

# THE FALSE PROPHET!

By MO. ML # 1756 - 3/84 - Compilation

--The Islamic Fanatical Revolution?

--A Revelation!

1. IT JUST CAME TO ME THAT THE ANTICHRIST HAS A FALSE PROPHET! We were talking about the Islamic radicals that are making threats & attacks all over the World, & I was telling you that Khomeini is the head of a very radical Islamic Revolution, & the question was going through my mind, "Well, I wonder how that fits in with the Antichrist movement & with Communism being its base & all that?" And I was wondering what that might have to do with it. And just as clear as anything it came to me, "The False Prophet!"--Just like that! The Antichrist has a False Prophet! Isn't that something? I never had that connection before, ever! Never!

2. I ALWAYS THOUGHT OF THE FALSE PROPHET BEING THE ANTICHRIST'S PUBLICITY DIRECTOR, something like Goebbels was for Hitler, his Minister of Propaganda. But **look how Khomeini would fit!**

Did you know that Russia has been sort of favouring Iran, trying to woo their movement into Communism? I was just wondering, & the thought just struck me!

**4. I MEAN THEY'RE ABSOLUTELY COOKING UP AN EXCUSE TO GO TO WAR AGAINST IRAQ!** (N. of the Ed.- ...*in 1984, today 2020 they use the same excuse against Syria!*) Now with its hands full of war with Iran, what a dirty trick that would be to stab Iraq right in the back with an excuse like this! They've been building up this chemical warfare propaganda now for weeks & trying deliberately to turn the U.S. against Iraq...

**6.** ...But that would be something, wouldn't it, if this pseudo-prophet ... should be the False Prophet spoken of in Revelation, used by the Antichrist!--And he uses the Antichrist too to get into power! ...

**7. ....Considering that the Antichrist would use an Islamic fundamentalist revolution to help promote his cause!**--A madman, really fanatic, a crazy guy! And yet see, that's about the only way he could ever get the Muslims to back him, by favouring them. He does favour the religions at first. He promises them everything & makes the Holy Covenant & that sort of thing, the religious covenant. (Dan.9:27; 11:22-24)

**8. -MARIA: AND THIS Khomeini THING IS REALLY SPREADING ALL OVER THE WORLD, AMONGST THE MUSLIMS, isn't it?**- (N. of the Ed.- It was 1984, now 40 years later ISIL, Hezbollah, Al-Qaeda, etc... nowadays 2020 are doing it also) David: It is booming everywhere! Khomeinism is just booming! **It would be just the cleverest sort of thing if the Communists would figure out some way to use it, & I have an idea they've already been using it.**--They certainly have in Lebanon & other places! (Maria: But why? It's so crazy & fanatical, why is it booming?) Honey, because [they] have this doctrine that to fight & die for [their religion] is heroic & a virtue & it means immediate entry into Heaven!

**9. OF COURSE, A LOT OF OTHER GOVERNMENTS HAVE TAUGHT THE SAME THING IN THE PAST, INCLUDING THE CHRISTIAN COUNTRIES.--THAT THEY WERE DYING FOR GOD & COUNTRY!** So it is nothing new, but it's a tactic that always arouses fanaticism & an insane desire to die, willing to just die, virtually suicidal! ...

10. KHOMEINI IS ABSOLUTELY DEMONIC & I'VE SAID  
THAT BEFORE! HE IS A TOOL OF THE DEVIL! Well, of course, so are the anti-Christ & so is anti-Christ Communism, so why shouldn't they all get together? Strange bedfellows, but they're all on the same side--the Devil's side!...So it would be interesting in some ways if Khomeini [or his brand of religion] turns out to be the False Prophet!

11. YOU SEE, SOMETIMES THESE CHARACTERS SYMBOLISE  
A POWER OR A GOVERNMENT like the kings symbolise their governments, their countries, etc. (Rev.17:12) *The Antichrist is the symbol & epitome of the Antichrist System. So it doesn't necessarily have to be this present Khomeini himself, he is too old & about to die, but it could be a young successor* ..., who would rise to power & make a pact with...the Russians, that if the Russians favour them, they will fight... & become the Antichrist's False Prophet! It is really quite an idea! Isn't that funny? I never really thought about that before. The thought never entered my mind before!

