. He is his next in command.'

+ Demons of Despair – Their goal is to destroy your usefulness to Jesus through depression and despair. They are Spirits of Death.

+ Argathan – An Enemy's spy.

+ Baal – 'Is a god of the flesh like unto Pan and Bacchus, but each controls certain aspects of the flesh.

- In his milder forms of influence it becomes a form of

mental torture--of self-condemnation... and the feeling that you need to suffer for your sins. Through this, Baal hopes to destroy many...and belittling of others and yourself--as a form of goodness and righteousness...

- There are also those who have been derailed...by the perversions of Baal in seeking pleasure in twisted ways... All these forms of tormenting the flesh and mind, and attempting to derive pleasure through torment--whether physical, sexual, mental, emotional, or spiritual—spring from the influences of Baal and his minions.'

Baal's nemesis: * 'Yet, if they will repent of their ways and cling to Me, I will bring them through even as brands snatched from the burning.'

*Archer: He fights with white-hot arrows, which are filled with the Spirit of God that cut Baal to the heart! He is over many other "archer" angels whose expertise is to hit the demon Baal and his cohorts.

+ Mach – Is the source of the illusion of power through the mind and through self. He creates the illusion--for those who allow him--to persuade them that they are powerful in themselves. This illusion of power can be based in the mind and intellect, or through the physical prowess of the body.

+ Obstacon -He is a master of obstacles, of all that obstructs My children from absorbing and living My Words, mixing up priorities, therefore ensuring that first things do not get put first "Good intentions" are among the chief means he uses.

+ Reggae- Promotes witchcraft.

+ Bacchus – Fat prince of addictions and eating disorders.

He also causes you to get your eyes on the things of this world, and your attention and focus away from the things of the Spirit and from doing His will. Internet is one of Bacchus' great lairs in which he will try to ensnare you. His nemesis is loving Jesus intimately!

- + Arakan – Is a chief Demon of confusion, depression and discouragement. He is the muddler of channels, the clouder of minds and confuser of thoughts.
- + Obtherion – Lures and beguiles the mind—through pride--into strong disbelief. He is the master of both illusion and delusion. You must be the strong defense and wall against him gaining entrance into the lives and hearts of your loved ones ..Pray for your own, that their pride will be contained, and that they will not be open prey to Obtherion's lures and seduction.
- + Disruptor - The chief demon assigned to disrupt and interrupt, to hinder, to delay order and progress--and to destroy, if possible, causing havoc and mayhem. His specific domain and field of power is over the roads, highways, connections, and transportations of the world. Even the mail delivery systems and services are under his influence. Speed demons are his underlings and apprentices. (His nemesis: Vigilance)

This gift is for those who live in My Word by reading, absorbing and applying My Words.

The outer corridor of the key craft transports spirit beings and helpers that are ready to assist you in any way you need, especially whenever danger is near. Not

one of Satan's evil followers is a match for these helpers. The key craft transports the might and power and energy of the keys. It is spiritual...and it is to assist you in these Last Days. The chimes signal you to walk in vigilance and prayer. At the same time they give you peace, knowing that the keys are with you and are at your command...The keys sing you a new song-a song of power, strength, and courage, a song of comfort and faith, a song of victory of the Last Days. The keys go before you. You are never alone. Acknowledge the keys in all your ways and they will lead you. They will chime in your ear, warning you of danger spots, signaling you which direction to take, giving you checks of My Spirit ...When you call on the keys, you rev up the engines of the key craft, setting it spinning, releasing in great force its energy to destroy all evil. There are many, many key crafts. They go wherever the power of the keys is needed and called upon.

There is a key for every problem, a key that will unlock for you every solution that you will ever need in life. These are the keys of power prayers. To be the keepers of these keys is not to be taken lightly. Truly it is a high honor, a priceless privilege to be the holders of these prayer keys. As you use these prayer keys to unlock the doors that stand before you, there will be no difficulties you cannot surmount, no obstacles you cannot overcome...as you put these keys

to continual use in your life you will never be in want; you will never be destitute; you will never be found lacking. With these keys there are no boundaries for you. There are no restrictions, no controls as to what I am able to do for you...with these keys I give you authority to alter any situation. If you use them to open the doors in proper sequence and pray with intensity, all the forces of Heaven and Hell are at your command...pray without ceasing in everything you do. For as you continually use these keys...power is given to your hands over all the world.'

- ++ The Keys turned to Swords** - The Family members always overcome whatever obstacle stands in their way as long as they focus and signal for help!... a set of golden keys appears...They extend their arms and as they do the keys transform into a huge sword that is glowing so brightly, as if edged with fire!... It's right there at their fingertips. They start wielding this weapon, and it does whatever they need. It stops enemies. It can hold back the weather, or it can bring raging storms, earthquakes, volcanoes, tornados, terrible lightning and thunder upon the wicked and those who fight against God's

people! **It heals the sick**...It releases captives...The swords can be used to blind the eyes of the authorities. The swords bring supply. Huge floodgates are being opened, and food, clothing, and needs are flowing out... Then they flip their huge fiery swords ...throw them up in the air ... and as they catch them, the weapons turn back into beautiful golden keys, several on one key ring, and these keys just slip right into their pockets. The keys are always with them. They then raise their arms in praise and thanks to the Lord, giving Him all the credit and glory. (Jesus:) "Reach out by faith to use the keys! Use the keys to guide others through the Endtime. Practice using this powerful gift of the keys and you will become masters at turning them into swords."

It gives you spiritual strength that will carry you forward and on to many victories. The Holy Spirit loves to

come to you when you are sick. She surrounds you with Her motherly love... through the Words I speak to you ..also...through the loving deeds from your parents, brothers and sisters, and friends. You will see that your time spent in this garden was a beautiful gift, lovingly presented from My hand.

++ The Temple of Prayer – 'I Look forward to
spending this time in the Temple of Prayer with you, This is not time in the Temple of Rest...This time is different, it is your time in the spiritual war, it is the time when great progress is made in every area that you take time to focus on. It is the time when wonderful things happen in the spirit, tremendous and awesome things are made possible because of this time you spend in prayer...The Enemy fights this time that you spend in the Temple of Prayer, he tries to distract you, he tries to hit you with tiredness and weariness, he tries to hide from you how important it really is...because he knows just how deadly it is to his kingdom, his works and his attacks when you unite in

prayer... so enter in fully My loves to this Temple of Prayer, leave all your thoughts of busyness and work and worries outside, and dedicate this time to Me and to your precious Family...I will in turn pour into you...and you will be blessed by seeing the answer to your prayers, every one. Give this tithe of your time wholeheartedly, knowing that is the most important percentage of your work that you'll ever do... and you will find once again that you never lose by giving... Neglect it not, for interceding for your loved ones is your most important duty.'

***Johann C. Blumhardt:** 1805-1880, Evangelist whose preaching drew large crowds with miraculous healings. Blumhardt was a teacher at the missionary institution at Basel, 1830-38. He pastored in Mottlingen, 1838-52. He was the first healing evangelist of note. Blumhardt spent the latter part of his life, from 1852 on, at Bad Boll, near Goppingen, until his death at age 75. There, he was instrumental in developing a center for missionary work and for victims of all kinds of illnesses. He purchased the royal watering place (spa), and sufferers from all ranks of society and many countries flocked there to be cured.

(Johann:) Every day I asked the Lord to keep me humble. It was sometimes a struggle to remember that He was everything—the power, the light, the goodness—and that I was but a fragile vessel of clay. He helped me, though, and through sometimes embarrassing mistakes He would

remind me that every good and perfect gift comes from above. I soon found that the best way to stay humble was to always be aware of Him near me. I would envision Him walking beside me, showing me what to do, hearing His instruction in my heart when I faced decisions. I did not have a strong gift of prophecy like you in the Family have, but when faced with a decision, passages from the Bible would come to my mind. When I was not near Him, my faith would falter. In time, He truly became my all in all. My plan for the spa was that it would be a Christian retreat where people could be healed in body and spirit; where they could find the healing touch of our Savior from depression, divorce, illness, loss, etc. A woman whom the Lord had healed through the gift of healing that He had given to me became my assistant at the spa.

- * **Cyrene** – Serves King Peter, and served Egyptian Pharaoh.
- * **Silver Helmet Angels** – Defeat the Demons of Pride.
- * **Shadow and his Army** – Once this one is specifically called upon and "attached" to someone in spirit through prayer, he will always remain, just as surely as one cannot remove their own shadow. In the spiritual realm, his mere presence beside one of My children is enough to send Obtherion and his putrid pride cowering and slithering away in ignominious defeat.
- * **The Mermaids** – ‘Are spirit helpers, beautiful, angelic, and so much like the Holy Spirit Herself. The memaid spirit Helpers are lovely, gentle, giving, and have the ability to flow with the current. They are never in a hurry, pressured, but always seem at ease, serene, and peaceful. When you pass through troubled waters, I will send you one of these helpers to aid you. She will navigate you through rough waters or spiny reefs. She will help you to be at peace and at ease. She will help you to become a mermaid yourself, one that is lifted on the currents of the water My will. She will help you to be washed, renewed and finding leisure in the treasures of My ocean of love for you.’
- * **Pride Mop-up Crew** – Just when we decide to drop our ride, they chase it and cut it to bits.
- * **Angels of Faith and Courage** – Defeat Aknon and his fear and condemnation for asking.
- * **Simon the Simple** – Teaches us to be simple.
- * **FLO and the Keep On Trying army** – Lead us to surrender our all to the Lord on a daily basis, bringing us

warmth, comfort and security, guarding us from sensitivity. 'Yielded and surrendered to Me--there is no room for sensitivity in her being, save sensitivity to My Spirit alone.' Call on the keys of revelation, get acquainted with your own personal K.O.T. trainer today...to couch you in ways to guard against sensitivity,... and stay free of the poisonous darts of the Sen-si. 'This is your commission, dear ones: You must Fight, Love, Overcome. Flo, flo, flo.'

* **Sensation (The slime Busters)**—'It is my job to help you feel the sensations of the spirit again and to lead you back to the bed of our Lover so you can be loved and cherished by Him...regaining your sensitivity and joy at the touches of our Lord and Lover.

- I fight specifically against sensitivity of self, which is fostered by an underling of Pride, the Sensi... helping to get rid of the slime--and at the same time, toughen you up to resist the temptation to cover yourself again. Our legion... are specially trained to fight the slime.

* **Pocahontas** — 'Children of David have many spirit helpers to win the hearts of the children of men. Great Spirit say, "Go, My daughter, go to My people and give them your hand. Give them the spirit of humility, of love and of mercy." And so, I came. I visited the Children of David for first time not long ago. Now I am here with you to guide you.'

* **Phillipe** — (A departed teen) "Submission and yieldedness are the greatest virtues that you can learn. This is what the Lord is pleased with: the yielded spirit, the humble spirit-and your life on Earth is all about learning the lessons of love and humility."

- * **Saint Paul** – “As you grow in the Lord. Your priorities change. As you see your brothers and sisters battle long and hard, go under the waves and bob up again, suffer heartbreaks and personal losses, and yet stay true to Jesus, you will realize that the true beauty of those around you lies *within* them. And they will realize that about you too.”
- * **The Heavenly “H” spirits-** (Vision:) I saw a picture of three young female spirits in a circle around him. They were dancing around him, hand in hand, very happy, very beautiful, laughing and twirling in a playful circle around him. I got that they were the Lord's heavenly "H" spirits--the spirits of **Humility, Hunger, and Help**--and that they are now assigned to be around him in answer to his prayers. They are sent to help him, and through their working together hand in hand in his life and spirit, keeping that circular boundary around him, they will keep him from straying and help him to grow.

As the picture faded, I saw these same three beautiful spirits, almost as their "final act," lie down on top of this huge "H" that was now in the midst of the circle where he had been standing. This big "H" in the middle of the circle stood for Habits--bad habits. Each of these beautiful heavenly "H" spirits lay down on top of this huge Habit "H." As they did so, their forms melted into each other and caused the huge "H" of bad habits to completely disappear! Thank You Jesus!

HUMILITY AND MEEKNESS

ENEMIES

‘You need to understand and know the names of the demons assigned to the task of empowering and using the tool of pride to provoke its many manifestations.’

- + The Devil - He ruled the universe, second only unto God, the very Bearer of the light! But he wasn't satisfied with most of it. He wanted it all! He wanted to be the light. So because he wanted it all and wasn't even willing to share a little, he lost it all! He wanted to be God!
...*Pride* was his downfall... He did not have to fall--he chose to, because of *his lust for power!*
- + Medith (Pride) – ‘In the big picture, pride is Satan’s highest priority . It’s so important because it’s the root of all sin and all evil.’ It’s underlings are demons of Accomplishment, Flesh, Worldliness, Machoism, Carnality, Materialism... ‘All manifestations of pride such as The Selvigion, come directly from this demon of Pride.. Pray against the demon of Pride first of all, and then name his underlings and command them to follow. As these demons are cast out, and a force field of protection set up through the keys of imprisonment and containment, great victory will be won.’
* Their nemesis are *The Silver Helmet Angels* who defeat the Demons of Pride.
- + Deactivation Demon of Pride - This black demon seeks to neutralize My Family--to deactivate them through their sins and through their waywardness.

- + Obtherion – Lures and beguiles the mind—through pride--into strong disbelief. He is the master of both illusion and delusion. You must be the strong defense and wall against him gaining entrance into the lives and hearts of your loved ones... Pray for your own, that their pride will be contained, and that they will not be open prey to Obtherion's lures and seduction.
- + Sen-si –‘Pride has specifically commissioned the legion of Sen-si to bring My children down through sensitivity in all its forms. The Sen-si are many. ... They are everywhere, always on duty...always watching and waiting for the opportune time to shoot their poisonous darts of sensitivity into the veins of their prey.’
Their nemesis: *‘The key of surrender will give you power to yield to My Spirit, to yield to My will,...In surrendering your will, your thoughts, your mind, your all to Me, you are inoculated against all their poison...*The K.O.T Fighters will assist you in surrendering your all to Me on a daily basis. Call on them, and they will help you’
- + Lethargy - Instills lack of the fear of the Lord, and complacency with the way things are.
- + Mach – Is the source of the illusion of power through the mind and through self. He creates the illusion--for those who allow him--to persuade them that they are powerful in themselves. This illusion of power can be based in the mind and intellect, or through the physical prowess of the body.
- + Aknon – Tries to fill us with fear, shame and condemnation for asking.
- + Pan – The arch-demon whose aim is to gain control

over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. One of his demons is Rejection, who seeks to reject God's truth.

- Pan is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, analyzing, confusion, anything that would stand in the way of simply taking in God's Words in childlike faith and belief.
- Pan stirs up murmuring against My ways and My will in your life. He tries to speak lies in your ears to keep you from wanting to do things My way or to serve Me.
- He promotes self-importance, and the glory of our own mind and ways, seeking to enticing us with knowledge and high learning of evil or just useless information without discerning.
- He is the author of strong negativity, depression, schizophrenia, even suicide and all manner of mental illnesses.
- System music is one of his vehicles allowing him entrance to the mind with music that is not filled with Jesus' Spirit, but rather Satan's words, chords, and propaganda.
- He has people think that movies and fashion, do matter, along with their mindsets like "nothing else but thin will do".
- Pan gets dieting started by making you feel depressed, and then Bacchus calls you, and pulls you with his tentacles into the vicious cycle.
- He is the one that tells you to feel spite toward

correction, to not receive it and to resent it.

- He has a spirit of "open-mindedness" and "anything goes" that is so prevalent in the world today.

Pan's nemesis: *Thank God that we can be closed-minded to the wrong things... Pan and his deviltry, and open to Jesus and His Heavenly wisdom, truths, and insights!

*The Spiritual Cathars' soothing balm of love and forgiveness is an acid that burns Pan and he cannot endure it!

* If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word.

The written Word will send Pan screaming!

* 'Whenever the carnal mind is given precedence over My mind, you can be sure that Pan is at work. So call on the power of the keys, that his wiles will be defeated and that you can rise above the natural desire to please others instead of pleasing Me above all... You can fight Pan by rebuking him in the spirit and telling him that if necessary you're willing to believe My Words even without fully understanding them. This is exactly the opposite of what Pan wants, and it frustrates him greatly.'

+ Mammon – Promotes worldliness and materialism.

+ Vandari – 'Agents of the netherworld, who infiltrate the world population in the Last Days and are let loose upon the Earth.

- Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day.

- They seek to oppose My truth... The Vandari look for prey among those who are ignorant of the truth, who

reject My Words and are darkened in their understanding, and ...among those who are weak in the Word. They latch on to their prey and seek to use them to oppose My truth. Be aware, My children. ...'

-‘These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My Spirit...they are bloodsuckers that weaken... they try to bite and suck the lifeblood out of My children, and it can become a vicious cycle of spiritual weakening, poisoning, and lack of desire for the Word.

-‘They seek to harm you through your enemies.’ They inspire them ungodly actions and stories against us. Their nemesis :‘ Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior. Pray against the Vandari influencing and working through your enemies and others in the world who can harm you.’

+ Vain –‘Instills the consciousness of what others might think and a fear of the opinions of others... always seeks to lift up the individual,...It is when My children are proud,... wanting to be accepted by the mainstream and not wanting to rock the boat...seeking for your accomplishments and deeds and ministries to be well thought of by others, that you allow in the influence of Vain... these false balances of judging how greatly you are being used or how fruitful your work is by how rich and increased with goods you are, and how popular you are, is a deadly trap which is slowly strangling the spirit and life from some.’

- * **The Cathars of the Spiritual Realm** - Guardians of love. They are ‘the ones to call on when you need more love. They will cause your spirits to be filled to overflowing with love... till it blossoms and spreads outward to others... which will repel the Selvegion and all the spirits of disunity. Pan cannot withstand this power, for though it is a soothing balm of love and forgiveness to you, to him it is an acid that burns, and he cannot endure it, so he leaves you alone. These Cathars are the caretakers of **THE WEAPON OF BROTHERHOOD**, a vehicle mounted with Love, Unity, Trust and Selflessness...truly a weapon of mass destruction that has potential to decimate the Enemy and

utterly thwart his plans... its power is cumulative. The more you use it, the more others around you are apt to use it; and the more...powerful your attack on the Enemy's territory becomes. There is no greater way to utilize the power than to learn to fight together...'

'These weapons of **THE LAW OF LOVE** and **the weapon of brotherhood** are each unique, yet they are one. When you make them a part of you, they blend together to become one weapon of unlimited power... that nothing can stop or resist. In order to use (these two weapons), you must abandon the selfishness, pride, and laziness of your own human nature...They must become so much a part of you that they become your motivation and your desire...'

- * **The Salvay** – Spirit beings of salvation from sins of division, who counter each seed of the evil Selvegion. Where there is bitterness, they work bringing thoughts of kindness and consideration, and cover us in a salve of love, healing us from the wounds and hurt of bitterness, so that we can see our fellow mates with the Lord's eyes. They are being coordinated and fine-tuned by the Spiritual Cathars.
- * **The Earthly Cathars** – Try to strengthen and help the youth of the Family and stir them up to burn with love for Jesus and the lost souls becoming Endtime soldiers. They also help us to live the law of love.

- * **The Illantri** – Infuse in us love for children.

in ...the 'tug' that you feel on your heart to do something out of love...When you call for their help, they come in teams, some seeking out brethren or sheep nearby to draw them close to you, while others begin to fill your heart and thoughts with pictures and thoughts to guide you through the open doors I am setting before you to give My love to another...They also emit a constant aura of love which pours all over you, causing you to give love ... (and) making others love you more... *Showing My love to another may seem like a small thing, but in the spiritual realm it is actually more earthshaking, life-changing, and demon destroying than all of man's wars throughout history combined!*... These Love fairies are called The Whisperers. Call on their help. They will come to your side to guide you, to remind you to place My love in first place in your life, and to shower you with the power and beauty of My Spirit as you heed their whispers."

* **Yokum** – helps with steadiness of emotions (in love and sex feelings) and helps us overcome the sirens of Seduction and Obsession.

* **Aphrodite** – She will come with a scarf soaked in the Elixir of love--a beautiful perfume with a fragrance that

is exceedingly lovely—that when wrapped around us or the person we pray for, it gives us that extra boost of strength that we need to love, to give, to pour out, even when we feel weak and tired, and in an instant we are refreshed and renewed in spirit!... She can empower us to give love far beyond our physical and earthly emotional means. The Holy Spirit and Aphrodite will help open us up to the love of Heaven, which doesn't see as man sees, but looks beyond into the hearts of men and desires to love them. (Aphrodite:) "If you need extra love, ask Jesus to send me, and I will bring a beautiful love scarf and wrap it around you. You will then feel more of Jesus' love, and have more of His love to give to others! And if you know someone who needs to be encouraged with extra love, pray and ask Jesus to send me, Aphrodite, to come and wrap one of my scarves around that person. Then watch their face glow with the extra love of God that I will bring to them as a result of your prayers."

* **Dancing Angels of Kindness (Fairies of Goodness)—**

They touch them with the sparkle of My Spirit. This gives them a beautiful glow. These angels are sent to give healing and strength. They are My doves of anointing. These angels are fairies of truth. Your prayers are changed into treasures. I send My fairies to deliver to them *the benefits of your time spent with Me*. Seek Me in prayer for your loved ones. I will send My fairies of goodness to them. They will bring

them these gifts, so they will have all that they need.”

* **Sharalie** – “You can soak up some of Heaven’s love too, through your praise time, prayer time-any time that you spend with Jesus. We just love to send down buckets of love to you, because there’s plenty to spare! If you ever feel lonely or like nobody loves you-or maybe you know that your parents and friends love you, but you wonder if you’ll ever have anyone special to be close to and live with and share life with-then just stop for a few minutes, close your eyes and ask Jesus to take you to Heaven for a bit, to tank up on some of the love we have Here. We’d love to take you into our arms and make you feel real special. Or maybe you are in a relationship with someone, but it’s not going so well because it’s difficult to communicate or something-well, same thing. Just ask us in Heaven to help you and we’ll give you some magic drops of the elixir of love to smooth out your relations with others. Of course, one of the best keys to loving others is keeping the Lord right there with you. Then He’ll give you the love and understanding you need when the waters are too deep.”

It's a weapon that not only helps you out in a specific battle you use it to win, but **the power also goes into the encompassing force field that surrounds your home and your loved ones, and it protects you and strengthens you as a team against further attacks.** Another exceptionally strong point in The Law of Love

weapon, is that if it's used offensively, it draws the lost into My bosom, and helps them connect with Me, **it's like giving them protecting or covering fire while they run into My arms, keeping the Enemy away from them, while they make the decision to become Mine or to draw closer to Me...** As you learn to use this weapon in the way it was designed to be used, **your bond and unity will become supernaturally strong**, tangible and visible to all those who observe you...in the days to come... that aura will increase, so **it's like a light searing the darkness**, it will be undeniable ...it will draw many to Me, **and will give you supernatural power and protection...you can make your first reaction a loving reaction.** That won't happen overnight, you'll have to train hard to achieve those results, but they are possible, You have everything you need right at your fingertips...So if you want this crown...come and take it, it's yours!... Make these weapons so much a part of you, that they are integrated into your very thought, every feeling, every fiber of your being...These weapons of the Law of Love and the weapon of Brotherhood... when you make them a part of you, they blend together and become one weapon of unlimited power ...In order to use the weapon of The Law of Love and the weapon of Brotherhood, you must abandon the selfishness, pride and laziness of your own human nature. Then these weapons are activated and you are able to use them in all their power for My glory...It will not be the nature of man doing it, but My nature in you through these weapons that will destroy evil, defeat Satan, and bring

light, life, love and power to one another, to yourselves, and to all those you touch...make it part of your daily breast, that you will have this weapon in your arsenal at all times, ready to pull it out at the first sign of the Enemy's nose... Use the Law of Love as a strike-first kind of weapon...If you can **make the loving way your habit, your first reaction, then** so many negatives won't even have a chance to come into your life!

++ The Torch of David's Revolution - Will burn, burn, burn—lighting your way, guiding you, protecting you, shielding you from all harm as you finish what I have begun on Earth, as you love and win and see each of My Own safely back into My fold.

++ The Temple of Prayer – 'I Look forward to spending this time in the Temple of Prayer with you, This is not time in the Temple of Rest...This time is different, it is your time in the spiritual war, it is the time when great progress is made in every area that you take time to focus on. It is the time when wonderful things happen in the spirit, tremendous and awesome things are made possible because of this time you spend in prayer ...The Enemy fights this time that you spend in the Temple of Prayer, he tries to distract you, he tries to hit you with tiredness and weariness, he tries to hide from you how important it really is...because he knows just how deadly it is to his kingdom, his works and his attacks when you unite in prayer... so enter in fully My loves to this Temple of

Prayer, leave all your thoughts of busyness and work and worries outside, and dedicate this time to Me and to your precious Family...I will in turn pour into you...and you will be blessed by seeing the answer to your prayers, every one. Give this tithe of your time wholeheartedly, knowing that is the most important percentage of your work that you'll ever do... and you will find once again that you never lose by giving...Neglect it not, for interceding for your loved ones is your most important duty.'

They oppose oneness and harmony, and instead foster self-service, self-interest, discord, dissension, strife, and all that divides.’ -They prey upon us, pointing out the faults of others and trying to make us critical... For they know the tremendous and awesome power that is wrought through unity in My Spirit.’

*Their nemesis – ‘Call them by name; command them to leave in My Name!...call on Me for deliverance, call for the laying on of hands, for the anointing of oil, They have no power over those who call on Me for forgiveness and for the power to forgive, who take the stand from this day forward to yield and obey My call to unite...When praying against the Selvegion you must also pray against the lying vanities that they have sown in your heart. For if you are not cleansed, you are left with a false perception of things...the files that relate to these particular people or circumstances are altered and changed. ...’

- + The Demons of Division - Work full-time to find a crack in the wall of unity. They whisper thoughts of mistrust about other brethren and try their best to blow problems and personality differences way, way out of proportion. (Their counterpart: The Spiritual Cathars)
- + Bitterness
- + Mammon – Promotes worldliness and materialism.
- + Greed and Lust – Thrive in selfishness.
- + Medusa – Gossip is in truth words spoken by Medusa, with her many serpents striking and slithering to strike as many as possible... and get them addicted to spreading news and gossip about others... ‘The only cure is to face the truth, admit your addiction, allow yourself to be exposed to My light, call out to the power and fire of My Spirit to burn away these serpents, and to seek the love and forgiveness of others to cleanse, heal, and restore.’ (Prayer:)...: I rebuke and cast out the spirits of Vengeance and Medusa that promote and speak these words of poison. I rebuke and cast out the spirits of Self-exaltation, Pride, Self-righteousness, Jealousy, and Self-importance that turn this horrible sin into an addiction that becomes as a devouring fire, which in the end devours not only those who have been spoken about, but those who have spread the gossip as well.
- + Vengeance – An instigator of gossip, together with Medusa.
- + Sen-si – ‘Pride has specifically commissioned the legion of Sen-si to bring My children down through sensitivity in all its forms. The Sen-si are many. ... They are everywhere, always on duty...always watching and waiting for the opportune time to shoot their poisonous

darts of sensitivity into the veins of their prey.'

Their nemesis: *'The key of surrender will give you power to yield to My Spirit, to yield to My will,...In surrendering your will, your thoughts, your mind, your all to Me, you are inoculated against all their poison ...*The K.O.T Fighters will assist you in surrendering your all to Me on a daily basis. Call on them, and they will help you'

- + Obstacon -He is a master of obstacles, of all that obstructs My children from absorbing and living My Words, mixing up priorities, therefore ensuring that first things do not get put first "Good intentions" are among the chief means he uses.
- + Lazers - He is a demon who specifically tries to influence through lust. Rebuking him will bring greater clarity to your perspective when you have a strong desire for something and seek to make a wise decision, for Lazers seeks to cloud your priorities in order to lure you away from My highest will.
- + Pan –The arch- demon whose aim is to gain control over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. He and his implets poison our minds, making our hearts fertile ground for the Selvegion.
 - He is the one that tells you to feel spite toward correction, to not receive it and to resent it.

Pan's nemesis:*The Holy Spirit's soothing balm of love and forgiveness is an acid that burns Pan and he cannot endure it!

* If you're memorizing, there is no place for Pan to come in.

through prayer and a person's choice to take in the Word.
The written Word will send Pan screaming!

- + Seduction and Obsession – Seduction is a spirit of deception. It has to do with the mind and seducing the mind into obsession, submission, and a type of addiction. When anyone is primarily focused on themselves, then unfortunately it's easy to be open game for [the] spirits of Seduction and Obsession. Their power and domain lie in self-satisfaction.
 - * The nemesis of these spirits and sirens gaining entrance into your mind and emotions is unselfishness and sacrificial giving – turning your thoughts toward others and toward Me and My love. Real love begins with an effort, because the mind must choose to turn from selfishness...taking others into consideration, and looking to Me and what I would have you do.
- + Medith (Pride)- Is in charge of promoting pride, and is linked to selfishness. His underlings demons are: Accomplishment, Flesh, Worldliness, Machismo, Carnality, Materialism. The demon of Pride rules over sensitivity. Pride is the master demon--sensitivity is part of his domain.
- + Vengeance – Is full of hatred and violence.
- + Demon of Rage – Its manifestations include wars, murder, abortion, and jealousy.
- + Demons of the netherworld – legions of demons unleashed on the world on December 26 2004 when the Asian tsunami whose main interest is to capture the souls of humanity, to harden men's hearts, to drive them to insanity, to steal from them their souls. It's a new drive of Satan himself to overwhelm the souls of men by using

any tactic available to him--war, confusion, depression, discouragement, hardness of heart, hatred, evil, envy.

*Their nemesis: San-bahd-mahl and a host of angels who have lightning coming out of their eyes, they zap and vaporize these demons and save people. They will accompany any Family member who goes out to win souls.

+ Vandari –‘Agents of the netherworld, who infiltrate the world population in the Last Days and are let loose upon the Earth.

- Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day.

- They seek to oppose My truth...The Vandari look for prey among those who are ignorant of the truth, who reject My Words and are darkened in their understanding, and ...among those who are weak in the Word. They latch on to their prey and seek to use them to oppose My truth. Be aware, My children. ...’

- ‘These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My Spirit...they are bloodsuckers that weaken... they try to bite and suck the lifeblood out of My children, and it can become a vicious cycle of spiritual weakening, poisoning, and lack of desire for the Word.

-They seek to harm you through your enemies.’ They inspire them ungodly actions and stories against us.

Their nemesis :‘ Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior. Pray against the Vandari influencing and working through your enemies and others in the world who can harm you.’

HELPERS

* **Jesus-** 'The options and opportunities for exploration here are endless... I love to take you on adventures and give you a glimpse of Heaven and the spirit world. There are so many sights and sounds waiting to be discovered. I'll be your guide anytime. I love you!'

* **Our Heavenly Queen of Love –**

My Love comes from the Wild Wind.
I hear her sing in the Wild Wind.
She is wild as the sand of the waves of the sea.
She is the Spirit of the Wild Wind.
She inhabits the caves of David and of Moses.
She sings to them in their ears.
She blows in their hair.
She sings in the ear of David to sing psalms to him.
She is the Spirit of Wisdom and the Spirit of God.
She is the one that David loves.
And she is the one that Moses listens to;
For She is the Wild Wind, and she is the Spirit of God.

* **The Blue Angels – (The Keepers of the Power Source of Heaven)**Have lots of experience with

That is the first step, and opens the door to all the power of the universe.***

Call on them so they will help you to open up fully when you come to Me. Call on them so they will fill you so much of praises and longing for Me, that you won’t think on anything else for a time. When you leave behind everything else, we will really be able to be one. During those times I cannot share you with anything else.

...The more you draw closer to Me the greater the power that is given.’

Call on Me to help calm your mind as you enter your **Garden of Rest and Meditation.** I will help you to put the world aside, your thoughts aside, your burdens aside. And if you call on me, I can bring to your mind thoughts of peace and quiet...that connects you to your

They touch them with the sparkle of My Spirit. This gives them a beautiful glow. These angels are sent to give healing and strength. They are My doves of anointing. These angels are fairies of truth. Your prayers are changed into treasures. I send My fairies to deliver to them *the benefits of your time spent with Me*. Seek Me in prayer for your loved ones. I will send My fairies of goodness to them. They will bring them these gifts, so they will have all that they need.”

* **Moses David** – Leads us to burn free for Jesus.

* **Guardians of the Flame** – Help us to burn brightly for Him!

* **The Eleria** –Angels of freedom whose main mission is to liberate us to love Jesus. (Jesus)‘When you call on your Elerian, you can be transported into My presence more quickly than when you do not, and they can bring you further into the spiritual realm than you could get without them. If you call on them to carry you to My presence, they will do so speedily.

The reason I have created them to appear as a horse is to remind you that they transport you from your realm to Mine...remember to use them for this very important purpose of riding the wings of the wind of their spirits to come into My arms.

You and your own little wings can only fly so high and bear so much. And so I have given you your Elerian, that you may lay your own “wings” of the flesh upon their own wings so you can be borne into higher currents of My Spirit and used even more greatly of Me. On their wings you will be carried instantly into My presence – where dwells the realm of miracles and the realm of supernatural help and strengthening.’

- * **Sensation (The slime Busters)** - It is my job to help you feel the sensations of the spirit again and to lead you back to the bed of our Lover so you can be loved and cherished by Him...regaining your sensitivity and joy at the touches of our Lord and Lover.

- * **Moses** - ' Moses is one of your spirit helpers in regards to meditation...He wants to assist each of you with your lifestyle change of slowing down and learning to rest in Me... He knows what he's talking about because he personally spent 40 years going at a slower pace (Acts 7:29,30), and he will help you to see the benefits of calming your spirit through meditation... One advantage Moses had...is that he wasn't familiar with Me...and only came to know Me in his later years. So he lacked familiarity, and that made it much easier for him to give Me the time that I asked of him. He knew it was important. Moses can help impart to you that same respect and reverence for taking those times of quiet with Me, rather than brushing them off or postponing them off or cutting them short.'
- * **King David** - 'You know those beautiful words from Psalm 139...How do you think those words came about? They came about through the times of meditation and intimacy David spent with Me. They came about through his breakings and his utter dependence on Me. They came about from those times he had no other shelter to turn to or hide under or lean upon. The Psalms are words from the soul of someone who really knew me, who really entered into Me –into My presence and into My atmosphere of spiritual peace and trust... They are praises to Me as a result of finding and continuing to

exercise the art of meditation in his life. They are expressions of love and dependence on Me –of finding Me and then dwelling in and resting fully in that blessed and sacred spot where nothing of Earth can touch.'

- * **Concenteror** – Is a spirit helper who can help us focus, concentrate, and get things done. "When you start your time of meditation, the Enemy is there to distract you...and get your mind on things of lesser importance. I come in then to create a force field around you... that is protecting you during these times. Then you can drift off from this world and commune with your husband...As you call on me, I come in full force to help you to think on the words of your King...We will fight together to overcome the Enemy's lies and discouragement, to give you the pure focusing power that will help you to keep your mind and heart stayed on Jesus . you will feel me within you, around you, and helping you to stay close to the things of the spiritual realm, those things that are important to your spirits to help them stay strong."
- * **The Mermaids** – 'Are spirit helpers, beautiful, angelic, and so much like the Holy Spirit Herself. The memaid spirit Helpers are lovely, gentle, giving, and have the ability to flow with the current. They are never in a hurry, pressured, but always seem at ease, serene, and peaceful. When you pass through troubled waters, I will send you one of these helpers to aid you. She will navigate you through rough waters or spiny reefs. She will help you to be at peace and at ease. She will help you to become a mermaid yourself, one that is lifted on the currents of the water of My will. She will help you to be washed, renewed and finding pleasure in the treasures

of My ocean of love for you.’

- * **Sharalie** – “You can soak up some of Heaven’s love too, through your praise time, prayer time-any time that you spend with Jesus. We just love to send down buckets of love to you, because there’s plenty to spare! If you ever feel lonely or like nobody loves you-or maybe you know that your parents and friends love you, but you wonder if you’ll ever have anyone special to be close to and live with and share life with-then just stop for a few minutes, close your eyes and ask Jesus to take you to Heaven for a bit, to tank up on some of the love we have Here. We’d love to take you into our arms and make you feel real special.”
- * **Spirits of Renewal** – Beings in Heaven who help renew our spirits.
- * **Arnam** – ‘How difficult it is to get started with your time with the Lord... You have to crouch down , humble yourself, and go through a tight space. But then once you’re through, a victory is won – you’ve entered into the Lord’s presence. Welcome to **the Castle of Meditation.**’
- * **The Place of Quiet Rest-** There is a special place reserved in the spirit for those who find the pace on Earth too hectic, or for the times when the surrounding hubbbub drownns out their own thoughts. You can project yourself there any time you feel the need to escape and find peace. It’s possible to do so even when surrounded by noise and chatter and busyness. It’s the same place I went when surrounded by the throngs of people who were determined to keep Me company and follow Me from place to place.

It's called The Place of Quiet Rest. You can travel there in the spirit any time things start getting on your nerves or you feel irritated by your surroundings, and you have nowhere physical you can go to get away from it all. It is a secret place that you can retreat to for a few moments of refreshing from on High.

The route to the Place of Quiet rest is different for each person...to rise above their surroundigs or block out the distractions. For others it will be to praise or pray silently. For some it will be to sing to Me. For others to speak in tongues. Each of these methods is a vehicle to transport you to that place where the surrounding hubbub fades away, and instead of tenseness and irritation, you find spiritual pece and quiet.

...This Place of Quiet rest is a gift to My busy brides. It is a place of refuge and tranquility that exists in a spiritual plane, and to get there, you must let go in the spirit. With some practice you can easily find this special spot when you need to, and it will make all the difference in the world and bring ou great peace, even in the midst of storm.

* **The Medow of Meditation and Reflection- (*Jesus speaking:*)** Come, My darling. Come, My precious one. Take My hand. Let Me love you. Let Me give you rest. Let Me comfort you. Let Me take you away from all of this--from your work, from the burdens that weigh heavily upon you as you look about you and see work, and more work, and more work. You know that the business and the affairs of the Kingdom are timely and important, so you struggle and you push and you strive with so much work. But I say to you, My precious one, it

is enough. Come, take My hand. Let Me lead you to a quiet place where you will find rest and comfort and peace to your weary soul.

You've poured forth without end, without measure, and still you say, "It is not enough! I must pour forth more and more, for people are hungry and thirsty." You hear their cries and you're moved with compassion and you give of yourself even to your own hurt. But now I will take you on a journey of rest, relaxation, and renewal.

Let Me take you away, My darling. I sweep you up in My arms and you feel My strength. You're able to let go of all that you're holding onto and holding up, and all the weight that you feel. You simply let it go as you rest and relax in My arms. You find reassurance that I am in control, that I do all things well, that I will cause all things to work together for good. You're again reminded that it isn't you who protects the children, it isn't you who feeds the sheep or wins the victories that are needed, but it's Me. And in this reminder you find relaxation and rest and peace of mind.

As I pick you up, I carry you away from your work and all that presses on you from every side. I take you to a quiet place, a beautiful meadow, and I lay you down on the soft grass, My arm as your pillow. You feel the warm sun upon your face. You feel the soft breeze blow through your hair. You smell the scent of lilacs, jasmine, roses, sweet peas and many heavenly flowers that you've never smelted before! And there you rest.

All about you is calm. There's only the sound of birds, the sound of the wind rustling the trees, the sound of the water in the brook, and the sound of My sweet

words of love in your ear. You know that all is well, that I'm in complete control. You know that as you rest in Me and give your burdens to Me, I carry them. You cast all your cares upon Me and I carry them, for I care for you. I love you.

I know your deepest needs. I know your most intimate secrets. I know your every thought and desire. I know that your greatest wish is to please Me. But I also know that you must take time away from the battle, away from the pouring forth, away from the work which presses heavily upon you.

You must take time to rest in My meadow of reflection where you can smell the scent of My sweetness, you can feel the warmth of My love, you can feel the strength of My protection. You can hear the sounds of My Kingdom, of events that move slowly, peacefully, and rhythmically along--never too fast, never too slow, but always marching along in perfect order, perfect calm, perfect rest.

As you rest and relax in My arms, I touch you and caress you ever so softly. I kiss your eyes, I touch your cheeks, I kiss your gentle lips. My hands roam freely and gently over your entire body, and with My soft touches flow out all the tension, all the worries, all the stress, all the pressure, and you find complete relaxation, for you are able to trust Me. You're sensing My presence, My power, My strength.

As you commit all your cares, your thoughts, your plans and your programs to Me, I am able to take them and sort them out and bring out of all of this My plan, My understanding, My order, My priorities. As you seek Me

and call on the keys during this time of rest and reflection and quiet prayer and total relaxation, I clarify your priorities and help you to more clearly sort those things which need your attention from those that you don't have to worry about.

Oh, My darling, take your rest. Let go of all of your burdens, all of your concerns, the nagging questions and worries that sap your strength and distract you and drain you. Let go of all of this and rest completely in My arms. Concentrate on the sunshine on your face, the elixir of Heaven that I'm pouring across your mind, your eyes, your heart, your spirit, your entire body, bringing rest and strength and renewal. Breathe deeply of My heavenly power, through which you find rest and peace and quietness.

You find strength, you find the answers to your questions, and you let go of your burdens, as you look deeply and intently into My eyes and you hear Me say, "Take your rest, My darling; you have done what you could, and I will do the rest. Now take your rest, My precious one. Rest from your labors, from your ardent lovemaking, from your much pouring forth, from your giving. Take your rest. Lie in My arms, feel My strength and warmth about you. Rest your head upon My shoulder and feel My caresses, My touches and My gentle kisses, as I kiss you to sleep ever so gently so as not to wake you or disturb your dreams."

You have nothing to worry about. You have no need to be in a hurry. You have no need to set any alarms or worry about the time that passes as you rest in My arms, for in this resting, you find the strength and peace and

renewal that you desperately need. This, My darling, is time well spent. Whether it be an hour or two or ten, it is time well spent in My arms.

After you have drunk deeply of the rest and refreshing at My hand, I will wake you ever so gently with a morning kiss--a kiss of sunshine, a kiss of beauty, a kiss of refreshing, a kiss of anointing, a kiss of power, a kiss of My presence. These kisses will go with you as you return to the battle and to your much pouring forth. It is in these kisses that you will find the key to the many treasures of My Kingdom.