12. I WAS JUST AS I OFTEN DO, SITTING HERE WONDERING  
ABOUT THIS, WHERE ... **THIS FANATICAL, RADICAL ISLAMIC REVOLUTION**, (N. of the Ed.- Like ISIL, Hezbollah, Al-Qaeda, etc...  
nowadays 2020) WHERE DOES IT FIT INTO THE WORLD PICTURE OF THESE LAST DAYS, because *it doesn't seem to be stopping, it seems to be growing & sweeping the World almost like the original onslaught of so-called Mohamedanism in the 7th Century! I mean it really took on, took hold & swept the World & almost conquered Europe! It did conquer parts of Europe, all of North Africa & the Mideast. It became extremely popular & swept the Earth, & that is the way this present modern Islamic Revolution seems to be going--really catching fire & catching the imaginations of the youth!* He is becoming almost a symbol of modern religious revolution, see, a return to the religious fundamentalism & basics of God & faith! And look what a clever Satanic deceitful doctrine of devils that is to trap the youth of today, *those who have not followed the Jesus Revolution, they are caught up in the complete almost hysterical fanaticism of this Islamic Revolution!*

13. (MARIA: YOU MEAN IT IS NOT JUST CONFINED TO  
ISLAMIC YOUNG PEOPLE?) NO, **IT IS REALLY CATCHING THE FANCY OF A LOT OF YOUTH OF THE WORLD & certainly not merely the Iranians but all of the youth of Islam & other youths that have been interested in God & in faith.** And you see, since they wouldn't

accept us, the Jesus Revolution, & having turned their backs on Jesus, they are going to be swept up into the worst kind of fanaticism, but with the same type of religious fervour & a supposed return to faith in God, which the youth of the World have in common today from all countries & colours & shades & sorts & varieties of different colours & races & nations & powers & whatnot! There has been a general backlash of the youth against the atheism & unbelief & scepticism of their parents.--A backlash in favour of faith & God!

**14.** ... I mean it just seems almost miraculous the way it is spreading to where they are willing to fight & die for it & become terrorists for it all over the World! They are the most dangerous terrorists in the World today, [this man's followers]! It is a religious revolution with a very demonic, fiendish fanaticism of Satan himself! ... Think of it!

**15. BOY! WHAT A COMBINATION THAT WOULD MAKE, FOR THIS ISLAMIC RELIGIOUS REVOLUTION TO JOIN FORCES WITH COMMUNISM!--**Strange bedfellows, but both actually on the same side of the Antichrist & the Devil's own! **That would be a perfect combination to sweep up both the anti-God religious fervour & the pro-God religious fanaticism & combine them together to sweep the World, getting an outstanding religious False Prophet, as he is called in the Bible, to cooperate with the Antichrist!--And finally he even persuades the World to worship the Antichrist as God! Think of that!**

**16. BOY! THAT'S A BOMB!--THAT'S SOMETHING THAT NEVER OCCURRED TO ME BEFORE!** But I was just thinking as we were talking, I sort of had that question on my mind, & had the answer come to me just like the Lord suddenly, so surprisingly will answer me when I am not even praying! But I just had the thought or question on my mind: *"What place does this booming fanatical religious revolution of Islamic Fundamental fanaticism have, what place has this got in the World picture, when the coming Antichrist government is supposed to be eventually anti-religious?"* And it just suddenly came to me, **The False Prophet!**--Just as clear as anything, "The False Prophet!"

**17. SEE, AT FIRST THE ANTICHRIST MAKES A PACT WITH THE RELIGIOUS PEOPLE TO WORK WITH HIM.** (Dan.11:28,30) This is the religious Covenant, the so-called Holy Covenant--in other words, a religious covenant to get their cooperation & backing & get them to work

with him & promote him & help put him in power.--**Then he turns on them & breaks the Covenant & tries to obliterate them!...**

18. I MEAN THEY'RE ALREADY DOING IT ALL OVER THE WORLD! Instead of slacking off, it is getting worse all the time! Their terrorists are the most dangerous & fanatical & fiendish in the World today & more widespread & seem to be better organised! ...