So fear not, My dear one, My precious bride and lover. Fear not to steal away with Me into the meadow of meditation and reflection where you can rest in My arms, free from worry, free from burdens, free from pressures, and you can feel My warmth and strength and gentle kisses. I will sing you a lullaby and beckon you ever so gently into sweet sleep, and you will find such relaxation and peace as you sense the perfect order of the universe. You will sense My power. You will know that I am in control, and you will be able to cast all your burdens upon Me, knowing that I love you, I care for you, and I care for My children.

So take your rest, My precious lover, My ardent bride. Rest from your labors and from your loving. Rest from your giving and from your pouring forth. Rest, My darling. Rest in My arms and find sweet sleep. Know that while you are resting, I am a faithful watchman and I care for everything.

* **The Magical River of Life** - Begins at the Throne of Jesus & flows through the entire City! (Jesus) "It is the

river to wash away the impurities of Earth and of the outside world. It is a river to wash away the hurts, the sickness, the forsakenness, the anger and the bitterness, and all of it. You just have to plunge in and let go! It washes it all away. So come with me now. Plunge in!” (Rejoice) “At the beginning of our trip, it seemed that to be able to fully partake of the joys and all that the Lord had for us there, we had to be willing to be inwardly cleansed of anything that would hold us back. When I met others that had been in Heaven for some time, it was like I could look right through them, and they had nothing to hide!... there was nothing in anyone's life or heart that wasn't confessed and clean and forgiven. It seemed that the more you had confessed and given to Jesus, the more fully you could partake of Heaven. It wasn't anything difficult, all you had to do was swim in the river and let the water cleanse you.” The Boat Rides along the river of Life are a beautiful way to see many of the sights & wonders of the City, as well as a nice romantic way to have a quiet loving with a loved one as you glide along!--And as the great Magic River flows under the Wall of the City out to water the whole World, you can take a longer trip through the beautiful New Earth if you like!--WOW!” (Jesus) “The waters of the river of life flow from the Father's throne and carry great power and anointing.”

* **Heavenly Colors and Feelings** – (David Komic) “The colors seem like they're alive; they're changing and pulsating! The most wonderful feeling is the feeling of love that permeates me, and permeates everything around me.” (John P.) “You can feel the Lord's love everywhere,

and you can see the Lord's love everywhere! His love is floating through the air like beautiful, beautiful colors! Everything smiles at you, and everything sings! Ah, it's so wonderful!" (Victory) "Everything is so wonderful. There's no danger, nothing that can harm or hurt them because everything Here is love, enjoyment and happiness! Everything is learning. You can climb a tree and learn to play tricks in the trees, and you can fly down and do little flying tricks, and water-play! Thank You Jesus! It's so good!" (Sharon) "one of the most amazing things to me is the feeling of lightness that I have--not just my body, physically, but my heart! All these questions, worries and fears I've had have completely vanished and now I understand why! Everything makes sense and seems so clear now! Now I see that it was worth it to go through those trials and battles."

(Christina) "it just makes me feel like all the things we counted important on Earth, like our trials and battles, are just ridiculous up Here! What really counts, and what really matters is how much of Jesus you've given to people, and how much love you've shown them, and how much we've given of our lives to pour into people that need us."

- * **Heavenly Water and Air** – (Stephanie) "The water shines! The water is like silk-- it's warm, but it's icy at the same time! The air just sparkles, and when you touch it feels so good! It's like light, and when you touch the water it almost disappears! It doesn't get you wet!"
- * **The Dome of the Temple** – Is 'the room that David spoke of with a dome to look up and receive the power from on high.'

- * **The Hall of warriors** – ‘Is another room in **the Temple of Worship** to Me... This is part of ‘entering into the temple. I pass on thrilling, adrenaline-pumping stories of conquest to you in this hall. I encourage your heart and spirit. By entering and partaking of these sessions, you find the power to stand strong and continue fighting for Me.’
- * **The Memory Fountain** - Where lovers go to gaze at loved ones-those here on Earth that they had to leave behind. You can reach into the fountain and see and feel their presence, and it’s a comfort and soothes away the pain of missing them. This helps keep you until you get to actually see them later.
- * **The Heavenly Grass** – (Jesus) “We gently float down to the grass -the springy, vibrant, emerald grass. Each blade is so alive it glows with its own light. As we walk, we barely touch the ground; just enough to feel the comfort of the grass under our feet as we walk down to the river.”
- * **The Heavenly Caves** – “The roof and the walls are all covered in crystals, beautiful gems and stones, completely encrusted; when you light a light, they blaze and glow and shine and reflect! The light jumps and dances back and forth! All kinds of neat patterns of lights reflecting back and forth. The first room is shaped like a heart. The entire room is a heart...until we enter the next room. This one is in the shape of a ball, a great round sphere. ...The room glows with brilliant blues and greens! The light jumps and dances and reflects. ...as we sail through a triangular tunnel into the next cave. This one is really neat. Here you can beach your boat and

walk up on the golden sand. As you run the sand through your fingers, it shines and twinkles like so many pieces of gold. I step up onto the sand. Looking around, I begin to notice all kinds of neat shapes, fascinating shapes and ledges and outcroppings all covered in this crystallized substance that makes it glow like fairy caverns when you light a light. From there I walk through a small doorway into the most massive cavern I have ever seen! There is nothing like it on Earth. Whew! Just fascinating! ... totally amazing! I've never seen something this big! ... the light that shone from those walls! Huge stalactites and stalagmites!... This cavern is so huge you can't even see the ends of it, or the bottom... so high! ...Purely amazing. I jump off! I want to fly down. ...And what do you know ... I float down... I decide to get in the river. As I lie down in the river, I'm carried along like a leaf in the current. It swirls and swishes and washes me downstream!...as I just lie in it...All kinds of neat little creatures live in the cave, in the water of the cave. Funny little things I've never seen before that pop up and say hi, then dive back down again. So cute!... there are all kinds of neat things-even mermaids swimming around and playing under the water... So cute!"

* **Magic Water Bubbles** – “(Jesus) turned to me and said, “I want to show you something.” He bent down and pulled a ball of water out of the stream! It was a perfect sphere. He didn’t touch the water itself, but it was like the air around it contained it in a bubble, and by holding His hands around it He controlled it. He threw it to me and I caught it, though I didn’t actually touch the water either. It was so amazing; it was like the water

moved and could be shaped. I looked at it, and somehow I made it into the shape of what I was feeling: a heart! I threw it back to Jesus. Not a word was spoken, but we felt each other's love and gratitude."

- * **The Heavenly Wall** – Around the four sides of the city runs a beautiful 216-foot-high wall which is 6000 miles long! It is made of 12 different 18-foot-high layers, each made of a different kind of precious jewel, like diamonds, rubies, emeralds, etc.! It also has 12 gates made of gigantic pearls!...The walls of the city are transparent--you can see through them! ...The wall around the outside is transparent--beautiful layers of different colours that you can see through.

- * **The Directory Building** - Is where you can go to find out where different friends, family & loved ones are living. (Daniel) "When I first arrived in Heaven, I asked where my dad was, and I was led to this computer directory. I wasn't exactly sure how this one would operate, and suddenly it came to me that it operated by thought power! No sooner had I thought about my dad than I was instantly transported to where he was!"
- * **The Meeting Loved Ones Tower** – (Michelle) "Not long after we arrived in Heaven we entered a tower and were all flying upwards towards the top. The person leading us at this time said that in this tower we would be

meeting our loved ones and those we'd been close to before. Immediately I thought about my mom, Renee, and just then she came. She said, "We heard you were Here and we came to spend some time with you!" Then we embraced. I was overwhelmed with emotion, and started crying."

- * **The Gigantic Crystal Building** - Is one of the most amazing sights, which is so big that when I was inside of it, I thought I was outdoors!(David Brandt) "It's so peaceful. It's as though it were operating in perfectly beautiful total silence--but almost musical silence-- everything in absolute harmony--everything absolutely beautiful--...it just continues to rotate slowly, deliberately, calmly, as though it was at perfect ease--and nothing can stop it--absolutely invincible! It will go on no matter what! Everything is planned--... and nothing can happen without His orders--without His Will! He's in control!--... If it's God's Control Center, it sure is pretty!... The people look just like little specks! It must be absolutely enormous!... And everything seems to operate in a kind of silent music--quiet music--beautiful--beautiful--just like the harmony of the spheres--the music of the stars! Thank You, Lord!"

Now how could light do that?--Rise up just like a fountain, and fall back down!--Into this pool that's all blue and starry and beautiful--but it's not water--it's like looking up at the sky and stars--just like the stars were shining in a bright, blue sky.”
- * **Light and Colors in Heaven** – (David Brandt) “The City itself never, never gets dark. The city just shines, from everywhere it seems!...it's just full of colour! It's as though the light is that colour--a kind of a golden light--and it emanates from everywhere--but is especially strong up there at the top--at that amber peak! Now that top was almost like a mountain valley--like it was surrounded with mountains, made or built!”
- * **The Security Center** - The Headquarters of the Guardian Angels that police this perfect City! They make sure that no strangers from the unsaved nations outside the City come in without special permission.
- * **The Story Palace** – “At the top of a long staircase was

the most amazing building! It was like a fairy tale castle with turrets and towers. It stretched out far into the distance in both directions. The castle sparkled and glowed with every color you could imagine, almost like it was made of opal...Jesus was thrilled and super excited to show it to me! There was a huge fountain in the entry hall with a small lake around it....He said I could also fly up to the birds perched on ledges under the high dome to hear their stories. Or I could touch anything and it would come to life with a story for me!" (Jesus:) "This was one of my favorite places when I was a boy. Where do you think I got all those parables that I told on Earth?... You can dive into the fountain to go under the sea!...The books sometimes even jump off the walls. They are so eager to be heard in these last days! The stories of My children and their lives are kept here. I'm opening up the Story Palace for you to choose what you want!"

* **The Sonic Temple** - Plays gorgeous Heavenly music & angelic concerts which fill the whole City! There we can learn about the history of different sounds & music, musical instruments & how to play them! "I couldn't see anyone standing there singing, but I could hear the most beautiful voices I've ever heard--and I've heard some pretty great stuff. I've never heard the kind of harmonies that I heard There. It sounded like there were thousands of people singing, and when a particular voice or sound interested you, you heard that one the most distinctly. I really wish I could describe exactly what I heard. It was thoroughly amazing."

* **Transportation in Heaven** – (David Brandt) "While I

was there I didn't need any vehicle. It just seems like you sort of shoot through those passageways with no elevator--but you're the elevator! But when I had to leave, I had to go in something!"

- * **The Ringy Walkway** – (David Brandt) “And that beautiful, beautiful walkway—just like walking through many rings-- each arch is a perfect circle, and the walkway goes right through it--way out of sight! Thank You, Jesus. Maybe it's got something to do with transportation, 'cause when they get on the walkway it seems like they're all floating along and nobody's in a hurry--everybody's happily taking it easy and smiling and talking to each other! Everybody's graceful!”
- * **Along a Heavenly Pathway** – (David Brandt) “That pathway is sure beautiful—like all the rocks are diamonds and crystals and precious stones. All the rocks along the pathway are all beautiful stones, like diamonds and opals and rubies, and all different precious stones line the pathway like gravel! Beautiful, beautiful--and the flowers are so beautiful! Even the trees are different colours. I never saw trees like that before-- Different coloured trees!”
- * **The Heavenly Stairways** – (David Brandt) “The Heavenly stairways are curved... everybody seems to float up and down them.”
- * **Levels in the Heavenly City** – (David Brandt) “THE CITY WAS IN DIFFERENT LEVELS--maybe each level 100 miles— and almost like every level had its own sky!”
- * **The Ring Walkway** – (David Brandt) “ THAT BEAUTIFUL, BEAUTIFUL WALKWAY--JUST LIKE

WALKING THROUGH SO MANY RINGS--each arch is a perfect circle, and the walkway goes right through it-way out of sight! Thank You, Jesus. Maybe it's got something to do with transportation, 'cause when they get on the walkway it seems like they're all floating along and nobody's in a hurry--everybody's happily taking it easy and smiling and talking to each other! Everybody's graceful! (Smiles and shakes head) Unbelievably beautiful! O Lord, I don't think I can stand it any more! In Jesus' Name!"

* **The Design and Architecture Department –**

(Shaline) "He enjoys having people there who like to help and work with Him - creating anything imaginable for the purpose of love and good It's a beautiful field of work." (Angelo) " that is a lively spot to be in. They design everything imaginable-literally! They design mansions, parks, trees, snowflakes, sunsets, saucers, Northern Lights-you name it. They design it all and they work directly under the heavenly court where God presides. It is a very high calling, as *they are putting God's very thoughts into reality*. They have to be super in-tune with Him, and listening very carefully to make sure they get everything just right."

* **Music in Heaven –** (Jamin) "We just let it rip, man!

Our souls are stirred with the passion, emotion and spirit that emanates like shock waves from the Source...I'm telling you, you don't know what listening pleasure is until you get Here...Music is an essential part of Heaven...Music Here is electrifying! You can travel with music. You can create things with music. You can express yourself through music. You can learn things

through music. You can experience ecstasies through music. You can have an orgasm through music. You can pray for people with music. You can relax with music. You can dance with music. You can do anything you want with music... I'm telling you, you haven't even begun to realize what music is and what power lies within the caverns of this amazing science that was, and could only have been, designed in Heaven... Come for a visit any time you'd like and we'll pass on some Heavenly tunes." (Shaline) "There's the study of music—not just audible music, but music that is in things and flows through things. Music is very spiritual, and though there's the practical aspect of learning to make music, the spiritual side is just fascinating." (Philippe) "you wouldn't believe how clean the sound is up Here."

- * **In a Heavenly park** – (From Eli) ... we were in this huge park in Heaven. The scene was like a huge tourist area on a very sunny day, where there was all kinds of activity. There were lots of people, but there was enough room where you could walk around calmly and it wasn't crowded. Everywhere I looked, there were a few people gathered, doing all kinds of things. *It was sort of a magical atmosphere, like anything you wanted to do you could do, and it would just happen.*
- * **Learning, State of exhilaration and Desires in Heaven-** (From Eli) It seemed the learning capabilities of Heaven were that you just had to be shown something once and you got it, period. So many things happened to me. It seemed like I was up there for almost a whole day, as days go. I would say

maybe 30, 40 or 50 things happened to me. I just walked around and I had all these experiences. Everybody was just in a state of exhilaration and excitement and it was like this white energy and light was there too, it was like it was the lifeblood of everybody. It must've been Jesus. You know how it says in the Bible that "jesus is the light of the Heavenly City," and how Jesus is everywhere, He's omnipresent. Well it was almost like this light was everywhere and this light is what made everybody alive. And it was the source of their energy and their inspiration and their positiveness and their strength, and everything was positive. Everybody was so, so happy, and so loving, just led by love! And it was fun too! Just full of excitement, full of variety. The feeling I had was that anything you wanted to happen could happen. There was this magical feeling in the air, and a magical atmosphere, like anything good could happen if you wanted it to happen. If you wanted to fish for trout in the sky, you could just do it!

* **Globe-shaped Ball Communicator** – (From Eli) I was given some kind of a little ball about the size of a tennis ball. It was sort of like a motor. I seemed like it was some kind of a communicator globe-shaped ball, in case somebody wanted to get ahold of you...If you were going to go out... then they had this little communicator globe that people could call you on.

* **Heaven-Earth Transporter** – (From Eli) In this dream, I was in a room with ten to twelve people. There were three very small light bulbs at the top of the room. All of a sudden one of those bulbs went on super bright. Right after that, the other two went on, one after the other. The

room lit up with this bright exhilarating light! There was no fear at all. It just inspired and excited us, like, “wow! What’s happening?” There was all this energy in this room, and it was terrific!

It’s hard to explain, other than it was just total bliss. The room was alive with electricity. This bright white light was shining throughout the room, like it was filling us with energy.

All of a sudden, the room changed. A few seconds after the bright light came on, we were in Heaven!

It was not like we went anywhere, or that there was any passage of time. It was almost like Heaven was right there, but in a different dimension. And we were transported from one dimension to the other somehow, by this bright white light...

Pretty soon I realized that it was time to get back on the ship or the transporter, to go back to the room. I got on the ship and we were all going back, when all of a sudden the bright light came on again. It buzzed super bright and everybody else faded away! Everybody else had gone back to Earth, back into the other dimension.

* **Trout fishing in the sky** – (From Eli) The first thing I noticed after I got there were some pre-teens and teens. They were looking way up in the air, and they were saying, “I got one! I got one” I asked them, “What are you doing?” and they said, “We’re trout fishing!” I looked up and they were trout fishing up in the sky! They were casting their lines about twenty to fifty meters almost straight up into the blue sky. There were trout floating by there. The trout must have been actually flying way up in the sky, and they were fishing for them!

One teen said “I got one! I got one!” I looked way up, amidst the fishing lines and other things in the air, and I could see a little trout floaing by that he had caught. He was all excited about it. It was fun! Trout fishing in the sky!

- * **Sex in Heaven** – (TSun-Yi) “What He did to me could never be compared with the pleasures I had felt on Earth. There is a certain mystical, magical side to sex Here. There's a dimension missing down there, even in the realm of sex.-But oh, the fullness this added dimension brings! Every pore and fiber of your being comes to life, experiencing not only the physical sensations of arousal and lovemaking, but the spiritual ecstasies. Those cannot be felt on Earth, for they are bound to Heaven. It's something that cannot be described in earthly terms, for there are no words in your language to describe it.”
- * **Falling in Love in Heaven** – (Sharalie) “First off, nobody is exclusive. No one shuts you out; everyone loves everyone, and it's pure pleasure to include others in the love and friendship you share with those special to you. Yes, each of us Here has somebody or somebodies who are special to us-and of course the Lord is the most special One of all to us-but that doesn't mean that anyone feels left out... One of the joys of Heaven is finding and making new friends all the time. Everyone is a friend Here-some we just haven't met yet! The Lord's love fills the air in Heaven. It's everywhere! You can feel it and smell it and hear it and taste it. It soaks into everyone and everything! Everything glows with the Lord's love, and it's so warm and comforting and fun and fuzzy. There

are no loneliness trials up Here. There are no jealousy trials, or envy or competition. It's just fantastic...we all just soak up the Lord's love together as we love each other and go about our work and play." (Kristina – departed Family teen) "You just don't have any pride or image to project. We just see right into each other and can almost read each other's thoughts, so there really isn't anything to hide..... You can fall in love and really love deeply. You can live without jealousy or comparing yourself with others or thinking about who's prettier. You just feel really thankful and happy for each moment. Love is really the reason for it all, and when you put that love first everything falls into place. Sex is important Here, but it has its perspective and isn't like anything you've seen or experienced there."

- * **The Atomic Energy Center** - Where we can see how the Power of God works!--The amazing power by which He created the Universe & keeps it running!
- * **The Pavillion of The Power of God** – "I see a round enclosure...within this enclosure is a bright source of light and power. The stream of light begins from a cone-shaped base in the floor, and sweeps down from the enclosing wall to this cone. The cone doesn't have a top. The light shoots straight up in a gentle flow. ...The energy stream goes straight up, as if these rings were its conduits, and my eyes follow its flow till I can't see any more. Around the conduit is a cloud of deep purple and blue. It swirls around and around, forming a cone shape as it ascends. This must go for miles, because even though it's straight up, I can't see the end of it... (Jesus:) There are many such powerhouses. This is the smallest

and weakest of all of them. What you see here is the life's blood for an entire civilization within My Kingdom. My Father powers this civilization with the Words He speaks from His mouth. His thoughts are the air that this culture breathes. They exist by His power. It is their life, and without it they would have no energy at all. This shows you the magnitude of My Father's power and the power of His Words. You may think that the Words you hear from Me or your spirit helpers are just direction and counsel. But the truth is, these Words are backed by more power than you can imagine-immense power! That's why *there's such great power in claiming My Words*. My Words are the power of the spirit world. Without these Words there would be nothing; the universe would be empty. There would be no universe. The force with which I back up My Words to you is great. My power is great! Claim My power in your life today and do the impossible... Are you connected to the Power of God? You have connected if you are using the keys of Heaven!

* **The Exotic Exhibit Pavilion –**

+ **The Ride Dish** – “I’m Christon, monitor of the Ride Dish. If you’re wondering what the Ride Dish is, it’s one of the latest additions to our Exotic Exhibit pavilion. When you get Here, you won’t just be calling this place cool--you’ll be stunned.... Illicit drugs were masterminded by Satan, and anything that his hand touches is besmirched with a strain of evil and destruction. Whereas our line of thrills are made in perfection... Here you can try every sensation, trek out to your dreams and back, experience that weightless

feeling, supernatural power, incredible abilities...Well, I'll be waiting for you... Until then, stay off the highs that the street tries to offer you. Hold out for the real thing!"

- * **The Virtual Reality Pavilion** – (Mike) “in Heaven there is a “virtual reality” section, where you can choose to be any creature in the whole world. You step into the habitat of that creature and in the blink of an eye, you are that creature! You have your own consciousness-of course, else how could you enjoy it?-But you think and move and breathe and instinctively act just like the animal you “virtually” are on this set. You see the world through its eyes. You see other animals and your surroundings from the perspective of whatever creature you ‘are’.”
- * **The Genealogy Building** - Where you can find out who your past relatives were, all the way back to Adam & Eve!
- * **The Prayer Tower** – (Angelo) “There is a **Prayer Department**, which sees to it that all the prayers are answered. This department keeps the Lord and the people responsible informed of the progress of each prayer and what is happening with it”... Send messages to anyone you wish to Through Heavenly Prayer and just thinking it by using **the Heavenly**
- * **The Communication Center** in the Prayer Tower! (Angelo) “We even have a Communications Department that handles all the heavenly messages between our away teams.”
- * **The Pavilion of Peace** – ‘It appears that it’s on an island, because there is water all around it.’ “On the

portal of this place of peace is written the sum total of all that the pavilion represents... ‘Be still and know that I am God’ (Ps, 46:10) These are the words that adorn the entryway... There is power supreme power- in stillness, because in that stillness I have full access and entry to your spirit and mind... This cleansing river is symbolic of the cleansing each one needs before entering this place. To even enter this place of peace, all enemies of peace must be expelled. All distractions and cares must be swallowed up and washed away in those waters... What you - the individual- experience within the walls and pillars of this place of peace will be unique and custom-made for you... To put on the garments of rest that all wear upon entering this place, all other garments must be laid aside; ...Here in this place is the closest thing to when we will be united in Heaven, when we will commune face to face and know each other in every sense of the word ... The times you spend here in the pavilion of peace will impact your spirits and spiritual lives in a very real way... My dear one will pluck the fruit from these trees (inside the pavilion), and the nectar from this fruit will give them renewed strength of spirit – a fuller, deeper strength... it infuses the spirit with more vitality, vision, crazy faith, renewed courage... All who have fully entered into that spirit of rest and stillness will come to know Me in a way that they’ve never experienced Me before.”

* **Heavenly Rewards** – (Noel) “When the Lord presents those public rewards to you...Every single one is tailor-made by His magical Spirit, Who knows your deepest longings and special tastes and desires. Cool, huh?... let

me tell you this: They'll be big, they'll be spectacular, they'll be special, they'll be meaningful, they'll suit you, and they'll bless you; you will feel so honored, so loved, so *known*... And Jesus will present every gift with one of His warm, melting, beautiful smiles... you'll have a special crown to signify your place in the Hall of Fame. People will look up to you and respect you, and you will have great honor in Heaven, just because you put Jesus first before your desires, just because you said yes to Him and chose to love Him and others more than yourself. I sure am praying that you hang on to your special crown." (Jesus) "These crowns are one of the most highly treasured gifts... by all... in the spirit realm. Each crown of life carries with it the very spirit of the Father Who gives life, power, wisdom, strength, and so much more... It is a reward given to those who, although they may stumble and fall at times, yet they refuse to stop. They refuse to let go. It is the reward given to those who continue day by day, doing what they can to choose the path they sense Me showing them... In the days of darkness ahead, that crown of life held out before you will be a source of vision, joy and conviction... it will envision you when there's nothing... your eyes can see that gives any hope. All that each of you has to do is get up in the morning... and set your heart on that crown and nothing else will matter. Nothing will be able to defeat you."

* **Heavenly Mansions** – "An angel led me to a mansion in the shape of several hearts, cascaded one on top of the other, and each one was a different room. The next mansion I came upon was made up of bubbles and

tunnels. The main area of the house was a big bubble or dome, with a living room and library, as well as a large pool in the center. Above the main bubble were smaller bubbles, which were sort of floating, yet connected to the main one by tunnels. I had a feeling that these were the bedrooms and private areas. It was a really neat and different kind of mansion!" (Carey) "There were lots of mansions and I looked all around. There was a swimming pool and you could swim down to another swimming pool under it. There were many friendly fish in it and colorful dolphins. The fish were all friendly."

— (Leo) "We can embed fresh roses or any kind of flower or vine into our crystal walls or floors... they'll stay alive and fresh and fragrant forever. We make crystal floors... As you look down you see water and jewels that change and move all the time. Some mansions have enormous aquariums, either as walls or in the center. If their mansion is two stories high, you can see all of the coral and the beautiful fish through the glass when you're downstairs, and when you're upstairs you can sit beside the water, just like a beautiful, natural pool. You can even dive in if you want to... We have airbeds, waterbeds, and cushioned beds, cloud beds..." (Noel) "It's going to be so fun to see you going through your mansions, discovering all the nooks and crannies that have been designed especially for you...even when you think you know your mansion inside and out, there will be hidden doors and surprises that you'll discover gradually-and the surprises won't ever stop! Your mansion will be like a great big eternal treasure hunt. Of course, you won't have to hunt, but just when you think you know everything about your

special abode, something new and exciting may pop up.”

* **Heaven's Clothes** – (Dad) “They don't seem to be very heavily clothed...filmy, clinging, floating, and beautifully draped, revealing the beauty of the human form, draped more for beauty than for concealment--thin, shimmering gowns, almost of light. It's like light, yet it's like some kind of material--like silver netting or mesh. They're somewhat like those old Grecian--Roman gowns--very thin--very graceful--very beautiful.” (Tommy) “The clothes are also really neat. They just seem to appear or disappear depending on what mood you're in! Incredible designs, colors, lights--they're so far out! TYL!”

(A spirit Helper) “When you first get to Heaven, you'll arrive in a special gown that Jesus designed especially for you. Believe me, you'll look stunning!... Most clothes Here are light, sexy, and comfortable. The materials are so soft and gorgeous.... Probably the closest thing that you have there to compare it to would be silk...As far as everyday clothing goes, there are so many different varieties and choices Here, new and different ones from those you know on Earth. And we have fun changing as often as we want into whatever is the most comfortable for us....If you're going for a swim, the gown you are wearing will disappear as soon as you touch the water, and when you get out, it will reappear. Or if you're having sex, you can just think about your clothes being off, and they will be.”

* **The Sky and Clouds in Heaven** – (David Brandt)

“Even the sky is beautiful here!--Like one big continual Aurora Borealis--like sunsets and sunrises all mixed up

together! Hallelujah! Everything is so green! I thought those clouds were mountains, but I guess they're clouds. They're many different colours...The clouds are so beautiful! They just drift by, like they're for decorations!-And they rise up, up, up! I guess that's what the kids would call, "really out of sight", huh?"

* **In Shape in Heaven** – (Dad) “Nobody is fat or overweight or slovenly. Everyone is in good shape and pleasing to look at. But just as there is variety on Earth in the realm of beautiful bodies and God’s creation, there is even more up Here. Everything that God created for Earth’s pleasure is also available Here; only there is a bit more magic and sparkle than down there. He reserved some of it to be only enjoyed in Heaven, so that there would be more to look forward to, and new sights and sounds to experience upon your arrival...Don’t worry about what you’re going to look like up Here. You’re going to look beautiful, and you’re going to be happy with it! Praise God! At last!-A heavenly world of happy people, content with how God has made them, and glad to be given the chance to share and give of themselves to others! This is my kind of world!” (Sean) “Up Here ...Your body is perfect, complete and whole and strong and vibrant, with the maximum amount of energy and capability, with healthy eyes, clear skin and beautiful hair. There’s nothing to pollute or harm your body up Here. So yes, your body is perfect.”

* **Heavenly Glides** – (Michael) “I was wondering what it would be like to fly. I wasn’t too sure of myself, but I decided to give it a try and I gave a little jump and then I started rising up and up. It was amazing--completely

effortless, gliding through the sky! It was like swimming without the water--no need to come to the surface for air, but the similar feeling of weightlessness and freedom.”

- * **Heaven's Funnies** – (Zaccheus) “In Heaven we know the benefits of having a good laugh. There's really nothing like laughing! Up Here we have funny movies, funny music, funny skits, funny stories, funny people and funny experiences. So many things make us laugh, but it's all in good humor, it's all done in love, and nothing is ever done to hurt anyone else. We get a real kick out of jokes, and have volumes and volumes of them... We even have clown shows in Heaven... Heaven wouldn't be Heaven if there weren't a thing called laughter. So don't worry, there's plenty of laughing gas up Here-enough for all, enough for eternity.”
- * **Heavenly Festivals** – (Jesus) “If you love festivals, you'll have a great time up here! You name it, we've got it! I put on the greatest festivals ever! We hold festivals that specialize in **dance, animals, acrobatics, art, music, humor, magic, culture, flowers, sweets, drama,** and more! There's every type! Although everyone in Heaven is busy as can be, I provide time for people to enjoy their hobbies. They practice their hobbies, perfect them, and then enjoy displaying them before all. That's where these festivals come into play... And since each type of festival is held periodically, that makes for a whole lot of festivals going on, and....a whole lot of fun!”
- + **The Festival of Sweets in Heaven** - ... There are all kinds of stands lining the streets, and lots of folks bring the specialty sweets and desserts that they've concocted.

but they are full-size portions, so that you really enjoy 'em. You can sample away as much as you like and never get sick, because these heavenly sweets are made from healthy natural foods... Anyone can watch and learn how to do it, or get the recipe to try it out themselves at home. They have all the regular goodies—chocolates, pies, cakes, bars, puddings, and ice creams—but then there's also a whole assortment of desserts up here that you've never even heard of. and new combinations of tastes to excite and stimulate your taste buds. And they really do a good job!

- + **The Festival of Acrobatics** – “Boy, you should see these guys and girls go! There are famous acrobats from life on earth that still love to perform, and it's no wonder—they can do so much more now than they used to be able to on earth. But here in Heaven, skills can be learned much more easily, and with a bit of determination, hard work and practice, you too could become a tremendous acrobat. Really!”
- * **The Room of Victories and Answered Prayers** – (Mariko) “It was a small white, marble, circular-type of room, with quite a few arch-like entrances entwined with vines. There was soft bluish-gold lighting, and everything seemed to sort of blend and flow together. In the middle was a gorgeous fountain rising up out of the pond, sparkling, and crystal-clear—but at the same time, blue. Each of the little sparkles that were dancing up and around the fountain were answered prayers or victories won on Earth.”
- * **Jesus' Forgiveness** – (Tim) “The whole time I'd been an observer from a large, short-cropped lawn. I slowly

sank to my knees and started crying. (I'm not an emotional person, but the whole situation seemed so overwhelming.) Then when I opened my eyes, Jesus was in front of me. At first I only saw His bare feet but even from just that, I knew Who it was. I couldn't muster the courage to lift my head to look in His eyes, so He knelt with one hand on either side of my tear-stained face, and raised it so I could look into His face. Then He parted the wet hair that clung to my face. The feeling I had all over was when you have gotten sweaty or in the rain, wet all over and rather sticky, exactly what people would prefer not to touch, but He didn't care. He started wiping away my tears of remorse and regret with His love, of things said and things done that I was sorry for, and He truly forgave. It was so beautiful. Before He started wiping my tears away I had in my hand all my works, and I wanted to present them to Him. But they seemed so worthless compared to the love that He wanted from me, and He motioned for me to put them away to the side. He didn't want something to be presented, because He just wanted me to love Him with my heart, and not my mind or strength. Looking into His eyes, I could see a soft compassion--not even one of correction or instruction, but of real understanding--like He'd experienced the things I had, and He wanted me to feel the love that He had, more than anything else, and to understand His forgiveness so I could in turn impart that to others."

(Andrew) "Heaven is such a wonderful Place, it's hard to imagine such love! Everyone loves you! Even though they can see your past, they love you anyway, and thank you for the love you've had. They have such love--they

have the love of our Father! Thank You Jesus!"

* **A Heavens's Park** – (Tommy) "It's incredible! There's a **band** here in the middle of the park, and some instruments that I never realized existed! They play the most Heavenly music. The grass is literally clapping its hands, and the trees are dancing with each other! It's funny, as you walk by, the conductor just seems to read your mind as to what type of music you really like and they immediately begin playing that music! There are no unloving feelings as to what type of music others like. Everyone appreciates everyone's different tastes... There's a great big triangle, and it seems to be dancing around to the beat of the music. Lo and behold, it's changing into all sorts of objects, keeping its general size, but the same distance away from the ground. (K.) "In the park there were some things--I'm not exactly sure what they were for--that were floating around, and when you wanted to sit down on something, they'd be right there under you. They would adjust their shape to whatever would be the most cozy to you, without you even thinking about it." (Tommy)There's a **round balloon** that's huge and transparent. It seems to be **filled with water**, and all types of fish are inside. Oh, I just can't describe it. It's floating around in the park, and whoever wants to look at the fish just goes up to it and looks inside, and if you like you can swim inside with the fish, too! It's incredible!"

* **Heavenly Entertainment Department** – (Benji:) " Hi, my name is Benji. I'm a part of the **Heavenly Theater**, where we plan and perform all sorts of fantastic and magnificent plays in honor of our King. We perform for

special events, for special occasions like the King's birthday. That is a fantastic event, and one that we plan long and hard for. But that's not what I'm here to tell you about. I'm here to tell you about entertainment in Heaven. We also have **dress-up parties** with costumes. All sorts of costumes are on display. There are some really neat ones and some so far-out that all you can do is stare and wonder just how on Earth or in Heaven they came up with that.-Ha! My favorites are the **underwater games** we play. We play *a form of tag*, but it's more than that. Have you heard of Quasar or paint-ball games? Well it's something like that. We carry *a special "ray gun,"* for lack of a better word, with a little beam on it, and we race around trying to shine that beam on people. But we allow disappearing and thought travel, so you have to guess just where the person who has disappeared will end up. It's so much fun. There are some rules of course-like you can't leave the playing field, and so on...We also play a form of "**kick the can**" but we play it throughout the whole fourth tier of the Heavenly City, which is a huge area. You might think it's impossible, but it actually is a lot of fun. There you can't disappear or thought-travel. You have to stick to the rules, and *thousands of folks join in.* **Dance nights!** Oh, yes, now there's a highlight. We all gather down below the City in the Crystal Sea as some have called it, and we dance. We don't just do one style of dance or have one style of music. We have *forms of dance that aren't even possible on Earth*, and tunes that are so wild that only special heavenly bands can play them. King Jesus often comes to these, and we **take turns dancing**

with Him. (Jesus: You are all My brides in the spirit and as such have an intimate relationship with Me in the spirit. But in the flesh-even in your heavenly bodies, which are real too-I interact with the men as a man, and with the women as a man...Have you ever seen guys tapping together? Or hip-hopping? Or Irish dancing-remember River Dance? Well, these are examples of how the men dance with Me.) We also have **dance troupes** that prepare special dances and perform them in the middle on a huge stage...

There are also **troupes that perform with animals or with various objects**, like jugglers do down there, only many times better. One of my favorites is the group that coordinates little butterflies dancing around in the air. There are about 500 or 600 butterflies, and they all dance together in wave after wave of joyous music.

We also play **tag games on other planets**. We **ride horses** and have special rods that count points when you touch a person from the other team. We race around, dashing back and forth trying to dodge the other team while at the same time we're trying to tag them. *Games like this can go on for days*, with hidden camps, ambushes, spies and the whole thing. But best of all, we are all winners at the end. One team may not be the champions of that game, but we may be the winners of the next so *there're no hard feelings*.

...I am sure you will want to visit or sign up for some of the fun activities of our Heavenly Entertainment Department, when you return to your Home in Heaven. See you soon."

* **Animals in Heaven** – (Spirit being) "Animals are

different than humans, in that they all don't come to Heaven. They don't have souls, like humans, so unless an animal is very special to someone, it doesn't come Here... We have some of every kind of animal Here, and if you want a certain animal as your friend-to live in your mansion-then the Lord will create it for you, or have it ready upon your arrival... there will also be many animals that different saved ones loved and cared for, who will be waiting Here for them, and will continue to be their pets and friends."

* **Heaven's Festival of Animals** – (Jesus) “One of the most fun events is the Festival of Animals. This is the moment for My animals of Heaven to shine, and to show off their skills, talents, and the way they live. The festival takes place all over Heaven. But with the speed of thought you can zip here and there as fast as you want. You can watch herds of wild mustangs dashing across a Heavenly prairie, and then zip to a snowy region to watch polar bears, seals, and penguins playing on the ice and snow. You can minimize yourself and find out exactly what it's like to be a ladybug. Or you can make yourself a little larger and ride the back of a hummingbird as she uses her beak to drink nectar from a flower. You can enter the panther's den, and play with her cubs. You can frolic on the trees with the squirrels, and help them gather nuts. And the neat thing about it all is that you can talk with the animals while all this is happening...Of course, there are some creatures up Here who never existed on Earth. They might even seem like aliens to you. But they're all Here, all part of the action. Every creature of nature I ever created is invited to take

part in this festival. It's a day to honor the animal kingdom--the kingdom of creatures I designed to keep man company, and to add more life to the worlds I have created. Yes, man is very special to Me. But animals have their own place in My heart as well. Once you've been to a Festival of Animals, you'll understand why."

* **Heaven's Technology** – (Michael) "If you realize that everything on Earth is a mere shadow of things to come, it'll help you imagine it all a bit better. A shadow can't exist without the real thing, right? So, every modern convenience and technological marvel that exists on Earth is simply a glimpse of the real thing that God thought up, and that exists in the realm of the spirit."

* **Books in Heaven** – (Mike) " Each book is *living*...it's pure joy. Illustrations are glowing with color, and moving. You have a choice to either read the books ..., or if you prefer, you can step into special rooms in the library and watch a 3D movie of the actual events, where you feel as if you're actually there, experiencing the heat and cold, and the emotions of each situation. It's pretty far-out. A neat side-feature with these 3D movies is that you can press a button to see not only the humans in each situation, but also Heaven's angels and spirit helpers, and the evil angels at work. Using this option provides fascinating insight into the workings of the spirit world with the natural world. It's really amazing. There is so much you can delve into: sections about other planets and civilizations the Lord has set up, sections about inventions, including inventions not yet discovered by man!..."

* **Sports in Heaven** – (Allen) "I enjoy watching some of

the very same sports you have down on Earth, like basketball, football, and soccer--sometimes I even tune in my 3D TV to check'm out. The main difference is that up Here everything is fair play--no one cheats, fouls, or gets violent." (Philippe, 14-year-old departed teen:) "One game that we play up Here is like a heavenly ball chase. But the neatest thing is you can fly out to catch the ball and your spirit body can go so far out to catch it; it's like your whole being stretches and retrieves the ball. It's actually funny to watch it. The first time I saw them playing this game I couldn't stop laughing!"

- * **Movies in Heaven** – (Cecil B. De Mille) "We make a "movie" by gathering together all the best and most pertinent scenes. I won't even begin to try to explain to you how we do this, but we gather these scenes straight from history and weave them together, much like movie editors on Earth take all the different shots of the actors and run them together in a certain order. The only difference is, we don't use actors; we use the actual scenes as they happened...any story or play that is written has a purpose, a message, a lesson, or something that makes it worthwhile. We do not spend time Here in idle entertainment or amusement...We have lots of fun, lots of enjoyment, but it is all with a purpose. It all somehow glorifies the Lord, uplifts the mind or the spirit, or in some way contributes to the edification of those who participate... Everything has meaning, purpose and depth...Another way that our entertainment Here is different is that you can enter in if you like... You can actually be right within them, partaking of the action, and

even influencing the movie just for your own entertainment. But no, you can't change history."

- * **Time in Heaven** – (Shaline) "Just wait till you get Here-where there is no time! What freedom!"
- * **Learning and Growing in Heaven** – (Allen) "Here in Heaven you can develop all the talents and skills you're interested in, and you have a lot of time to do so, as well as increased learning abilities. You still have to learn." (Shaline) "up Here the options and fields of study are so vast and innumerable!... life is multiplied to the power of ten Here...I'd say pretty much anything you can imagine on Earth as a skill is also taught in Heaven-only much more intricately and with many more factors, and with much more clarity." (Ellaine) "you can cultivate certain skills when you get Here-even skills that you just didn't have the talent for while on Earth. In Heaven everything isn't just handed to you; you still have to make an effort to learn and grow, but it is much easier. You don't have to spend nearly as long learning something. Things go pretty fast, and you can absorb knowledge quickly." (Sean) "Not everyone is on the same level of growth. All have their own levels of growth and are at different stages. There are some who have learned more and are more experienced than others. Some mature and grow faster than others. There are different levels of learning, and how and when you graduate to the next level is really an individual thing. It's not like when you turn 21, for example, you are an "adult." It's not the same Here as it is on Earth, where things are measured by time. Every person grows at his or her own pace, and graduates to the next level of learning and lessons when they are ready."

(Georgie) "Growing up is a learning process, and as you learn more you become a bit older. It isn't based on your physical growth... Your physical development matches or is a representation of your mental or spiritual development."

- * **Work and Magic in Heaven** – (Jesus) "Although there is magic at your fingertips, and you can just wave a wand and do this or that, much of the time people enjoy doing things, exerting energy, and cultivating their skills. Once you arrive Here, your mind is opened. But that's only the beginning. Then it's up to you how you want to cultivate it, what skills you want to hone, what powers and energies you want to learn to use."
- * **Goals and Dreams in Heaven** - (Elaine:) Heaven is a place where all of your dreams come true. Heaven is the ultimate! Heaven is utopia! Heaven is a place where you can learn and grow rapidly. Heaven is a place where you are no longer bound by physical restrictions and limitations. Heaven is a place where you can shoot for the stars and actually reach them. Heaven is a place where your horizons are expanded. Heaven is a place where the impossible can become possible, where imagination can turn into reality, where wishes come true. Heaven is a place where you will ride waves of excitement that you've never before thought possible. Heaven is a place where you can live on the wild side and turn your impossible dreams into living wonders.
- * **Heavenly Constructions** – (David Brandt) "There's *this great huge light blue transparent dome*, and all these other domes--different sizes! Beautiful light! O Jesus! (Smiles) Doesn't anybody else see it? Can't you see it?"