19. BOY! THAT IS SOME THOUGHT!--TO THINK THAT **MAYBE THE COMMUNISTS WOULD USE THIS FANATICAL ... REVOLUTION OF YOUTH TO HELP FURTHER THEIR CAUSE!** And what a combination that would be if they would join forces! This would give them the religious fervour & fanaticism of the religiously-inclined youth,...

20. ... Think of it! So *while Communism is catching the imagination & the fervour of the secularists, the materialists, the anti-God, anti-faith people, here comes the Islamic Revolution capturing the fancy & the faith & the fanaticism & the fervour of the faith-inclined youth, the back-to-God movement of youth!*

21. AND WHAT A PERFECT COALITION BETWEEN RELIGION & COMMUNISM! HERE WE HAVE A MOVEMENT THAT IS SUPPOSEDLY PROMOTING FAITH IN GOD & a great wave of back-to-God fervour but is backed by the Devil & started by a fiend like [this] false prophet! Just think of it! What a False Prophet he & his revolution would make! Of course, he is too old, he is probably going to die soon, ...-and- one of his successors will fulfil his mission & by making a compromise, a religious pact, the so-called Holy Covenant as it is called in the Bible, with the Antichrist & his System. They could cooperate together & take over the World!--The Communist fanatics along with the religious fanatics!--The materialistic zealots along with the religious zealots! What a combination that would make!

22. ... See, the Lord gave them the Jesus Revolution first & it swept the World, let's face it. And they all knew about it & they all heard about it & they all had the Message & they all had the chance to receive it, but comparatively speaking few have really followed. Of course, there was a Jesus People Movement in the States & Europe, a return of youth to the church, & there has been a certain revival of youthful Catholicism & a youth

revival sweeping the churches as well, but it is a return to the System church which isn't accomplishing much.

**23. BUT THERE HAS BEEN THIS REVIVAL OF RELIGION AMONGST YOUTH THROUGHOUT THE WORLD**, returning to faith in God as opposed to their parents' horrible scepticism & atheism & unbelief which they see hasn't worked & is about to wreck the World, is already wrecking the World! So that **having had the true message first--God always gets His in first--& having rejected it, turned their back on the Lord, now they are accepting the Devil's False Prophet**, a number of his false prophets in fact, false cults & isms & sects that are not of the Lord. But the one which is the largest & is sweeping up more youth than almost any other is this Islamic Revolution. Think of it!

**25....In [some more extreme forms of] Islam it is perfectly legitimate, in fact, it is virtually their traditional custom to try to kill a Muslim who converts to Christianity!** Even their own families have been known to poison them & murder them, some are so fanatical! ... this religious revolution, the youth revolution of Islam.

**26...But you see how they can be led astray if they don't receive Jesus Himself. They can think they're worshipping God, until, Jesus said, that even "he that kills you would think that he doeth God service!" (Jn.16:2)**

**28. I MEAN IT ALL FITS! IT JUST SORT OF MAKES THE PIECES OF THE PUZZLE FIT!** Maybe I'm crazy, but all I know is it came to me when I was just talking to you ...

**29. I MEAN IT ALL JUST FITS!... Look how that would fit if they would finally decide that it is to their advantage & interest to combine the World Communist Revolution with the World religious revolution & make that the Antichrist's False Prophet! Think of that!**

**30. ... It certainly is a fascinating thought that the anti-Christ movements of the World, including the Jews & Communists & even Western materialism might decide to combine with the religious youth revolution of the World, the false one, this great ... Fundamentalist Revolution who are wild fanatics throwing themselves into suicidal death situations, seeming to go happily to their deaths, to fight & die for their faith!** This is nothing new,

of course, people have done it for thousands of years for their religions. But just think how if the Devil could combine all of his religions together to work together in a compromise Covenant with the Devil & his secularists' political movement of Communism, what a combination that would make!

31. THAT WOULD GIVE THE ANSWER TO EXACTLY WHAT THE COVENANT HE MAKES WITH RELIGION IS, WHICH THE BIBLE IS VERY CLEAR ABOUT, & then he turns around & breaks it later after he has gotten in power & has full control, then he insists that they worship him! It sounds like by that time, the False Prophet, the false leader of the religious forces actually combines completely with the Antichrist & urges his followers to worship the Antichrist! How about that? So the Antichrist breaks the Covenant & then seeks to slay anybody who refuses to worship him. But he uses that ploy, that trick of cooperating with them temporarily & making this religious Pact temporarily to work with them & protect them in order to get their cooperation & their support & their backing to put him in power.

32. I MEAN THAT WOULD BE THE PERFECT GENIUS OF A TACTIC BY COMMUNISM, TO TURN THIS ISLAMIC REVOLUTION TO THEIR FAVOUR & TO THEIR USE, & THERE IS EVERY SIGN THAT THAT IS WHAT THEY ARE DOING!--They are trying to capture these Islamic revolutionists & fanatics & using them for their purposes. . .

33. **THE ANTI-CHRISTS** ARE ABLE TO PERSUADE THE WORLD & SWAY THE WORLD ANY WAY THEY WANT TO, to think any way that they want the World to think...! So they can change sides at the drop of the hat if it suits their purpose. Or they can work on both sides against the middle or toward the middle to get them all together, all of the anti-Christ forces, all the anti-God forces, all the forces of Satan, be they religious or non-religious! They've got the cleverness to be able to get them together, if anybody ever did, & to engineer such a Pact--the Holy Covenant spoken of in the Bible--that the Antichrist makes with the religious people to supposedly protect them & cooperate, & they give him their support in return for his tolerance or actual cooperation until he gets in power & proclaims himself to be God. His False Prophet then tries to wipe out anybody who won't believe it & won't worship him!

34. I CAN SEE A FALSE RELIGIOUS PROPHET DOING THAT VERY THING!: LEADING A RELIGIOUS MOVEMENT & COOPERATING WITH THE ANTICHRIST to secure his favour & protection & support in return for theirs. Then when it is done, even when he breaks the religious Covenant, I could see such a False Prophet turning to the Antichrist & promoting him as God! Can't you see that? Even though he was the leader of a great religion to begin with, he could easily turn to Antichristism & his religion into Antichristism! Because it's all of the Devil & they're all on the Devil's side.

36. SO THERE IT IS! YOU CAN TAKE IT OR LEAVE IT, BELIEVE IT OR NOT! I believe it, that's all I know. But it certainly does look like it is going that way in every way, **& that would certainly be the key to the mystery, the answer to how in the World the Antichrist could ever possibly get together with the religions of the World!**--He gets together with the false religions, those who are willing to fanatically fight for him & cooperate with him to put him in power in return for his supposed protection & his cooperation. Then he turns on them, but the False Prophet keeps on going with him & sides with him, of course, because he is the False Prophet of the Devil, & has been all along!

37. THE FALSE PROPHET! IT'S ALWAYS BEEN A MYSTERY IN REVELATION ABOUT THAT FALSE PROPHET--who he was & what he was & how come that the Antichrist has anything to do with religion at all when he is supposed to be totally anti-religious, anti-God! Well, after all, **religions that are not of God & aren't the true religion, are anti-Christ & anti-God! They're the religions of the Devil! So of course they would cooperate with the Devil & the Devil's own son, the Devil man, the Antichrist!** And what a perfect combination that would be to lead the World to its destruction, the False Prophet & the Antichrist!

40. SO KHOMEINI'S FORM OF ISLAM IS DEFINITELY ANTI-CHRIST! There are many Muslims ... who are much more favourable toward Christ & Christians as was Mohammed himself. But not Khomeinism, he is fanatically anti-Christ! Well, so are the Jews, so are the Communists, so they all just fit together nicely! They just need to make some kind of an agreement or a Pact to work together to take over the World, & I'm sure they're working on it.--And I'm sure the Devil is working on it!... That fits, that figures.