Are you really trying? Wow! What shapes! There's *a building shaped like one of those Christmas bows all interleaved!* If that isn't something! They couldn't build anything like that on earth. I don't think it would stand up! They don't have things at angles like that!--and some built like a flower--the walls overlap, joined together like the petals of a flower! You just don't believe—if you believed, you could see it! O Jesus—it's so beautiful! O thank You, Lord! Thank You, Lord! There's one shaped like--the walls are red--not bright red--almost like that dark metallic red--all the building materials seem to be transparent or at least translucent. It's really a beautiful red; it's dark, but it's not dark, 'cause the light shines right through it--like ruby!--*Like one great big ruby, and it bulges out all around!* It's round and bulges out, and then there are these great big arches, almost like it's suspended from these arches--these arches go out first and then come in, and just go over part way, and then there's a big hole in the roof completely open at the top! Hallelujah! *Inside is all garden--such a beautiful, beautiful garden--beautiful gardens!* Wow! The colours are so beautiful--so beautiful--unbelievable!... *a whole row of gigantic umbrellas--only the top of every one of them is shaped like a carnation--like a whole row of carnations--beautiful white stems!* Praise You, Lord! They're red and yellow, and even a little bit brown and pink!... IT JUST MAKES YOU FEEL LIKE THE WORLD IS NOTHING--so why should we worry about things down here when the Lord's got things like that?... so many sizes and shapes, and designs--spirals and cones and spheres. Seemed like the Lord just put in every

conceivable geometric form, and no two are alike.--So beautiful--and the materials are just unearthly--"

- * **The Golden Streets** – (Tommy) “ The gold is almost glittering as you walk on the path! I never knew such gold existed. It sort of has a yellow tint to it, but it's almost transparent. Some of it looks similar to white marble with a gold color to it. It's really, really neat!” (David Brandt) “You just float--it's really wonderful! Even when you're walking, you're kinda floating! It doesn't seem like your feet hardly touch the ground! It must be like the moon walk--weightlessness!”
- * **Weather in Heaven** – (Spirit being) “The temperature of Heaven is perfect, but if you want to experience rain or the tropical sun, or some other type of climate that you enjoyed on Earth, it's possible. Everything is possible in Heaven...Our snow is light, fluffy and white, and when it rests in great quantities upon some mountainous landscape, it looks simply majestic. It doesn't melt and turn to water, unless you want it to.”
- * **People We Have Led to Jesus** – (Pat) “Then, when I came up to where the roads divided, people of all ages came running towards me from every direction! Most of them I didn't recognize, but they looked like they were so happy to see me, shouting and praising the Lord, and saying my name and how happy they were to see me. Some of them were crying, and began to thank me so much for praying with them to receive the Lord! Then I realized that these must be some of the people that I had led to the Lord. I was so touched to see how they were so, so happy.”
- * **The Great Golden Bird!** – (David Brandt) There's

nothing prettier, there's nothing better for flying. The angel was showing me the bird, it was shaped just like a bird. It is a space vehicle, and we do ride in it! It's gigantic! It'll hold hundreds of people like a big jumbo jet. I only saw one. He was showing it to me & I was boarding it for some reason. I was just amazed at the size of it, looking it over from the outside. It was shaped just like a bird!--Beautiful!-- No motors, no noise, no stink! It had huge legs, & when it was ready, it just spread its wings & leaped into the air, & then just slowly waved its wings! It rode so quiet & beautiful! It didn't have stiff wings like an airplane, but it had wings that were really alive & that waved & beat slowly like a bird, up & down, & then just glided so quiet!--Just beautiful, just like a bird! In fact, it was a bird! It really was! The Lord's already designed the best kind of ship He could design!

+ Irynn and The Sanctuary of Fulfilled Dreams

Close your eyes. I have someone I want you to meet. She is Irynn, a Heavenly bearer of imaginative thoughts. Her violet eyes sparkle with mystery and her black hair waves long behind her, creating untold images in its tangles. Her white skin, almost translucent, reflects the silvery moon that glitters above. She wants to take you somewhere. Won't you come along? Give a little jump and upward you glide through the air and into the Sanctuary of Fulfilled Dreams.

You fly full speed, with the wind whistling through your hair, till you come to the place she knows so well. It is a Heavenly mystery. It is neither here nor there-though it is a part of Heaven, you cannot find it for yourself-and there is nothing like it anywhere else. It has no set form,

because it is to each his own dream and desire.

As you enter, you come into the initial portal of your mind's farthest creativity-things you didn't even realize were in your imagination. As your King, I know every wish that is within you, and so I cater to you personally. It does not matter what or where the setting, and now I only give you one example.

As you enter your portal, it is dark and cool. You come to a beach. The sand is soft and glittering with small diamonds. The water is iridescent, changing colors and hues as the light reflects off the waves that wash in front of your feet. The sky beyond the horizon is filled with stars and planets. As you look closer you can even see other galaxies. As you dive into the water you see there are planets and galaxies *beneath* the water as well.

When you emerge from the water, you come to a place under a palm tree. There is an arrangement of your favorite foods. A hammock is hanging between two trees. You lie in it and sleep, and when you awake, it seems as if you've been sleeping for one hundred years. Your hair has soaked up the glow of the stars and shines with an unearthly sheen, and your body glows from a glitter that the water has left on your skin.

This Sanctuary of Fulfilled Dreams is one of the wonders of the Heavenly City, and admission is given to all those who serve Me. I see all and know all and I want you to feel My love through the granting of your heart's deepest desires. There is no better experience than that which I allow you to touch, taste, and enjoy. For what you do inside this Sanctuary is given directly by My hand.

* **Our New Names** – (Katrina) “ It's a special love name,

and it's a name He's going to call you by. Whenever you get that name, it's going to be your special time with Him, and you keep it a real secret.--You don't want anyone else to steal your time with the Lord. When He calls your name and you hear it, WOW, you drop everything else and you just think it and you're right there. Oh, He's so wonderful, He loves us so much!"

* **Saucer Pads** - There are many landing pads for these vehicles.

* **Free Choice and High Security Levels in Heaven** – (Jesus) "People still have the majesty of free choice in Heaven. So my people are content to simply enjoy the rewards that I gave to them for the good they did on Earth; they don't seek to serve Me further, or if they do, they have their own ideas about how they want to serve Me, and this is fine. I take each one where he or she is at. Then there are people who gave everything to Me while on Earth... and allowed Me to direct the course of their lives as I saw fit. These are the ones who have access to the high security levels in Heaven, because through their yieldedness they are strong warriors, and valuable to the running of My Kingdom. So you see, although Heaven is for everyone who accepts Me, not everyone in Heaven has access to every place in Heaven."

* **The Word in Heaven** – (Lucas:) "Here in Heaven you don't have to sit and read the Word in a book. You can just turn it on and it starts running through your head like a river! It's so neat. It's like flipping a switch. Just turn it on, and whooooshhh, all this Word goes through your head! You don't need headphones either, but the sound system is really far out. And you know what? Lots of the

Word up Here comes out in music! There's nothing like it! It's really cool." (Spirit Being) "we have a panel, sort of like a monitor, but you put your hands on either side of it and feel the words. You don't just hear them; you feel them. It's like you feel every emotion that was expressed, exactly how the heavenly messenger was feeling when he or she gave them, everything. "Reading" is such a primitive way to describe it, I must think of a better word. Ah, yes-*living* them! You *live* the words."

* **Heaven's Archives** – (Spirit Being) "The Heavenly Archives are open to all in Heaven. Every Word that God has ever given to Man is recorded in the Heavenly Archives. Not one Word is lost. To read them we simply go into the library; we have a panel, sort of like a monitor, but you put your hands on either side of it and feel the words. You don't just hear them; you feel them. It's like you feel every emotion that was expressed, exactly how the heavenly messenger was feeling when he or she gave them, everything. "Reading" is such a primitive way to describe it, I must think of a better word. Ah, yes-*living* them! You *live* the words. You are there and they become a part of you. You live the words, and they are energy and life and a source of power."

++ Heavenly Showroom of Great Battles

Come on inside the Pavilion of the Lamb. There's much to explore. You're free to roam wherever you wish within this grand pavilion. As you walk throughout, new dimensions are opened, and various facets of Me are revealed to you. What do you wish to know about Me? I will show you in the way you will understand best.

On the right is a showroom, with three-dimensional movie clips of the great battles that I've fought for My children. You can enter into any scene and partake of the moment. You can observe the great spiritual warfare that occurred-swords clashing, lightning flashing, and flame throwing. You can even experience a part of the mind combat that occurred between Myself and the Evil One. I am always at war with the Evil One, but there are some memorable battles in history that I have recorded and placed here for you to see, so you can witness My strong might and power as the Warrior Lord. I am a valiant general who protects his soldiers, no matter what the cost.

Enter into this chamber, and stand back and see Me fight. You will praise Me for the victory, and marvel at My glorious might and power which is always at your side, to protect you and keep you from the forces of the Enemy.

++ The Heavenly Key Craft – Protects, guides, provides, regenerates, and comforts. (Jesus:) -I show to you this absolutely invincible vehicle!-The key craft, energy station of My key power. ...The key crafts are for use by those who follow and obey Me and use key power in their lives. This gift is for those who live in My Word by reading, absorbing and applying My Words. The outer corridor of the key craft transports spirit beings and helpers that are ready to assist you in any way you need, especially whenever danger is near. Not one of Satan's evil followers is a match for these helpers. The key craft transports the might and power

and energy of the keys. It is spiritual...and it is to assist you in these Last Days. The chimes signal you to walk in vigilance and prayer. At the same time they give you peace, knowing that the keys are with you and are at your command...The keys sing you a new song-a song of power, strength, and courage, a song of comfort and faith, a song of victory of the Last Days. The keys go before you. You are never alone. Acknowledge the keys in all your ways and they will lead you. They will chime in your ear, warning you of danger spots, signaling you which direction to take, giving you checks of My Spirit ...When you call on the keys, you rev up the engines of the key craft, setting it spinning, releasing in great force its energy to destroy all evil. There are many, many key crafts. They go wherever the power of the keys is needed and called upon.

++ The Blafinour – Is a stone, a link to the supernatural that and links our spirit more firmly to Him. He will bring it all back to our remembrance when it is time.

++ The Garden of Sickness – (Jesus:) Welcome to this special garden. This is a garden where I bring you, My lambs, when you need healing. I lay you down on the soft grass, in the middle of the beautiful flowers. I care for you here in your sickness with My love and tenderness. While you lie here, My ministering spirit helpers bring to you **My gifts for your healing**...As you absorb the Word while you are sick, I'm able to make you stronger and happier in spirit...As you pray for others, I send you My healing power as well...I teach you to have compassion for others through your

sickness, which makes you want to reach out and help others more... Great power comes from humility. It gives you spiritual strength that will carry you forward and on to many victories. The Holy Spirit loves to come to you when you are sick. She surrounds you with Her motherly love... through the Words I speak to you ..also...through the loving deeds from your parents, brothers and sisters, and friends. I never forsake one of My lambs that is sick. Even when I don't heal you right away, I am always there to comfort and soothe and to ease the difficulties of your sickness. When you are healed and are able to leave this special garden, you will look back and thank Me for the spiritual gifts you received during this time. You will see that not only was your body healed, but your spirit was strengthened through the refreshing time you spent in the garden of sickness. You will see that your time spent in this garden was a beautiful gift, lovingly presented from My hand.

++ The Crown of Life – (Jesus) “He that endures to the end shall receive a crown of life. This is not salvation, but a unique crown... Each crown of life *carries with it the very spirit of the Father* Who gives life, power, wisdom, strength, and so much more. It is a reward desired and treasured... by all within the spiritual realm. It is a reward given to those who, although they may stumble and fall at times, yet they refuse to stop. They refuse to let go. It is the reward given to those who continue day by day, doing what they can to choose the path they sense Me showing them.

Each day that the children of David continue to move forward as one into the fray, into the smoke and heat of battle, is one day closer to their crowns of life.

In the days of darkness ahead, that crown of life held out before you will be a source of vision, joy and conviction. There will be times when there is no strength left, yet **you will look up and that crown will stir you to fight on.** As the days grow darker, **its light will shine the brighter.** This heavenly treasure **will become more visible to you as the End grows closer ...your spirit will perceive it.** It will challenge you when you are despairing. It will empower you when you have no more strength to give. It will spur you on when the mountains seem impossible to cross. But most of all **it will envision you when there is nothing your mind can comprehend or your eyes can see that gives any hope.** All that each of you has to do is get up in the morning and set your heart not on what you have to do in the flesh, but set your heart on that crown and nothing else will matter. Nothing will be able to defeat you.”

++The Heavenly Storage Vault for Miracles: In Heaven there is a special storage vault for miracles **in answer to proactive prayer.** This is no ordinary storage place, because it has within it an elixir that keeps the vault constantly full to the brim with miracles ready to be released. There is never, ever a shortage of miracles. I pay special attention to this vault, and I often visit there to check on the state of things, and when I see the miracles being quickly

replenished, I am delighted, because that means there have been many miracles sent to the aid of My praying children. The more action I see in the vault, the more movement with miracles being re-created, the more I know that you are praying, seeking, and believing. I have more miracles than you can imagine, and you can never use them all up or exhaust the supply. I'm not stingy with miracles; I don't dole them out little by little, lest I run out. I'm the exact opposite. I would prefer to fling open the doors of the vault and have the miracles pour forth freely and quickly. But I have limited Myself to working on a "cash and carry" basis. You bring the "cash," which is your prayers, and My angelic bearers carry the miracles right to your door, special delivery. So be wise and make your orders today. Order in advance. You have unlimited "cash" in your wallet, so pull it out: Pray, and keep the miracles coming!

Customized Keys

Hiking stick: Use the key of hiking stick to keep your spiritual balance during times of pioneering new and unexplored territory. As the hiker uses his stick as a support and for safety, so will your times with Me be a support and safety measure as you venture into new territory for Me.

Bobsledding: Call on the key of bobsledding when your day looks more like a high speed race than a day of prayerful counseling and feeding your sheep. Things

may have to move along at a quicker pace than you were hoping for, but as you shoot through the track of My will for the day and let Me direct your bobsled, this key will give you a calm and focus that will enable you to make the fine adjustments that are needed to keep you on track, completing the race every time.

Strength: Simply say, “Become a part of me, key of strength.” As you rest, I will uncork the “bottle” of the key of strength and I will refresh you—physically, mentally, emotionally, and spiritually. You might not feel like you have been rejuvenated, but once you have called on this key, My strength will become a part of you, and through faith you will begin to feel and act on that strength.

Family's...All gifts of the spirit, all power, all wisdom are yours for the asking! Visions of never-before-seen places in the heavenlies, deeper understanding of the workings in the spirit, are all available to you. The Lord has promised to give all to those who have given their all to Him, and to those who hold nothing back--and you, my queen, have done just that! ”

(Jesus) Merlin has helped you from the beginning. He helped your David uncover mysteries of the spirit long before your David knew who was helping him. He has helped you ever since, guiding you in the realm of the mysterious and unexplainable. He loves it! He was a true character on Earth, but the legend of his presence came more from the times he appeared from the spiritual realm and from the testimony of those who had contact with him through the veil than from anything he did on Earth. He went to Earth mainly to learn about the limits of the physical world so that he could teach and instruct My children in how to overcome them. He knew he needed that personal experience in order to be a better helper of the spirit, and so he lived a life on Earth and experienced many things which helped him to be more understanding and aware of all that you go through. He is dedicated to helping you, My loves. This is what he has prepared and trained for--these Last Days, when there will be much that is inexplicable, but which cannot be ignored or neglected. You must learn to use even those things you cannot understand. The spiritual realm is merging with the physical in a way that has not been since the creation of the world. And Merlin is one of your personal guides

and instructors, who will help you to learn and use the power of the spirit to accomplish My will.

+ Merlin's Hat – (Jesus:) It's one of the wonders and marvels of the spirit world, which has been in existence from the beginning... its power and mission is to be activated as never before in the days to come. Merlin's Hat has been given to Maria. Its power is in her hands. ...And you, as her followers and flock, also possess this awesome power, one of My wonders of the universe... Merlin--as custodian and keeper of Merlin's Hat--will guide you into all truth, into a deeper understanding of the workings of the spirit and spirit world. Through claiming the power of the keys, in the spiritual realm you will be looking through the small opening of this "hat" and seeing the wonders it will reveal to you. It's a supernatural transporter with many "windows"; a time and dimensional shifter of sorts; a spiritual "telescope" helping to guide you in communicating and understanding more of the mysteries of My world, so you'll be able to see, understand, and utilize many more wonders and realities of the spirit.

++ The Pavillion of The Power of God – "I see a round enclosure...within this enclosure is a bright source of light and power. The stream of light begins from a cone-shaped base in the floor, and sweeps down from the enclosing wall to this cone. The cone doesn't have a top. The light shoots straight up in a gentle flow. ...The energy stream goes straight up, as if these rings were its conduits, and my eyes follow its flow till I can't see

any more. Around the conduit is a cloud of deep purple and blue. It swirls around and around, forming a cone shape as it ascends. This must go for miles, because even though it's straight up, I can't see the end of it... (Jesus:) There are many such powerhouses. This is the smallest and weakest of all of them. What you see here is the life's blood for an entire civilization within My Kingdom. My Father powers this civilization with the Words He speaks from His mouth. His thoughts are the air that this culture breathes. They exist by His power. It is their life, and without it they would have no energy at all. This shows you the magnitude of My Father's power and the power of His Words. You may think that the Words you hear from Me or your spirit helpers are just direction and counsel. But the truth is, these Words are backed by more power than you can imagine-immense power! That's why *there's such great power in claiming My Words*. My Words are the power of the spirit world. Without these Words there would be nothing; the universe would be empty. There would be no universe. The force with which I back up My Words to you is great. My power is great! Claim My power in your life today and do the impossible... Are you connected to the Power of God? You have connected if you are using the keys of Heaven!

++ The Heavenly Key Craft – Protects, guides, provides, regenerates, and comforts. (Jesus:) -I show to you this absolutely invincible vehicle!-The key craft, energy station of My key power. ...The key crafts are for use by those who follow and obey Me and use key

power in their lives. This gift is for those who live in My Word by reading, absorbing and applying My Words. The outer corridor of the key craft transports spirit beings and helpers that are ready to assist you in any way you need, especially whenever danger is near. Not one of Satan's evil followers is a match for these helpers. The key craft transports the might and power and energy of the keys. It is spiritual...and it is to assist you in these Last Days. The chimes signal you to walk in vigilance and prayer. At the same time they give you peace, knowing that the keys are with you and are at your command...The keys sing you a new song-a song of power, strength, and courage, a song of comfort and faith, a song of victory of the Last Days. The keys go before you. You are never alone. Acknowledge the keys in all your ways and they will lead you. They will chime in your ear, warning you of danger spots, signaling you which direction to take, giving you checks of My Spirit...When you call on the keys, you rev up the engines of the key craft, setting it spinning, releasing in great force its energy to destroy all evil. There are many, many key crafts. They go wherever the power of the keys is needed and called upon.

++ The Torch of David's Revolution - Will burn, burn, burn—lighting your way, guiding you, protecting you, shielding you from all harm as you finish what I have begun on Earth, as you love and win and see each of My Own safely back into My fold.

++ The Golden Key Ring of Prayer – ‘I have placed in your hands the golden key ring of prayer. On the ring are many keys. There is a key for every problem, a key that will unlock for you every solution that you will ever need in life. These are the keys of power prayers. To be the keepers of these keys is not to be taken lightly. Truly it is a high honor, a priceless privilege to be the holders of these prayer keys. As you use these prayer keys to unlock the doors that stand before you, there will be no difficulties you cannot surmount, no obstacles you cannot overcome...as you put these keys to continual use in your life you will never be in want; you will never be destitute; you will never be found lacking. With these keys there are no boundaries for you. There are no restrictions, no controls as to what I am able to do for you...with these keys I give you authority to alter any situation. If you use them to open the doors in proper sequence and pray with intensity, all the forces of Heaven and Hell are at your command...pray without ceasing in everything you do. For as you continually use these keys...power is given to your hands over all the world.’

++ The Keys turned to Swords - The Family members always overcome whatever obstacle stands in their way as long as they focus and signal for help!... a set of golden keys appears...They extend their arms and as they do the keys transform into a huge sword that is glowing so brightly, as if edged with fire!... It's right there at their fingertips. They start wielding this

weapon, and it does whatever they need. It stops enemies. It can hold back the weather, or it can bring raging storms, earthquakes, volcanoes, tornados, terrible lightning and thunder upon the wicked and those who fight against God's people! It heals the sick... It releases captives... The swords can be used to blind the eyes of the authorities. The swords bring supply. Huge floodgates are being opened, and food, clothing, and needs are flowing out... Then they flip their huge fiery swords ... throw them up in the air ... and as they catch them, the weapons turn back into beautiful golden keys, several on one key ring, and these keys just slip right into their pockets. The keys are always with them. They then raise their arms in praise and thanks to the Lord, giving Him all the credit and glory. (Jesus:) "Reach out by faith to use the keys! Use the keys to guide others through the Endtime. Practice using this powerful gift of the keys and you will become masters at turning them into swords."

The keys go before us.

BIBLE VERSES

- **PSA.146:2** While I live will I praise the LORD: I will sing praises unto my God while I have any being.
- **PSA.100:2** Serve the LORD with gladness: come before his presence with singing.
- **PSA.150:2-6** Praise him for his mighty acts: praise him according to his excellent greatness. Praise him with the sound of the trumpet: praise him with the psaltery and harp. Praise him with the timbrel and dance: praise him with stringed instruments and organs. Praise him upon the loud cymbals: praise him upon the high sounding cymbals. Let every thing that hath breath praise the LORD. Praise ye the LORD.
- **COL.3:16,17** Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord. And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him.
- **2CH.20:20b,21,22** Believe in the LORD your God, so shall ye be established; believe his prophets, so shall ye prosper. And when he had consulted with the people, he appointed singers unto the LORD, and that should praise the beauty of holiness, as they went out before the army, and to say, Praise the LORD; for his mercy endureth for ever. And when they began to sing and to praise, the LORD set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.

MUSIC

ENEMIES

- + Pan – The arch-demon whose aim is to gain control over the mind. who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. System music is one of his vehicles allowing him entrance to the mind with music that is not filled with Jesus' Spirit, but rather Satan's words, chords, and propaganda. If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word. The written Word will send Pan screaming!
- + Oplexicon – Is an evil Archangel and image assigned to fight David, who seeks to oppose, deny and entangle the truth and answers of God.
- + Arakan – Is a chief Demon of confusion, depression and discouragement. He is the muddler of channels, the clouder of minds and confuser of thoughts.
- + Sensi (Slime) – Do their utmost to give us numbness to the Lord's touches of love and to the voice of the Spirit.
- + Bacchus – Fat prince of addictions and eating disorders. He also causes you to get your eyes on the things of this world, and your attention and focus away from the things of the Spirit and from doing His will. Internet is one of Bacchus' great lairs in which he will try to ensnare you. His nemesis is loving Jesus intimately!

A FEW KEY PROMISES

- ⦿ The keys are activated by your obedience, so proceed as if possessing, claiming their power each step of the way. Then, like the priests who carried the ark into the river, and as their feet touched the waters the water parted, so will it be done for you. The river of troubles, trials, and difficult situations will part, making way for you to cross on dry land.
- ⦿ Tenaciously cling to the keys of **perseverance** and **faith** when you don't see much progress for your efforts, and in time you will see tangible results that will be worth more to you than any sacrifice.
- ⦿ Don't hold back, hesitate, or fear. Step out by faith to obey My voice, to fulfill My calling in your life. It feels like you're taking a leap off the edge of a cliff, but the power of the keys is your parachute and will not let you fall or fail.
- ⦿ The keys of **fruitfulness** will cause your work to flourish, no matter how small it may seem.
- ⦿ You don't have to do it. Call on the keys of **the desire to do My will**, and I will do it through you.
- ⦿ Claim the keys, think heavenly thoughts, surrender to My Spirit, and you'll obey My will.

He will give you a mission, a calling that will change your life and make you a blessing to others. Look to me, the little maid of Orleans, who didn't have any education, who couldn't read or write, but who was able to change history because it was the will of God. I will give you courage, and I will help you to find your calling. Please call on me when you need help!"

Anytime, anywhere, at any hour, I count it an honor to help you, dear Family, in any way I can."
- * **Daniel** - (Jesus)'The prophet Daniel...has much advice and counsel that can help you, My Active Members, My chosen ones living among the world. He was fully dedicated in heart and spirit to Me and to his spiritual

calling. He lived a rich spiritual life and received amazing visions and messages from Heaven; yet he was serving day by day in the courts of a worldly kingdom...he is also available to give you advice, especially if you find yourself in a tricky or complex situation...He is on call to serve you.' (Daniel)'because we had determined in ur hearts that we were going to follow our God, regardless of what opposition we were to face from anyone, then each decision that we faced became easier and the path of our Lord's highest will became clearer as well...I am so thankful that I made each of those decisions to stay faithful and truth to my God. The reward is so much greater than any sacrifice I made in suffering for His Name's sake that there is absolutely no comparison.'

* **Rebekah** – (Jesus)'Rebekah ...will help you to have that same spirit of love for others in your prayers. *Her ministry of prayer taught her patience as she waited for the best results to arrive from Heaven.* She developed a *deep and intimate bond with Me*, and she will pass that on to you as you call on her...You will sense her spirit of humility, her deep faith, her motherly conviction and love to never let go , but to hold on and do whatever it takes to receive the best from Heaven.'

* **Amy Carmichael** – 'The work isn't a pretty thing to be looked at and admired. It is a fight. And battlefields are not beautiful. But if one is truly called of God, all the difficulties and discouragements only intensify the call. If things were easier, there would be less needed. The greater the need, the clearer the call rings through one, the deeper the conviction grows: It was God's call. And as one obeys it, there is the joy of obedience, quite apart

from the joy of success.' (Amy)

'We shall have all eternity to celebrate the victories, but we have only the few hours before sunset in which to win them' (Amy)

* **Edward Judson** – 'Suffering and success go together.'

'You ask what is our policy. I will say, it is to wage war with all our might, with all the strength that God can give us... You ask what is our aim? I can answer in one word:

'Victory, Victory at all costs. Victory in spite of all terror. Victory however long and hard the road may be. For without victory there is no survival.' (Sir Winston)

* **Rev. J. Lampard** – '...the actual vigorous opposition of the powers of darkness, make it a real fight, and only men of grit, of courage, devotion, and infinite patience and perseverance, will win...the right sort of men, those who ought to volunteer, will be attracted rather than repelled by the difficulties.'

***Adam Clarke** – 1762 – 1832 . Theologian and writer who was perhaps the greatest Methodist since John Wesley. Clarke was converted in 1779 while praying in a field. He became a circuit-riding preacher in Wiltshire in 1782 and soon was traveling all over England. He married Mary Cooke in 1788. Clarke served in such places as the Channel Islands, the Shetland Islands, and in London (around 1805 on). He was president of the Methodist Conference three times, and also printed an Arabic Bible. His eight-volume *Commentary on the Holy Bible* (London, 1812-26) was the result of 40 years of labor. Clarke died at age 70 of cholera or plague. When asked if he was trusting Christ as he was dying, he said, “I do! I do! With all of my heart. He never failed me, and He isn’t failing me now. He’s fulfilling His promise to me and taking me Home. Hallelujah!” (*Adam:*) There was nothing that I would not do for the Lord. There was no place that I wouldn’t go for the Lord. The love of Jesus Christ constrained me and everything that I put my hand to, for He is the only thing worth living and dying for. I had a great vision to make available an in-depth study of the Word of God, and that’s why I wrote my commentary on the Bible. I felt that everyone needed the opportunity to have a deeper understanding of God’s Word, and at times this was achieved by explaining Biblical text in the terminology of the day. I know how powerful the Word is and how important the Bible is in guiding our decisions. I wanted to offer people the opportunity for further insight into the loving words of our Savior. I wanted people to be able

to have a diversity of devotional reading in order to give them the spiritual strength for whatever times or situations they would face. I knew the written Word of God could provide every man and woman in our country with the moral guidance they needed. Writing and research were only part of my work for God. The other part was that of doing my best to be a living example of the love of God. This I did through visiting my congregation, through prayer, through spiritual guidance, through helping the poor. I started preaching when I was 20 at the urging of John Wesley, and did not stop until I died. Many people were encouraged by a young preacher with the energy it took to maintain a circuit of several hundred miles. My mother was the one who ultimately deserves the most credit for my life's work, because it was her teaching that set my feet upon the right path.

***Afrikaner** - Around 1820, South Africa.

Hottentot chief in Namaqualand, South Africa. He was the sensational convert of Robert Moffat, a missionary to his region. Afrikaner was a robber and an outlaw, bringing terror to native tribes and colonists. To everyone's surprise, 20-year-old Moffat gained his confidence and won him to complete Christian dedication in 1815. Unfortunately, Afrikaner died before he could work extensively with his new friend. (*Afrikaner*:) My friends, the Lord can and will use anyone who comes to Him and yields their life and spirit to His will. I was a wholehearted person. Whatever my hands found to do, I did it with all of my might. Unfortunately, in my early years I used this gift

for evil. But God called me and I followed, and He was able to use me, albeit for a short time, to do much for Him. Many people were angry with me for the bad things I had done when I was chief. They wanted my head. Moffat brought me Jesus and I became a better man. Others could see that I was better, that I was no longer trying to hurt others, so they stopped trying to kill me. They were happy when I came to their village with the words of Jesus. I traveled by foot with Moffat, far to the north, to tell people about Jesus. (*Jesus:*) I used Afrikaner to show all those who knew him personally, or who had heard about him, that you can never be too bad for Me. Robert Moffat was also greatly encouraged through seeing the transformation of this man. Afrikaner's conversion was such a great strength and encouragement to Robert that, during his toughest moments and greatest tests, I would often remind him of the miracle that had come about in Afrikaner's life. Afrikaner helped to motivate and inspire Robert to never lose faith that anyone could be won to Me. In many ways, Afrikaner lived out his life through Robert, and he shares in his rewards because of the way he was so instrumental in helping Robert to fulfill his mission. In My eyes, the role Afrikaner played was a great one. When you inspire the heart of another to shine brightly for Me, you will share in their reward. Afrikaner had a role to play while he was on Earth, and he played that role well. He came to Me in such humility of spirit when he accepted Me and when he confessed how much he needed Me. Many were converted after hearing of his transformation; even

many who had only heard briefly about him.

***Eliza Agnew** – 1807 - 1883, Missionary to Ceylon, which at that time was a British colony. In 1840, Eliza was the first single woman missionary to the area. She was head of the boarding school for girls at Oodooville for nearly 40 years, and never returned to the U.S.

Miss Agnew, a woman of prayer, concerned with the spiritual welfare of her students, was known as “the mother of 1,000 daughters.” Former students living in every corner of the world prayed for her when she was stricken with paralysis. (*Jesus:*) When Eliza forsook all, she really forsook all. She gave her all to her field, pouring into it every last drop of service she could. She gave her life on the altar of service. She knew she had a mission and she pursued it with such vigor that rarely had a woman of God been referred to with such reverent awe. Her secret was keeping her hand on the plow and reminding herself constantly of her mission. Keeping her eyes on the goal saw her through countless difficulties and obstacles. (*Eliza:*) God told me that He wanted me to be a missionary for Him when I was eight years old. Yes, I prayed and heard His voice when I was that young. My prayer life was one of my joys. In Ceylon, I visited my pupils long after they had graduated in order to teach them the value of prayer. Hundreds of girls came to know Jesus, and all it took was me living among them and teaching them. I had to wait for a while before I could fulfill my dreams. First I had to take care of my parents, but when they both died, I was free to leave New York for Ceylon. Going to the mission field was a happy day,

and each day after was even happier. I never married, but my girls, along with their families, and of course Jesus, were enough to make me very happy.

***Oscar Ahnfelt** - 1813 -1882, Sweden's spiritual troubadour (wandering singer). Ahnfelt was an evangelical Lutheran Pietist* lay preacher, hymn writer, and guitarist who began to travel as an evangelist, using both music and preaching to minister to those assembled. He composed or arranged the music for all of fellow Pietist Lina Sandell-Berg's hymns, singing them throughout Scandinavia. She wrote that Ahnfelt had sung her songs into the hearts of the people. The state church opposed pietistic hymns and tried to silence Ahnfelt by forcing him to sing before King Karl (Charles) XV (reigned 1859-72). Following is an excerpt of the song that Oscar sang to King Karl XV. The king reportedly listened with moist eyes. When Ahnfelt had finished, King Karl gripped his hand and exclaimed, "You may sing as much as you desire in both of my kingdoms [Sweden and Norway]."

Who knocks upon your heart's door this peaceful eve? Who brings to the wounded and sore the balm that can heal and relieve? Your heart is still restless; it finds no peace in Earth's pleasures. Your soul is still yearning; it seeks release to rise to the heavenly treasures.

Ahnfelt is well known for composing music for the hymns "Day by Day" (1865) and "The Sign of the Cross." *

(Pietism: A German Protestant movement in the 17th and 18th centuries that changed the focus of Lutheranism from ritual and church government to personal piety [devotion]. It was founded by Philipp Jakob Spener.) **(Jesus:)** **Music is a magical medium and tool that can unlock the heart of man and open doors in order to win the world.** Never **underestimate the power of music.** Oscar used music to reach the world of his day. His songs have helped to open the hearts of many. He and his music were so effective because he opened his heart fully to Me and expressed his praise and love. **Praise is indeed powerful,** and Oscar's story is a testament to that fact. **His songs were inspired by his personal times of communion with Me,** and I in turn inspired and motivated him to share these songs with others. At first it was a little embarrassing for him. He had to be willing to be a fool for Me, in a sense, but he was willing, and through his songs he helped to change the world of his day. It all started in that quiet time of devotion that he spent with Me. **(Oscar:)** It takes both good lyrics and good music to make a good song. I loved to write music. I could hear melodies almost all day long. But I could not always write captivating lyrics. Lina wrote beautiful lyrics. She said the people listened to her songs because the music I wrote captured their spirits. And all of this was done on my homemade guitar. Music can open doors and speak to the hearts of the influential. It can reach their hearts.

***Anne Cutler:** 1759 - 1794, Prayer warrior. Anne was used to bring revivals in the mining and weaving

towns of northern England. Revivalist William Bramwell credits her intercessory prayers as a vital part of his endeavors. She was converted by him. She would pray from midnight to 4 or 5 a.m., making intercession for the religious society, the preachers, the church, and herself. Her last words were, "I am going to die. Glory be to God and the Lamb forever!"—And at 35, she was in Heaven. (*Anne:*) Salvation was a dramatic event for me, being born anew of the living Spirit. William's preaching woke me up and I wanted to work with him in order to reach others, just as I had been reached. I determined to channel God's attention to William's ministry through prayer. By daily dying to myself through the sacrifice of private and public prayer, I helped to give His eternal life to many. I was a shy woman, but I knew I had to overcome shyness if I wanted God to use me in any type of preaching work. I worked the loom as a weaver, and that's where I practiced speaking to people, praying for them, and eventually I found that I could speak and pray with His divine help. The congregation didn't take too well to my lifestyle of prayer, of rising early, of eating little, basically devoting myself totally to Him. Ruffians would turn up constantly to taunt me and try to disrupt our prayer meetings. I would pray for them, and many of them eventually accepted Jesus. I visited the sick and prayed for them, many of whom were either healed or comforted. Prayer did the work that no human could do in the lives of thousands. At times almost a hundred would come to Jesus in a prayer meeting, all glory to

God! If you pray for others, God's hand works mightily in ways that only He can. No one is beyond help; everyone can be reached in God's time through prayer. I did not feel smart or sharp or skilled. My life was as regular as a commoner's life could be. I told this to my Jesus, when I knew that He had called me and requested my service. His reply? "Anne, I do not need a smart, sharp, or skilled woman for the job at hand. There is a vacant plow on the field and I need someone with hands who can hold it, with feet who will walk with it, and with enough love in their heart to do this for Me." Then He asked me, "Have you got hands?" and I looked at my hands and without knowing the manner of service, replied, "Yes, that I do, and ten fingers to boot." "And do you have feet?" He inquired again. "Yes, I have feet with toes to match the number of my fingers." "And do you have enough love in your heart to take up this plow for Me?" Oh, at this I wept, for I loved my Jesus more than health or wealth or life itself. "Then, Anne," He replied, "you are just the woman I need." "But, my Lord, what plow is this that is vacant? What job is left unattended?" And as loudly as thunder, He replied, "The plow of prayer." Then I knew that the ministry of prayer was to be my cherished plow all the days of my life, and oh, how I rejoiced!—For this I could do, as simple and lowly as I was! I knew that I would do all within my power to make my Jesus proud that He had chosen me for the job. I determined to never let go of this plow.

***Henry Appenzeller:** 1858- 1902, Pioneer Methodist missionary to Korea. Appenzeller married Ella Dodge on December 17, 1884, went to Korea in 1885, and in 1887 founded Chongdong First Methodist Church (Bethel Chapel), Seoul, with Korean leadership. He served as pastor until his death at age 44. He founded Pai Chai Hak Dang, the first modern Western-styled school in Korea and the predecessor of present-day Pai Chai University. His daughter, Alice, was the first American child ever born in Korea. He helped to translate the Bible into Korean, opened a bookstore in 1894, wrote many tracts, and published the *Korean Christian Advocate*. Korean culture and religion were valued by him. He died when a boat, the Kumagawa, taking him to a Bible translation meeting in Mokpo, collided with a Japanese vessel, the Kisawaga, off the western coast in a fog. He lost his life in an attempt to save his Korean translation assistant and a Korean child entrusted to his care. (*Henry:*) You are no fool to give your life in love for the lost of the world. I loved the Korean people! They were fiery, passionate, and in need of Jesus. Each culture has its distinct characteristics, but they all have one common need—Jesus. I knew if I could reach the people of Korea with the written Word in their language, and humble myself to take on their culture, that my witnessing would go a lot further than if I tried to make them conform to my culture. If you love the people of your field, learn about their culture and adapt your attitudes and mindsets to accommodate them, you'll go a lot farther in your efforts to win them to the Lord. Don't make

fun of their differences or what you may perceive as inadequacies. My wife and I raised our five children on the mission field. I traveled throughout the land on bicycle, horseback or by foot preaching the Gospel. Many of the lower class could not read, and the upper class wrote only in Chinese. I discovered that Koreans traditionally educated only their sons. I felt called to open a school to teach people to read. But first I had to learn the language, both in order to teach and to continue preaching the Gospel. This occupied about five hours daily, but eventually I could speak to the Koreans in their language, as well as help with the translation of the Bible. Eventually I opened a school. Our main “textbook” was the Bible, which the students read tirelessly.

***Asahel Grant:** 1807-1844, Missionary (physician and explorer) to the Assyrian Church of the East in Persia beginning in 1835, at a place called Urmia with ABCFM (American Board Commissioners for Foreign Missions). Prior to his interest in missions, Grant practiced medicine in Utica, NY. He married Electa Loomis on August 23, 1827, and later in 1835 Judith Campbell (1814-39). His second wife and twin daughters died in 1839. Grant gained the confidence of the Persian officials, which allowed him to be able to do much for the Persian people. He spent the last ten years of his life ministering in Persia. After the massacres of 1843 when the Turks killed thousands of Assyrian Christians he settled in Mosul. Grant died at age 37 during an epidemic among the refugees.

(Asahel:) What allowed me to stay in Persia and to remain in good standing with the men and women I was trying to reach was that I had friends who supported me, although they may not have believed and lived as I did. In this day and age, you will need the support and strength of many. Although they may not agree with you on all things, you will need their talents, their skills, and their resources. In order to win the world, you must collaborate—that is a key principle. Because the Lord knows that you will need this kind of support and backing, He will be faithful to send such people across your path. So be open, and be prepared for His nudging of the spirit; these people will be a help to you and your work. Together, you will win many to Him. Christ's words tested, tried, and yet comforted me. "He that forsaketh not all that he hath is not fit to be My disciple." I returned to the Lord, my wife, my children, and my health, and even though these were great sacrifices, I knew that reaching the hearts of the Kurds and the people of this ancient Christian denomination was my calling. The Assyrians, or the lost tribes, as I called them, didn't resemble Christians when I first began my ministry. They were swindlers, murderers, and generally unscrupulous, all of which they considered par for the course of life. There was a lot of work to be done, and I plodded along day by day and made slow inroads into these wrong mindsets. My spirit and mind were willing to meet the task, and I thank God for my medical education, which opened a way for me to befriend the governor and thus be accepted. My friends wondered

why I was so keen on ministering to the Persians, of all people, when I could have had a good congregation at home in New York. It was just something that I knew I was meant to do. There were days when every bone in my body ached from long horseback journeys, and when my stomach ached from eating the local foods, but oh, my heart was happy.

***Barnabas Shaw:** 1788 - 1857, Wesleyan missionary to South Africa who joined the Methodists and was employed as a local preacher. Shaw married Jane Butler in 1815. In 1816, he went to South Africa, where he preached without government approval. He was also opposed by the Anglican and Dutch Reformed Churches. Shaw then went 400 miles inland and established a thriving mission. This was in the present-day Langsberg Mountains, on the border of Namibia. Shaw taught the people for 21 years, returned to England for six years, and then returned to Africa for 14 more years of missionary service. (*Barnabas:*) I found that as long as I had singleness of purpose and did my best to focus on my mission to preach the Gospel and to bring salvation to the heathen lands I walked in, I won the hearts of many. I was able to gain their respect with the earnestness of my intentions. I tried to keep all that I said and wrote as simple and to the point as I could in order to reach even those with the simplest of understanding. I believe this helped to bring about much beautiful fruit across all types and classes of people. I experienced many perils in Africa, and each one gave me greater faith for the next. So

many marvelous interventions of our Lord's mighty hand to miraculously change dire circumstances led me to acknowledge His providential care in a very personal way. He said, "Even the hairs of your head are all numbered." I was living proof of that. My vision was to work among the slaves, those whom I felt needed me the most. I prepared for this by learning Dutch, which was their language. It took years to build this work, because at first I was refused permission to work among the slaves for fear that it would offend the slave owners. I started my ministry with a tribe that I knew would face extinction if they did not modernize. My wife and I traveled by ox cart, and lived in a hut with boxes for furniture. I taught them agriculture, how to grow vegetables, make butter, soap, candles, etc. Eventually, the tribe was able to produce enough for trade. We also taught them about Christ, of course, which was my mission. Some went on to become local pastors and teachers, helping to spread the love of Christ. My work took me to other parts of Africa, and God's hand was upon my efforts.