**41. ...this worldwide religious movement could be the religious movement of the False Prophet who finally cooperates with the Antichrist to put him in power! ...The words came just as clear as anything, "The False Prophet"! So we shall see, amen?**

**42. BUT I CERTAINLY WOULD LOOK IN THAT DIRECTION & WATCH EVENTS WITH THAT IDEA IN MIND & BEWARE OF THE FOLLOWERS OF SUCH A RELIGION OF THESE FANATICS OF ISLAM! *Not all Muslims are such fanatics, many of them are very sensible & favourable even to Christ & Christianity, including Mohammed himself, according to the Koran.* But not these fanatics...! They are fiends, horrible! They're the ones who caused us all the trouble in the country we're having to evacuate, just the beginning of what their tactics are going to be!**

**43. WELL, THAT'S ALL I KNOW!...those words came to me just as clear as anything, "The False Prophet"! Now whether that meant that he is the False Prophet or Khomeinism is the False Prophet or his religion is the False Prophet or this fanatical Fundamental Islamic Revolution is the False Prophet, or whether the Lord was just meaning that it shows how a false religion could back Communism & the Antichrist & produce the False Prophet, I don't know which, but that's all I know. I was thinking about it & the words came to me just as clear as anything, "The False Prophet."**

**44. SO IT BEARS WATCHING. AMEN? PRAISE THE LORD! WATCH OUT FOR THE FALSE PROPHET & THE FALSE PROPHETS (Mt.24:24) of the false religions who will definitely give their power to the Beast & cooperate with the Antichrist in the End! And they're probably already doing so.**

**45. ... And that fulfils all of those mysteries about the False Prophet & the false religions working together with the Antichrist, & it sure looks like Khomeinism & his ... Youth Revolution could be it, or the vanguard of it, the leaders of it! God help us! Thank the Lord for warning us!**

**46. ... Just think, the forces of atheism & the forces of religion unite! What a combination! It is almost an unbeatable combination!--It does prove to be unbeatable because it puts the Antichrist in power! But of course, it won't be unbeatable in the long run, because we are going to beat it! The forces of true religion are going to defeat them all in the Battle of Armageddon! HALLELUJAH!**

**47. IT WOULDN'T EVEN BE HARD FOR THE CATHOLICS & PROTESTANTS & CHURCHES TO UNITE WITH OTHER RELIGIONS** to suppress what they consider a threat to all religions--us!--And to persuade the anti-Christ governments to suppress us! They always have.

**49. IT IS AMAZING HOW THEY CAN TURN THEIR PROPAGANDA TO SUIT THEIR PURPOSES!** The [Antichrists] must have a busy headquarters, they've got a finger in every pie of the World, everywhere!--Either for it or against it, preparing the World for their Antichrist takeover! ... God Bless you and keep you, in Jesus' name!-- I love you!

+++

**51. IT'S LIKE HE (Khomeini) IS PUTTING HIS RELIGION ON THE SPOT! "LIVE UP TO YOUR RELIGION!"** He is to Islam what I am to Christianity! He challenges his mosques like we do the churches! As if it weren't enough to have the [Antichrists] & churches fighting us, but now we've got [these] fanatics! But **"If God be for us, who can be against us?"** (Rom.8:31)

**56. THE -ISLAMIC- FANATICS ARE IN SOME WAYS & SOME PLACES LIKE THE EAST A WORSE & MORE WIDESPREAD ORGANISATION THAN THE MILITANT JEWS!**

They're out-&-out terrorists, not even ashamed of it! They brag about it, promote it & have done it all over the World, killings & bombings & knifings & everything imaginable! (Maria: It's also rather significant that in that Letter, that Revelation you got from the Lord in France, that he compared us to Khomeini, that He showed the difference but put them side-by-side! **"You are more powerful than Khomeini, because thy Words have more energy!"**) ...

**57.**(Later) I was taking a break after reading this letter, and thinking about Khomeini, when suddenly this came to me: "**Behold, I have called him for this purpose & chiseled his features to fit their picture of a prophet!**"--Wow! There's another clincher!--**He or his must be the one!**