***Bartholomew Ziegenbalg:** 1683 - 1719, First German Lutheran Pietist missionary to India. A group of frightened children huddled around their mother's bed in a dark little room in Germany. Among them was a bewildered four-year-old boy about to become an orphan. As he listened, his sinking mother whispered, "My dear children, I have a great treasure for you." "What is it, Mother?" asked an older sister.

The woman pointed to the Bible. “Seek it in the Bible; there you will find great treasure. I have watered every page with my tears.” With that she died. The family was broken up, and little Bartholomew Ziegenbalg went to live with sympathetic friends in Halle. He never forgot his mother’s words, and at age 12, he claimed Christ as his Savior. At 18 he graduated from the university in Halle with honors. Lutheranism in Germany had been rekindled by a revival known as Pietism*, and King Ferdinand of Denmark had been stirred. He appealed for missionaries for the Danish possession of Tranquebar on the southeastern coast of India. Ziegenbalg heard the call and presented himself. Scarcely anyone saw him off at the dock, and the trip to India was long—seven months, twenty days. He arrived in India on July 9, 1706, and was promptly imprisoned. Ziegenbalg, however, had a motto: *Ora et labora*—pray and work! Even in prison, he labored at learning the Tamil language, and as soon as he gained his freedom, he began sharing Christ. Within a year he baptized five slaves in the first Protestant baptismal service ever held in India, and soon the first Protestant church for nationals in India was dedicated. By 1711 Ziegenbalg completed the translation of the New Testament into Tamil, along with Luther’s catechism, a Danish liturgy, and some German hymns. His health failed after 13 years, and he died in Tranquebar in 1719 at age 35, leaving 350 converts to mourn his death and continue his work. If William Carey is the “Father of Modern Missions,” perhaps Ziegenbalg should be called its Grandfather, for he served

faithfully in India nearly a generation before the Moravian missionaries left Herrnhut and nearly 100 years before Carey.

(Bartholomew:) When I stopped trying to impose my religion and culture on people and instead learned their customs, I was befriended. I didn't dwell on the negative, like the caste system, but emphasized the good qualities that their culture had to offer. I learned Tamil and translated the Scriptures. I changed my wardrobe for theirs. One of the local men was eventually responsible for helping to build my first church, as well as financing the translation of the New Testament into Tamil. I initially met his slave, whom he was punishing for running away. When his slave told me why he was being punished, by being tied to a pole, in spite of my initial concerns about speaking to his master, I knew that I had to. His master welcomed my explanation that God has no favorites, but loves all mankind. He eventually freed his slave. Both men were converted and went on to convert others.

***Billy Bray:** 1794 - 1868, Flaming Methodist evangelist. Bray's early life was given to drinking and smoking. At age 29, he was converted while reading John Bunyan's works. Bray began his evangelism in his hometown in Cornwall, and soon was preaching to fellow miners, often being ill-clad, hungry, and sleeping outdoors. His enthusiasm was unparalleled. He would run, clap, and shout "Glory!" The

countryside was soon aflame with revival. He died at age 74 in the same house in which he was born. He once said, “I work for a great company … Father, Son, and Holy Ghost!” (*Jesus:*) Billy’s daily enthusiasm for Me was a witness to the miners and everyone that he encountered. No one disputed that a change for the better had come into his life. His praiseful spirit lifted others’ spirits. His wholehearted joy in Me seemed odd to some; to others it was just what they needed to become joyous in Me. I used his joyful spirit to stir up hope in others that they too could have happiness and peace in Me, no matter what their circumstances. His out-of-the-box public witnessing method of joyful singing and shouting praise became a shining beacon and testimony of My love and the fullness of life found in My Spirit. Yours can, too. (*Billy:*) I never met a person without inquiring as to the condition of their soul. They say I had a shouting religion, because I was always shouting praise and testifying for Christ. I lift up one foot and it says, “Glory!” and I lift the other foot and it says, “Amen!” and so they keep on like that all the time I’m walking. When my wife died, I praised God. “Bless the Lord! My dear Joey is gone up with the shining angels!” The goodness of God made me glad even in times of sorrow. On my deathbed I asked the doctor, “When I get up there, shall I tell them you will be coming too?” If I were to go down to Hell I would shout, “Glory! Glory!” unto my blessed Jesus until I made the bottomless pit ring, and that miserable

old Satan would say, “Billy, Billy, this is no place for thee; get thee back.” Then up to Heaven I would go, shouting, “Glory! Glory! Praise the Lord!”

***Hiram Bingham, Sr:** 1789-1869, Congregational pastor and pioneer missionary to the Sandwich Islands (Hawaii), 1819. Bingham built the first church in Honolulu in 1831, called Kawaiahao Church. He pastored, created a written language for those to whom he ministered, translated the Scriptures in 1839, and became a trusted advisor to the Hawaiian King Kamehameha III. He later pastored a black church in New Haven, Connecticut. In 1847, he wrote extensively about his experiences on the Hawaiian Islands. Bingham married Sybil Moseley (1792-1848) on October 11, 1819 (her health forced their return home in 1841) and after her death married Naomi Morse on August 24, 1854. Hiram died at age 80. (*Hiram:*) There is one thing that you can be certain of, and that is that there will always be a mission field waiting for you if you are willing to acknowledge it. Hawaii was my life and my passion for many years. The need was obvious, the fruit was ripe, and the rewards were many. It took years of patiently teaching the Word of God, but we were rewarded. The chief and his favorite wife embraced Christianity and encouraged their subjects to do so, too. They taught people to follow the teachings of the Bible. I had to leave my beloved islands because of my wife’s health and return to our homeland. I could have left my heart and my love for souls back there. I could have

concentrated only on my writing, but I didn't. I knew the Lord expected more of me. I saw that there was a great mission field before me in New Haven. Never lose sight of the need to reach the lost. Wherever the Lord calls you to serve Him, the lost will always be there. There is always a mission field waiting to be pioneered if you are willing to look around and find out how to reap the harvest.

***Johann C. Blumhardt:** 1805-1880, Evangelist whose preaching drew large crowds with miraculous healings. Blumhardt was a teacher at the missionary institution at Basel, 1830-38. He pastored in Mottlingen, 1838-52. He was the first healing evangelist of note. Blumhardt spent the latter part of his life, from 1852 on, at Bad Boll, near Goppingen, until his death at age 75. There, he was instrumental in developing a center for missionary work and for victims of all kinds of illnesses. He purchased the royal watering place (spa), and sufferers from all ranks of society and many countries flocked there to be cured. (*Johann:*) Every day I asked the Lord to keep me humble. It was sometimes a struggle to remember that He was everything—the power, the light, the goodness—and that I was but a fragile vessel of clay. He helped me, though, and through sometimes embarrassing mistakes He would remind me that every good and perfect gift comes from above. I soon found that the best way to stay humble was to always be aware of Him near me. I would envision Him walking beside me, showing me what to do, hearing His

instruction in my heart when I faced decisions. I did not have a strong gift of prophecy like you in the Family have, but when faced with a decision, passages from the Bible would come to my mind. When I was not near Him, my faith would falter. In time, He truly became my all in all. My plan for the spa was that it would be a Christian retreat where people could be healed in body and spirit; where they could find the healing touch of our Savior from depression, divorce, illness, loss, etc. A woman whom the Lord had healed through the gift of healing that He had given to me became my assistant at the spa.

***George Borrow:** 1803-1881, Writer, linguist, traveler, and colporteur (distributor) of religious books. Borrow had a natural inclination for adventure throughout his 78 years of life. He became familiar with the habits and language of the gypsies in England and Spain. From 1827-40, and again in 1844 and 1854, he wandered on foot in Europe and in the East, working at times for a newspaper. He worked for the British and Foreign Bible Societies (1833-40) to distribute books in Russia (1833), Portugal, and Spain (1835-40). In 1840, he married and settled in England to write. Borrow prepared the New Testament in the Manchu language. He knew more than 20 languages, 7 of which he was fluent in by the age of 16. His writings range from *The Zincali* and *On the Gypsies in Spain* (1841), to *Romany Rye* (1857). (Jesus:) I took all of George's gifts, talents, and interests and used them fully. Many a time his interests and talents could have

led him down another path in life and away from My service and plan for his life. But he would time and again yield his life to Me, and I would then multiply his gifts and use his interests for My glory, and it paid off. He gave My words to many during his day who might not have had the chance or opportunity otherwise. He was one of My salesmen and messenger boys, and he did his job well. (*George:*) God gave me a fondness for people. I was keenly interested in everything about a person's culture, language, and beliefs. This interest propelled me to walk through several countries, including France and Germany, talking to people and sharing my love of the Bible. I wrote several books, all of which were influenced in some way by the book I loved best, the Bible. I believe people listened to me because God anointed my gifts for languages and conversation since I used them in order to witness. I had a wonderful life, which was like a grand conversation about God.

***Peter Cartwright:** 1785-1871, Methodist circuit-riding evangelist and frontier preacher who blazed a trail for 70 years through Kentucky, Tennessee, Indiana, Ohio, and Illinois, from 1803 on. Cartwright's family migrated to Logan County, Kentucky, in 1743, where he was converted at a nearby revival at a camp meeting in 1801. Nine children came from his marriage to Frances Gaines on August 18, 1808. He left Kentucky because of his distaste for slavery and went to Pleasant Plains, Illinois, in 1824 (the same year in which he was elected representative).

Cartwright was re-elected, defeating a little-known lawyer (Abraham Lincoln) for the Illinois state legislature in 1832. He later ran against Abraham Lincoln for the U.S. House in 1846, but lost. Stories relate how he rebuked the actions of General Andrew Jackson, beat up rowdies, and broke up wild dances. His horseback exploits were amazing, as he braved bandits, Indian attacks, hostile backwoodsmen and the wilderness. Throughout his ministry, he baptized more than 12,000 and preached more than 15,000 times.

(Peter:) When I faced the prospect of death at an early age, I told God I would commit myself to Him and His work if He would spare me. Thus, when I was healed, I set my face like a flint to convert and baptize as many as I could to Christ. The conditions that I was living in were hard, and the circuit on horseback was tiring and rough, but none of these things could get me down. My love for Jesus and my joy in the Lord were my strength in times of temptation and pain. I would remember what the Lord had done for me, and that was more than enough to renew my vigor and give me the energy and inspiration I needed to keep going for Him. All that I went through or suffered—even the death of my youngest daughter—was bearable for the cause of My Savior. It was nothing compared to the joy and love I received when I came Home to my Maker and Lord. I would give my all again in a second if I had the chance.

Because thou hast rejected the Word of the Lord. He hath also rejected thee from being king.
- **MAT.7:24,25** Therefore whosoever heareth these sayings of Mine, and doeth them, I will liken him unto a wise man, which built his upon a Rock: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a Rock.

++ **The Pavillion of The Power of God** – “I see a round enclosure...within this enclosure is a bright source of light and power. The stream of light begins from a cone-shaped base in the floor, and sweeps down from the enclosing wall to this cone. The cone doesn't have a top. The light shoots straight up in a gentle flow. ...The

energy stream goes straight up, as if these rings were its conduits, and my eyes follow its flow till I can't see any more. Around the conduit is a cloud of deep purple and blue. It swirls around and around, forming a cone shape as it ascends. This must go for miles, because even though it's straight up, I can't see the end of it... (Jesus:) There are many such powerhouses. This is the smallest and weakest of all of them. What you see here is the life's blood for an entire civilization within My Kingdom. My Father powers this civilization with the Words He speaks from His mouth. His thoughts are the air that this culture breathes. They exist by His power. It is their life, and without it they would have no energy at all. This shows you the magnitude of My Father's power and the power of His Words. You may think that the Words you hear from Me or your spirit helpers are just direction and counsel. But the truth is, these Words are backed by more power than you can imagine-immense power! That's why *there's such great power in claiming My Words*. My Words are the power of the spirit world. Without these Words there would be nothing; the universe would be empty. There would be no universe. The force with which I back up My Words to you is great. My power is great! Claim My power in your life today and do the impossible... Are you connected to the Power of God? You have connected if you are using the keys of Heaven!

++ The Heavenly Key Craft – Protects, guides, provides, regenerates, and comforts. (Jesus:) -I show to you this absolutely invincible vehicle!-The key craft,

energy station of My key power. ... The key crafts are for use by those who follow and obey Me and use key power in their lives. This gift is for those who live in My Word by reading, absorbing and applying My Words. The outer corridor of the key craft transports spirit beings and helpers that are ready to assist you in any way you need, especially whenever danger is near. Not one of Satan's evil followers is a match for these helpers. The key craft transports the might and power and energy of the keys. It is spiritual...and it is to assist you in these Last Days. The chimes signal you to walk in vigilance and prayer. At the same time they give you peace, knowing that the keys are with you and are at your command...The keys sing you a new song-a song of power, strength, and courage, a song of comfort and faith, a song of victory of the Last Days. The keys go before you. You are never alone. Acknowledge the keys in all your ways and they will lead you. They will chime in your ear, warning you of danger spots, signaling you which direction to take, giving you checks of My Spirit...When you call on the keys, you rev up the engines of the key craft, setting it spinning, releasing in great force its energy to destroy all evil. There are many, many key crafts. They go wherever the power of the keys is needed and called upon.

++ The Windmills of Proactive and Targeted Prayers –
(Jesus) I need you to start the windmills of proactive prayer turning. I need the breath of your prayers to blow furiously and vigorously and consistently, to get these windmills churning and turning on your behalf. The windmills of proactive prayer are positioned all around the globe in every area, in every country... mega-powerhouses...on your behalf... This spiritual power and energy will seep into the lands and hearts and minds and spirits of individuals. It will soften hearts toward Me. It will get the wheels of financial supply turning. It will turn men's hearts and minds toward you. It will unlock doors for greater potential. It

will inspire kings and queens to want to support your cause. The goal is to flood the world with spiritual power through prayer, so that the soil will be ripe and ready for you to begin to reap the harvest when you step into the future. The idea is to let the windmills of proactive prayer and spiritual power do the tough work for you. (Peter) We need to apply the principle of proactive, targeted prayer today.

(Jesus) Take out the Enemy right here and now, before you even see him, through intercessory prayer. You're snipers, not machine-gunners. Make every shot count, and you'll get there much more quickly and easily.

***Anne Cutler:** 1759 - 1794, Prayer warrior. Anne was used to bring revivals in the mining and weaving towns of northern England. Revivalist William Bramwell credits her intercessory prayers as a vital part of his endeavors. She was converted by him. She would pray from midnight to 4 or 5 a.m., making intercession for the religious society, the preachers, the church, and herself. Her last words were, "I am going to die. Glory be to God and the Lamb forever!"—And at 35, she was in Heaven. (*Anne:*) Salvation was a dramatic event for me, being born anew of the living Spirit. William's preaching woke me up and I wanted to work with him in order to reach others, just as I had been reached. I determined to channel God's attention to William's ministry through prayer. By daily dying to myself through the sacrifice of private and public

prayer, I helped to give His eternal life to many. I was a shy woman, but I knew I had to overcome shyness if I wanted God to use me in any type of preaching work. I worked the loom as a weaver, and that's where I practiced speaking to people, praying for them, and eventually I found that I could speak and pray with His divine help.

The congregation didn't take too well to my lifestyle of prayer, of rising early, of eating little, basically devoting myself totally to Him. Ruffians would turn up constantly to taunt me and try to disrupt our prayer meetings. I would pray for them, and many of them eventually accepted Jesus. I visited the sick and prayed for them, many of whom were either healed or comforted. Prayer did the work that no human could do in the lives of thousands. At times almost a hundred would come to Jesus in a prayer meeting, all glory to God! If you pray for others, God's hand works mightily in ways that only He can. No one is beyond help; everyone can be reached in God's time through prayer. I did not feel smart or sharp or skilled. My life was as regular as a commoner's life could be. I told this to my Jesus, when I knew that He had called me and requested my service. His reply? "Anne, I do not need a smart, sharp, or skilled woman for the job at hand. There is a vacant plow on the field and I need someone with hands who can hold it, with feet who will walk with it, and with enough love in their heart to do this for Me." Then He asked me, "Have you got hands?" and I

looked at my hands and without knowing the manner of service, replied, “Yes, that I do, and ten fingers to boot.” “And do you have feet?” He inquired again. “Yes, I have feet with toes to match the number of my fingers.” “And do you have enough love in your heart to take up this plow for Me?” Oh, at this I wept, for I loved my Jesus more than health or wealth or life itself.

“Then, Anne,” He replied, “you are just the woman I need.” “But, my Lord, what plow is this that is vacant? What job is left unattended?” And as loudly as thunder, He replied, “The plow of prayer.” Then I knew that the ministry of prayer was to be my cherished plow all the days of my life, and oh, how I rejoiced!—For this I could do, as simple and lowly as I was! I knew that I would do all within my power to make my Jesus proud that He had chosen me for the job. I determined to never let go of this plow.

++The Heavenly Storage Vault for Miracles: In Heaven there is a special storage vault for miracles **in answer to proactive prayer.** This is no ordinary storage place, because it has within it an elixir that keeps the vault constantly full to the brim with miracles ready to be released. There is never, ever a shortage of miracles. I pay special attention to this vault, and I often visit there to check on the state of things, and when I see the miracles being quickly replenished, I am delighted, because that means there have been many miracles sent to the aid of My praying

children. The more action I see in the vault, the more movement with miracles being re-created, the more I know that you are praying, seeking, and believing. I have more miracles than you can imagine, and you can never use them all up or exhaust the supply. I'm not stingy with miracles; I don't dole them out little by little, lest I run out. I'm the exact opposite. I would prefer to fling open the doors of the vault and have the miracles pour forth freely and quickly. But I have limited Myself to working on a "cash and carry" basis. You bring the "cash," which is your prayers, and My angelic bearers carry the miracles right to your door, special delivery. So be wise and make your orders today. Order in advance. You have unlimited "cash" in your wallet, so pull it out: Pray, and keep the miracles coming!

HELPERS

- * **Shadow and his army** – Like a shoe sole they will always be stuck to them pricking them when going wrong, and helping them to come back to the light. Once this one is specifically called upon and "attached" to someone in spirit through prayer, he will always remain, just as surely as one cannot remove their own shadow. In the spiritual realm, his mere presence beside one of My children is enough to send Obtherion and his putrid pride cowering and slithering away in ignominious defeat.
- * **Faithful** - She and her band of helpers work to touch the hearts of the former members.
- * **Ellya** – Pleads with them to come back to Jesus.

(‘A circular ball of incredible light and power. infinitely purer and more powerful than the sun, and this light reaches into my soul and spirit.’)
- * **Dancing Angels of Kindness (Fairies of Goodness)** – “Bring (your loved ones) peace, rest and encouragement... The Angels are by your loved ones on every side. They whisper sweet words of love. They wave their magic wands of gladness. They touch them with the sparkle of My Spirit. This gives them a beautiful glow. These angels are sent to give healing and strength. They are My doves of anointing. These angels are fairies of truth. Your prayers are changed into treasures. I send My fairies to deliver to them *the benefits of your time spent with Me*. Seek Me in prayer for your

loved ones. I will send My fairies of goodness to them. They will bring them these gifts, so they will have all that they need.”

- * **White Angel (The Truth Keeper)** – ‘I am the keeper of the light that draws men to our Master’s side--that causes them to hunger and search for truth.’

++ The Helmet – (Jesus) ‘Those who have on the helmet of salvation will never be lost to Me.’

‘You’ve got the helmet of salvation, which means that you’ll always be more than a conqueror. Even if the Enemy kills your body, he can’t kill your spirit. The helmet protects your head, denoting that you can never really get fully “cut off”. You’re always Mine.’

Once you’re Mine, you’re always Mine. There is no denying My Spirit in you, because once I’m in your heart, I’m there to stay. I can never be completely hidden, no matter how much darkness, sin or disobedience may try to cloak My power; no matter how much one may try to pretend I’m not there. Even the wayward are bound to Me, and our connection of love will never be broken. My Spirit in them can never be eliminated or destroyed.’

□ **HEB.3:12,13** Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God. But exhort one another daily, while it is called To day; lest any of you be hardened through the deceitfulness of sin.

PRODIGAL CHILDREN

ENEMIES

- + The Devil - He ruled the universe, second only unto God, the very Bearer of the light! But he wasn't satisfied with most of it. He wanted it all! He wanted to be the light. So because he wanted it all and wasn't even willing to share a little, he lost it all! He wanted to be God! ...*Pride* was his downfall... He did not have to fall--he chose to, because of *his lust for power*!
- + Lethargy – Silences the voice of conviction, and instills lack of the fear of the Lord, and complacency with the way things are.
- + Spirits of Complacency and Compromise
- + Obstacon - Opposes absorption of the Word and tempts us with good things motivating us to postpone obedience.
- + Obtherion – lures and beguiles the mind—through pride--into strong disbelief. He is the master of both illusion and delusion. You must be the strong defense and wall against him gaining entrance into the lives and hearts of your loved ones who have departed. Pray for your own, that their pride will be contained, and that they will not be open prey to Obtherion's lures and seduction.
- + The Sensi (Slime) – Sponsor sensitivity and numbness to the Lord's touches of Love and the voice of His Spirit.
- + Medith (Pride) – 'In the big picture, pride is Satan's highest priority . It's so important because it's the root of all sin and all evil.' It's underlings are demons of Accomplishment, Flesh, Worldliness, Machoism, Carnality, Materialism... 'All manifestations of pride

such as The Selvegion, come directly from this demon of Pride.. Pray against the demon of Pride first of all, and then name his underlings and command them to follow. As these demons are cast out, and a force field of protection set up through the keys of imprisonment and containment, great victory will be won.'

* Their nemesis are *The Silver Helmet Angels* who defeat the Demons of Pride.

+ Pan – The arch- demon whose aim is to gain control over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. One of his demons is Rejection, who seeks to reject God's truth.

- Pan is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, analyzing, confusion, anything that would stand in the way of simply taking in God's Words in childlike faith and belief.

- Pan stirs up murmuring against My ways and My will in your life. He tries to speak lies in your ears to keep you from wanting to do things My way or to serve Me.

- He promotes self-importance, and the glory of our own mind and ways, seeking to enticing us with knowledge and high learning of evil or just useless information without discerning.

-He is the author of strong negativity, depression, schizophrenia, even suicide and all manner of mental illnesses.

- System music is one of his vehicles allowing him entrance to the mind with music that is not filled with

Jesus' Spirit, but rather Satan's words, chords, and propaganda.

- He has people think that movies and fashion, do matter, along with their mindsets like "nothing else but thin will do".

- Pan gets dieting started by making you feel depressed, and then Bacchus calls you, and pulls you with his tentacles into the vicious cycle.

- He is the one that tells you to feel s spite toward correction, to not receive it and to resent it.

- He has a spirit of "open-mindedness" and "anything goes" that is so prevalent in the world today.

Pan's nemesis:*Thank God that we can be closed-minded to the wrong things ... Pan and his deviltry, and open to Jesus and His Heavenly wisdom, truths, and insights!

*The Spiritual Cathars' soothing balm of love and forgiveness is an acid that burns Pan and he cannot endure it!

* If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word.

The written Word will send Pan screaming!

* 'Whenever the carnal mind is given precedence over My mind, you can be sure that Pan is at work. So call on the power of the keys, that his wiles will be defeated and that you can rise above the natural desire to please others instead of pleasing Me above all... You can fight Pan by rebuking him in the spirit and telling him that if necessary you're willing to believe My Words even without fully understanding them. This is exactly the opposite of what Pan wants, and it frustrates him greatly.'

- + Rejection – Works in conjunction with Pan and Bitterness.
- + Spirits of Seduction – ‘They hype up fascination with things of the world. They try to get you addicted to a certain pleasure so that you're tempted to put it before your time with Me, or be distracted by it when you're supposed to be working or doing something more valuable... In these, the Last Days, there are many seducing spirits that have gone out into the world, more than the sum total of all time.
 - The seducing spirits have the power to do small "miracles," as it were, to engineer situations, to manipulate emotions in order to seduce their prey.
 - They tempt you to cover up your desires, to keep them hidden and satisfy them in secret, because then you'll continue to be drawn away from My Spirit.’
 - ‘Some go into a huge billboard, an advertisement of some sort. Others go into a TV set, and still others into a computer... they just become part of society in different ways, morphing into human form or entering into objects.’
- Nemesis of the Spirits of Seduction: * The key is to be so full of Me that the spirits of seduction can have no hold on you....
 - * Try the spirits, My children...
 - * Call on the keys of discipleship, commitment, and dedication.
 - * If you feel a strong urge to do something, weigh it against My Word and see if it's My will for you.
 - * The Strength Of Spirit far outnumber the spirits of seduction, and when you call on them they will be at

your side to help you in an instant. ...

* You can just ask Me and I'll faithfully tell you to walk where you will be safe and blessed by Me.

+ Vandari – ‘Agents of the netherworld, who infiltrate the world population in the Last Days and are let loose upon the Earth. - Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day.

- They seek to oppose My truth...The Vandari look for prey among those who are ignorant of the truth, who reject My Words and are darkened in their understanding, and ...among those who are weak in the Word. They latch on to their prey and seek to use them to oppose My truth. Be aware, My children. ...’

-‘These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My Spirit...they are bloodsuckers that weaken... they try to bite and suck the lifeblood out of My children, and it can become a vicious cycle of spiritual weakening, poisoning, and lack of desire for the Word.

-They seek to harm you through your enemies.’ They inspire them ungodly actions and stories against us. Their nemesis :‘ Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior. Pray against the Vandari influencing and working through your enemies and others in the world who can harm you.’

+ Spirits of Death – ‘Try to destroy your usefulness to Me or cause the end of your physical life.’ They are active and aggressive in their attempts to cause and perpetrate death in any way possible. they intensely target the

young people of the children of David, including prodigal children

*Their nemesis are *The Wings of Heaven*, and *The Spirit of Youth and his Band* ‘commissioned to protect my young people on Earth from the Spirits of Death.’

+ Crow – Tries to influence us mentally and against the Family.

+ Mammon – Incites us to worldliness and materialism.

+ Candomble – Is a spirit of compromise and complacency carefully shrouded in open-mindedness, indulgence, free-thinking, and revelry that weakens our conviction with “mañana, mañana”

Not only do those keys carry My message clearly and in a way that each person might receive it easily, but they hold the power to thrust even into the darkest places and gloomiest hearts....None of the little devils of the enemy dares to face him neither tries to stop him.”

BIBLE VERSES

EX.32:26a Then Moses stood in the gate of the camp, and said, Who is on the Lord's side? Let him come unto me.

JOSH. 24:15a Choose you this day whom ye will serve.

1 CHR. 29:17a I know also, my God, that Thou triest the heart, and hast pleasure in uprightness.

PRO.16:6 By mercy and truth iniquity is purged: and by the fear of the LORD men depart from evil.

1JN.2:14b-17 I have written unto you, young men, because ye are strong, and the word of God abideth in you, and ye have overcome the wicked one. Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.

MAT.21:21 If ye have faith, and doubt not... if ye shall say unto this mountain, Be thou removed, and be thou cast into the sea; it shall be done.

ROM.4: 17b,18a,19,20,21 in whom he believed, even God, who quickeneth the dead, and calleth those things which be not as though they were. Who against hope believed in hope, And being not weak in faith, he considered not his own body now dead ...He staggered not at the promise of God through unbelief; but was strong in faith, giving glory to God; And being fully persuaded that, what he had promised, he was able also to perform.

TEENS AND YOUTH

ENEMIES

- + Pan – The arch- demon whose aim is to gain control over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. One of his demons is Rejection, who seeks to reject God's truth.
 - Pan is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, analyzing, confusion, anything that would stand in the way of simply taking in God's Words in childlike faith and belief.
 - Pan stirs up murmuring against My ways and My will in your life. He tries to speak lies in your ears to keep you from wanting to do things My way or to serve Me.
 - He promotes self-importance, and the glory of our own mind and ways, seeking to enticing us with knowledge and high learning of evil or just useless information without discerning.
 - He is the author of strong negativity, depression, schizophrenia, even suicide and all manner of mental illnesses.
 - System music is one of his vehicles allowing him entrance to the mind with music that is not filled with Jesus' Spirit, but rather Satan's words, chords, and propaganda.
 - He has people think that movies and fashion, do matter, along with their mindsets like "nothing else but thin will do".

- Pan gets dieting started by making you feel depressed, and then Bacchus calls you, and pulls you with his tentacles into the vicious cycle.

- He is the one that tells you to feel spite toward correction, to not receive it and to resent it.

- He has a spirit of "open-mindedness" and "anything goes" that is so prevalent in the world today.

Pan's nemesis: *Thank God that we can be closed-minded to the wrong things ... Pan and his devility, and open to Jesus and His Heavenly wisdom, truths, and insights!

*The Spiritual Cathars' soothing balm of love and forgiveness is an acid that burns Pan and he cannot endure it!

* If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word.

The written Word will send Pan screaming!

* 'Whenever the carnal mind is given precedence over My mind, you can be sure that Pan is at work. So call on the power of the keys, that his wiles will be defeated and that you can rise above the natural desire to please others instead of pleasing Me above all... You can fight Pan by rebuking him in the spirit and telling him that if necessary you're willing to believe My Words even without fully understanding them. This is exactly the opposite of what Pan wants, and it frustrates him greatly.'

+ Spirits of Seduction - 'They hype up fascination with things of the world. They try to get you addicted to a certain pleasure so that you're tempted to put it before your time with Me, or be distracted by it when you're

supposed to be working or doing something more valuable...In these, the Last Days, there are many seducing spirits that have gone out into the world, more than the sum total of all time.

- The seducing spirits have the power to do small "miracles," as it were, to engineer situations, to manipulate emotions in order to seduce their prey.
- They tempt you to cover up your desires, to keep them hidden and satisfy them in secret, because then you'll continue to be drawn away from My Spirit.'
- 'some go into a huge billboard, an advertisement of some sort. Others go into a TV set, and still others into a computer... they just become part of society in different ways, morphing into human form or entering into objects.'

Nemesis of the Spirits of Seduction: * The key is to be so full of Me that the spirits of seduction can have no hold on you....

- * Try the spirits, My children...
- * Call on the keys of discipleship, commitment, and dedication.
- * If you feel a strong urge to do something, weigh it against My Word and see if it's My will for you.
- * The Strength Of Spirit far outnumber the spirits of seduction, and when you call on them they will be at your side to help you in an instant. ...
- * You can just ask Me and I'll faithfully tell you to walk where you will be safe and blessed by Me.
- + Lazers - One of the seven principal demons, along with Pan, Bacchus and Set. He is the demon of lust (excessive and overmastering desire). . Lust's motto is, "I love me,

and I want you!", and it is fueled by... selfishness. Jesus' motto is "I love you; how can I give to you?" Lust has to do with the mind and falls squarely under Pan and Apotheon's dominions, and brings forth the ugly offshoots of extreme jealousy, depression, and insanity... However, only in seeking after what is best for your spirit over your fleshly wants and desires will you be able to effectively overcome and keep at bay lust in all forms... Lazers is an important one to rebuke by name. Rebuking him will bring greater clarity to your perspective when you have a strong desire for something and seek to make a wise decision, for Lazers seeks to cloud your priorities in order to lure you away from My highest will.

- + Seduction and Obsession – Seduction is a spirit of deception. It has to do with the mind and seducing the mind into obsession, submission, and a type of addiction. When anyone is primarily focused on themselves, then unfortunately it's easy to be open game for [the] spirits of Seduction and Obsession. Their power and domain lie in self-satisfaction.
 - * The nemesis of these spirits and sirens gaining entrance into your mind and emotions is unselfishness and sacrificial giving—turning your thoughts toward others and toward Me and My love. Real love begins with an effort, because the mind must choose to turn from selfishness...taking others into consideration, and looking to Me and what I would have you do. The yoke of total dedication...and humble service... to Me literally binds the power of the demonic spirits of Seduction and Obsession. You can call on Yokum to

help you take on this yoke.'

- + Bacchus – Fat prince of addictions and eating disorders. He also causes you to get your eyes on the things of this world, and your attention and focus away from the things of the Spirit and from doing His will. Internet is one of Bacchus' great lairs in which he will try to ensnare you. His nemesis is loving Jesus intimately!
- + Oplexicon – 'I say again, beware of Oplexicon! Beware of the demon of subtleties. Be not lured away through doors which you should not enter. Pray diligently and fervently whether you should enter this maze (The Internet) at all, for it is not for all.'
- + Arakan – Is a chief Demon of confusion, depression and discouragement. He is the muddler of channels, the clouder of minds and confuser of thoughts.
- + Lethargy – Instills lack of the fear of the Lord, and
- + Apotheon – Tries to oppress and suffocate us with laziness, poverty, failure and ruin, and complacency with the way things are.
- + Medith (Pride) Is in charge of promoting pride, and is linked to selfishness. His underlings demons are: Accomplishment, Flesh, Worldliness, Machismo, Carnality, Materialism.
- + Mammon – Incites us to worldliness and materialism.
- + Candomble – Is a spirit of compromise and complacency carefully shrouded in open-mindedness, indulgence, free-thinking, and revelry that weakens our conviction with "mañana, mañana".
- + Baal – Promotes sex perversions, condemnation, mental torture, self-condemnation, belittlement. He tries to derive pleasure through physical and spiritual torments.

+ Vain –‘Instills the consciousness of what others might think and a fear of the opinions of others... always seeks to lift up the individual, to want his prey to look good in the eyes of others, for it feeds their pride....It is when My children are proud,... wanting to be accepted by the mainstream and not wanting to rock the boat... seeking for your accomplishments and deeds and ministries to be well thought of by others, that you allow in the influence of Vain

+ Vandari –‘Agents of the netherworld, who infiltrate the world population in the Last Days and are let loose upon the Earth. - Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day.

- They seek to oppose My truth...The Vandari look for prey among those who are ignorant of the truth, who reject My Words and are darkened in their understanding, and ...among those who are weak in the Word. They latch on to their prey and seek to use them to oppose My truth. Be aware, My children. ...’

- ‘These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My Spirit...they are bloodsuckers that weaken... they try to bite and suck the lifeblood out of My children, and it can become a vicious cycle of spiritual weakening, poisoning, and lack of desire for the Word.

- They seek to harm you through your enemies.’ They inspire them ungodly actions and stories against us. Their nemesis :‘ Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior.

Pray against the Vandari influencing and working through your enemies and others in the world who can harm you.'

- + Lethargy - Instills lack of the fear of the Lord, and complacency with the way things are.
- + Spirits of Complacency and Compromise
- + Demons of Frenzy – They are a driving force in the world's crazed rush for speed. They whip people into a state where they no longer see things in perspective. They create pressure where no pressure is. Their end goal is to drive their victims into mental and physical collapse by persuading them to accept their pressures and the never-ending road of accomplishments that never satisfy.
- + Spirits of Death – 'Try to destroy your usefulness to Me or cause the end of your physical life.' They are active and aggressive in their attempts to cause and perpetrate death in any way possible. they intensely target the young people of the children of David.
*Their nemesis are *The Wings of Heaven*, and *The Spirit of Youth and his Band* 'commissioned to protect My young people on Earth from the Spirits of Death.'
- + Band of Dare – Try to get them to take foolish chances.
- + Kamikaze Spirits – Attack with suicidal thoughts and actions, then cast blame on others.

The Lord has promised to give all to those who have given their all to Him, and to those who hold nothing back--and you, my queen, have done just that! ”

(Jesus) Merlin has helped you from the beginning. He helped your David uncover mysteries of the spirit long before your David knew who was helping him. He has helped you ever since, guiding you in the realm of the mysterious and unexplainable. He loves it! He was a true character on Earth, but the legend of his presence came more from the times he appeared from the spiritual realm and from the testimony of those who had contact with him through the veil than from anything he did on Earth. He went to Earth mainly to learn about the limits of the physical world so that he could teach and instruct My children in how to overcome them. He knew he needed that personal experience in order to be a better helper of

the spirit, and so he lived a life on Earth and experienced many things which helped him to be more understanding and aware of all that you go through.

A FEW KEY PROMISES

⦿ The keys are the ultimate weapon and force in the final campaign to preach the Gospel in all the world for a witness to all nations before the End comes.

⦿ Go forth to conquer in My Name and in the name of the keys. Claim the land that I set before you in the power of the keys of **witness**, and walk with full faith through each door that I open for you. Don't pass up what seem like closed doors at first either, because any door can open through the power of the keys.

⦿ I give you through the keys the power of a horse-drawn chariot thundering over the sands of time. **The horses represent the keys** pulling you along. The keys will empower you and help you to cover the ground that you need in the short time that you have. So climb into this chariot and these thundering horses will take you much further and faster than you could ever imagine!

⦿ Tenaciously cling to the keys of **perseverance** and **faith** when you don't see much progress for your efforts, and in time you will see tangible results that will be worth more to you than any sacrifice.

⦿ Don't hold back, hesitate, or fear. Step out by faith to obey My voice, to fulfill My calling in your life. It feels like you're taking a leap off the edge of a cliff, but **the power of the keys is your parachute** and will not let you fall or fail.

use the weapon of The Law of Love and the weapon of Brotherhood, you must abandon the selfishness, pride and laziness of your own human nature. Then these weapons are activated and you are able to use them in all their power for My glory...It will not be the nature of man doing it, but My nature in you through these weapons that will destroy evil, defeat Satan, and bring light, life, love and power to one another, to yourselves, and to all those you touch...make it part of your daily breast, that you will have this weapon in your arsenal at all times, ready to pull it out at the first sign of the Enemy's nose... I have opened the gateways to pour forth the water in massive amounts-a true flood that will cover the Earth! * **Acumon** – ‘Is the keeper and guide for the PR Board. Truth and justice are most important to him, and are the reason for his existence. His mandate is to uphold truth and justice and righteousness...He knows how pride works against truth, and how the scales of pride blind and confuse; his power is to pierce and divide, casting asunder the shell of the pride of those who oppose the truth. His strength is in his keen judgment and insight, and in the power of his discernment. His cloak of meekness empowers you with truth... Those who know My Word are especially attuned to the strength that Acumon has for them.’

- * **Illuminus and the F.A.F. (Fairy Angel Fighters)**

* **Nadina** – (A young Christian Roman slave) “This is my special message to you, my fellow young disciples in the Lord:...We need the Word; We cannot do without it! We need the Word to live in our hearts and lives. We must be faithful to study to show ourselves approved unto God.(2Tim.2:14) You can do that by digging and searching the Word for the quotes that stand out to you and writing them down...Have you found a quote or verse today that you can store away in your quote book? Don't wait till tomorrow. Start today!”

* **Patrick** – (British Soldier in WWII) “Memorize, memorize, memorize.-Don't put it off! In the end this will be a source of great encouragement to you and others. You guys have far more Word than I had, so use it. You also have the gift of prophecy that will be a great help in the days of trouble. So get prepared for the days of war.” (Jesus) “So learn to use My new weapon of prophecy, but also continue to store the Word in your heart. For in the dark days to come, the two-fold cord of My written Word and My living Word will be a strength unbreakable in your life.”

++ **The Pavillion of The Power of God** – “I see a round enclosure...within this enclosure is a bright source of light and power. The stream of light begins from a cone-shaped base in the floor, and sweeps down from the enclosing wall to this cone. The cone doesn't have a top. The light shoots straight up in a gentle flow. ...The energy stream goes straight up, as if these rings were its conduits, and my eyes follow its flow till I can't see any more. Around the conduit is a cloud of deep purple

and blue. It swirls around and around, forming a cone shape as it ascends. This must go for miles, because even though it's straight up, I can't see the end of it... (Jesus:) There are many such powerhouses. This is the smallest and weakest of all of them. What you see here is the life's blood for an entire civilization within My Kingdom. My Father powers this civilization with the Words He speaks from His mouth. His thoughts are the air that this culture breathes. They exist by His power. It is their life, and without it they would have no energy at all. This shows you the magnitude of My Father's power and the power of His Words. You may think that the Words you hear from Me or your spirit helpers are just direction and counsel. But the truth is, these Words are backed by more power than you can imagine-immense power! That's why *there's such great power in claiming My Words*. My Words are the power of the spirit world. Without these Words there would be nothing; the universe would be empty. There would be no universe. The force with which I back up My Words to you is great. My power is great! Claim My power in your life today and do the impossible... Are you connected to the Power of God? You have connected if you are using the keys of Heaven!

- + Pan – The arch- demon whose aim is to gain control over the mind, who fights with ferocity against My young children of David. The mind is the Devil's playground, the main inroad through which he seeks entrance to gain control. One of his demons is Rejection, who seeks to reject God's truth.
 - Pan is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, analyzing, confusion, anything that would stand in the way of simply taking in God's Words in childlike faith and belief. Pan *stirs up murmuring against My ways* and My will in your life. He tries to speak lies in your ears to keep you from wanting to do things My way or to serve Me.
 - He has a spirit of "open-mindedness" and "anything goes" that is so prevalent in the world today.
- *His nemesis: Thank God that we can be closed-minded to the wrong things ... Pan and his deviltry, and open to

Jesus and His Heavenly wisdom, truths, and insights! If you're memorizing, there is no place for Pan to come in. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word. The written Word will send Pan screaming!

* 'Whenever the carnal mind is given precedence over My mind, you can be sure that Pan is at work. So call on the power of the keys, that his wiles will be defeated and that you can rise above the natural desire to please others instead of pleasing Me above all... You can fight Pan by rebuking him in the spirit and telling him that if necessary you're willing to believe My Words even without fully understanding them. This is exactly the opposite of what Pan wants, and it frustrates him greatly.'

+ Rejection – 'Evil power that seeks to question, demean, and reject My truth, My Words. He works in conjunction with Pan and Bitterness.'

+ Vandari – 'Agents of the netherworld, who infiltrate the world population in the Last Days and are let loose upon the Earth.

- Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day.
- They seek to oppose My truth... The Vandari look for prey among those who are ignorant of the truth, who reject My Words and are darkened in their understanding, and ... among those who are weak in the Word. They latch on to their prey and seek to use them to oppose My truth. Be aware, My children. ...'

- 'These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My

Spirit...they are bloodsuckers that weaken... they try to bite and suck the lifeblood out of My children, and it can become a vicious cycle of spiritual weakening, poisoning, and lack of desire for the Word.

-They seek to harm you through your enemies.' They inspire them ungodly actions and stories against us.

Their nemesis :‘ Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior. Pray against the Vandari influencing and working through your enemies and others in the world who can harm you.’

+ Deactivation Demon of Desobedience

+ Deactivation Demon of Pride

+ Spirits of Complacency and Compromise
